ASSISTANT COMMISSIONER

Bureau of Highway Maintenance
(Well Section)
June 5, 2014

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Skillings & Sons, Inc. of Amherst, NH, (Vendor 161456) in the amount of \$19,270.00 for a 6-inch drilled well and pump on the property of Paul Green, 7 Sandstrom Road, Wolfeboro, NH from the date of Governor and Council approval through December 12, 2014, unless extended by the Department in accordance with the Standard Specifications. 100% Highway funds.

04-96-96-960515-3066	
400-500870 Highway Contract Payments	\$19,270.00

EXPLANATION

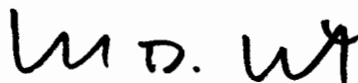

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department is therefore obligated to obtain a new water supply for the owner. This proposal is in conformity with RSA 228:34.

This contract was advertised and five bids were received and publicly opened on May 15, 2014. Skillings & Sons, Inc., was the low bidder at \$19,270.00 and the Department considers this bid to be reasonable.

page 2

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

A handwritten signature in black ink, appearing to read "C.D. Clement, Sr.", with a stylized flourish at the end.

Christopher D. Clement, Sr.
Commissioner
