EXPLANATION

Amid the State's current budget limitations, the Bureau of Court Facilities asked the landlord for a two-year lease renewal with a 0% rate increase. Citing an 11% increase in costs for facility repair and maintenance and a 3.3% increase in real estate taxes, the landlord respectfully denied the initial offer. Ultimately the State and landlord mutually agreed to a 1% annual increase in year one and another 1% annual increase in year-two. The total increase for the two-year term is \$1,596. Attached, please see the letter of justification from the landlord.

and the Honorable Council

The Tenant hereby requests a waiver from "Clean Air" testing as the facility lacks a central HVAC system which is assumed in the protocol of the air test and makes testing for compliance unreasonable. There are no known air quality concerns within the Premises.

The rent for the 9th Circuit-District Division-Milford Courthouse is \$14.05 per square foot for year one and \$14.19 per square foot for year two. The provisions of utilities and janitorial services will be an additional expense which will cost approximately \$20,000 annually.

The Office of the Attorney General has reviewed and approved this lease agreement.

To whom it may concern;

I feel it's fair and reasonable to ask for a one percent increase in the first year of the lease renewal with the State of New Hampshire, (7/1/13-6/30/14), and a one percent increase in the second year of the lease with the State of New Hampshire, (7/1/14-6/30/15) for the reasons stated below:

**The costs associated with maintaining the property at 180 Elm Street have increased.
Repairs and maintenance, (including snow removal, landscaping and pest control), increased from 2011 to 2012 by 11 %.
Real Estate Taxes increased from 2011 to 2012 by 3.3 %**

The minimal increase I've requested will help offset some of the increased operating expense I've had to absorb over the course of the last year.

Sincerely,

**Salvatore Lupoli
Manager Sal's Kitchen Realty, LLC**

EXHIBIT C

Provisions for Architecturally Barrier – Free Accessibility, "Clean Air" compliance, Improvements and Recycling

Part I Architecturally Barrier-Free access to the Premises conforming with all applicable codes and regulations which are in effect as of the date of inception of the Term shall be provided unless otherwise agreed by the parties hereto and agreed by the "Architectural Barrier-Free Design Committee". If Barrier-Free access is deficient it shall be provided after the inception of the Term herein by making certain renovations and/or alterations to the Premises which shall include all recommendations set forth by the State of New Hampshire's "Architectural Barrier-Free Design Committee" (AB Committee) in their "Letter of Recommendation" which has been attached hereto and made part of the Agreement herein by reference. *Specify in text and/or illustrate the manner in which all renovations recommended by the AB Committee will be provided at the Premises. Define which party, the Landlord or Tenant, shall be responsible for providing and funding said renovations and the time frame allowed for completion.*

1. The Tenant will provide the necessary Assistive Listening Signs- indicating the availability of assistive listening devices at the bailiff's desk and at the entrance to courtroom.

Part II Certification from the State of New Hampshire Department of Environmental Services ("Environmental Services") stating the Premises comply with the requirements of State of New Hampshire RSA 10-B "Clean Indoor Air in State Buildings" ("clean air") as defined by Chapter Env-A 2200 has either been obtained and a copy of said certification attached herein, or shall be obtained in accordance with the following:

No later than thirty (30) days after the commencement of the Term herein the air quality of the Premises shall be tested in conformance with requirements set forth in Chapter Env-A 2200 in accordance with the requirements of the Agreement herein. *Specify which party – the Landlord or the Tenant- shall schedule and pay for the required testing. In the event of testing results demonstrating the Premises do not conform with all or part of the requirements of Chapter Env-A 2200, specify which party will be responsible for providing and paying for the alterations and repairs necessary to remedy the non-conformity, the time frame to be allowed for providing remedy, and which party shall bear the cost of re-testing and repair required until such time a "certification of compliance" is issued.*

The Tenant shall request "waiver" from "Clean Air" testing requirements from the State of NH Governor and Executive Council coterminous with submission for approval of the agreement herein. Application for this waiver is based upon the following statutory provision:

•RSA 10-B:4 Exceptions II. The governor and council, upon recommendation by the director of plant and property management or other state agency authorized to build, acquire, or lease office space, may suspend the enforcement of all or part of this chapter or any rule adopted under it upon finding that an emergency or hardship exists which makes compliance with the provisions of this chapter unreasonable.

The lack of a central HVAC system in the Premises, which is assumed in the protocol of said air test, makes testing for compliance unreasonable. There are no know air quality concerns within the Premises, therefore suspension and waiver of enforcement of NH RSA 10-B is therefore requested from the Governor and Executive Council.

Part III **Improvements, Renovations or New Construction ("work"):** In the event that the Agreement herein includes provisions for such "work" to be provided, the Tenant's finalized version of Design-Build floor plans, specifications and any supplemental defining documents depicting all "work" shall be reviewed, accepted, agreed-to and signed by both parties and shall be deemed as part of the lease document. The Tenant and the Landlord shall both retain copies of these documents. Tenant shall provide complete copies to the State of New Hampshire, Department of Administrative Services, Bureau of Planning and Management.

Term: July 1, 2013– June 30, 2015

The Architectural Barrier Free-Design Committee respectfully recommends that the subject **LEASE RENEWAL** of approximately 5,700 Square Feet of Space square feet of space be **approved, with the following conditions.**

No later than thirty (30) days after the commencement of the Term herein, the following improvements and renovations to the Premises. Any and all renovations must be completed in compliance with Exhibit D and with all applicable building codes, including but not limited to the Code for Barrier-Free Design for the State of New Hampshire (Americans with Disabilities Act 2010 Standards for Accessible Design), the NH State Building Code (IEBC/2009, IBC/2009 as amended, ICC/ANSI A117.1/2003, as amended), the NH State Fire Code Saf-c 6000, and Title II of the Americans with Disabilities Act 2010 (ADAAG citations). When applicable (designated by "LAHJ approval required"), renovation plans shall be submitted to the local authority having jurisdiction (i.e., Building Inspector, Code Enforcement Officer) for approval.

Condition yet to be met: Letter Dated May 17, 2011

1. Provide the necessary signage indicating the availability of assistive listening devices at the bailiff's desk and at the entrance to each courtroom as per ANSI 703.

This recommendation is based upon the site-surveys completed by Administrative Services and by the Accessibility Specialist, and on the assurances of that agency's ADA Coordinator. The Accessibility Specialist cannot survey all state leased properties. However, as a safeguard for

the state against ADA litigation, and to assure access for the state's people with disabilities, random surveys are performed.

Should future inspection by Administrative Services or the Architectural Barrier-Free Design Committee prove that areas of non-compliance exists, the agency should withhold rent until the landlord brings it into compliance, or should negotiate to remedy the non-complying areas.

Respectfully submitted and approved by the **Architectural Barrier-Free Design Committee,**

DAVID GLEASON
