EXPLANATION

RSA 471-C, this state's *Unclaimed and Abandoned Property Law*, provides that the Treasurer may contract with other entities to identify, recover and remit unclaimed or abandoned assets (e.g. cash, securities) through audit or examination of records. This is done largely with out-of-state holders of such property. Treasury, upon report and remittance, endeavors to contact the rightful owner who may then claim the property. Amounts not claimed shall be escheated and deposited in the General Fund.

Treasury will contract with any reputable provider of audit/examination services that offers a competitive fee arrangement. Audit Services has agreed to reduce the current 12% contingent fee to 10.25% of amounts received from holders based on audits started July 1, 2013 through June 30, 2015.

Respectfully requested,

Catherine A. Provencher
State Treasurer
