EXPLANATION

The Department of Health and Human Services, Division of Client Services, Division for Children Youth and Families, Office of Child Support Services and Bureau of Elderly and Adult Services currently has forty employees occupying the Littleton District Office. The Department is requesting approval of the attached ten-year term renewal lease agreement with Peak Three Associates, LLC. This renewal lease agreement will allow the Department to secure office space for its employees and clients in a secure and efficient facility.

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council

The Department has started a series of District Office reconfigurations to meet several objectives: improved public access to services through greater use of technology and less dependence on physical sites; greater access, safety and confidentiality provisions where direct client interactions are necessary; more efficient use of office space; and more efficient use of energy. To date, the Department has closed its Salem District Office and relocated its Southern (Nashua), Seacoast (Portsmouth) and Keene District Offices to help meet those objectives. The Littleton District Office was the next area to be reviewed. A thorough assessment of caseload by Division and then by staff caseworker showed that Littleton would remain the location to best meet the clientele needs of Grafton and partial Coos Counties.

As required by Administrative Rule Adm 610.06 "Public Notice," in December 2013, a space search was conducted through newspaper advertisements in the New Hampshire Union Leader and the Littleton Courier (see attached Public Notice). In addition, the current Littleton landlord was sent a copy of the advertisement. The Department of Health and Human Services also submitted the advertisement to the Department of Administrative Services for inclusion on the web page <http://www.state.nh.us/das/bpm/index.html> for broadened exposure. Limited available commercial real estate in the Littleton area and the State's stringent lease contract requirements present significant obstacles for building owners. The space search resulted in only one viable response; the current landlord, Peak Three Associates, LLC, 84 Edencroft Road, Littleton, New Hampshire 03561. Stephen Mosher, Chief Financial Officer (at that time) for the Department of Health and Human Services, and David Clapp, Bureau Chief for the Department of Administrative Services, Bureau of Facilities and Assets Management, reviewed the proposals.

Due to program changes, which streamline the way the Department does business with its clients, the current Littleton District Office needed renovations to bring it up to the current Department standards, the limited renovations provide: an additional transaction window with added privacy; renovated areas to provide workspace for teleworker staff when they routinely visit the office for updates (more efficient use of office space); accessible parking upgrades for both clients and staff; an automated door opener to be added to the main entrance; interview rooms will have added security features using access cards instead of keys for staff; upgraded perimeter heating; new flooring (inclusive of slip resistant VCT in rest rooms and lounge areas) and new paint throughout.

This building will encourage smart growth by renovating the existing facility. The proposal includes the limited renovation of the existing office building for the Department of Health and Human Services (no other State agencies are considering space in the Littleton area at this time). The square footage remains the same at approximately 13,275 square feet. The current lease rate is \$19.95; the renewal lease rate with renovations is \$18.52 per square foot gross, not reaching \$19.95 per square foot until year six, providing a substantial savings to the Department. In addition, remaining at this location saves the Department moving costs, inclusive of the moving expense, telephone and data relocation, upgrading the phone system and access control system, and the inclusion of the added cost of systems furniture.

Page 3

Financially, a renewal lease is the only feasible resolution for this District Office. The lease proposal provided by Peak Three Associates was offered to the Department as a five-year and a ten-year lease, with no options to extend. The ten year lease provided a savings of \$101,686.50 (see attached Littleton Renovation spreadsheet) over the first five years of the lease; therefore, the Department pursued the ten-year lease. The ten-year lease rate structure is as follows:

<u>Term</u>	<u>Per Square Foot</u>	<u>Annual Rent</u>	<u>Percent Increase</u>
Year 1	\$18.52	\$245,853.00	
Year 2	\$18.80	\$249,570.00	1.5%
Year 3	\$19.08	\$253,287.00	1.5%
Year 4	\$19.37	\$257,136.75	1.5%
Year 5	\$19.66	\$260,986.50	1.5%
Year 6	\$19.95	\$264,836.25	1.5%
Year 7	\$20.25	\$268,818.75	1.5%
Year 8	\$20.55	\$272,801.25	1.5%
Year 9	\$20.86	\$276,916.50	1.5%
Year 10	\$21.18	\$281,164.50	1.5%
Total ten-year term		\$2,631,370.50	13.5% Increase over ten-year term

The lease approach was chosen over the purchase approach as the comparison of a lease vs. a purchase (see attached) revealed a savings with the lease of approximately \$3,109,476.00 over the purchase. The purchase costs were estimated using the State of New Hampshire, Department of Administrative Services, Bureau of Public Works, Design And Construction Instruction For Estimating Capital Improvement Projects.

The new lease rate is structured to be payable as a full gross lease, inclusive of real estate taxes, insurance, heat, electricity, janitorial services and common area maintenance (including snow plowing, snow removal, general repairs and maintenance, HVAC repairs and maintenance, electrical repairs and maintenance, water and sewer, and landscaping).

In accordance with RSA 4:39-b, waiver of the five-year term limitation was reviewed and approved on June 24, 2014, by the State of New Hampshire, Long Range Capital Planning and Utilization Committee (see attached letter of approval).

As part of this lease agreement, Exhibit A, Schedule Of Payments will allow the Department to request minor alterations, renovations and modifications to be made by the Landlord at the Department's expense (not to exceed \$5,000 per year) without amending the amount of this contract.

Approval of this renewal lease will allow the Department of Health and Human Services to provide services to the public more efficiently and effectively in a secure and confidential environment. The area served by the Littleton District Office is the majority of Grafton County and partial Coos County.

This conditional recommendation is based upon the documents submitted by the Bureau of Planning and Management to the Governor's Commission on Disability that were received by the AB Committee on May 20, 2014, and is also based on the assurances of the agency's ADA Coordinator. A more detailed letter of recommendation citing specific requirements of Abfd 300 will be provided within 30 days of the date of this letter. The AB Committee currently does not have staff to provide correspondence and survey state leased properties. However, as a safeguard for the state against ADA litigation, and to assure access for the state's people with disabilities, the AB Committee will make arrangements to have a survey of this facility provided.

Should future inspection by Administrative Services or the Architectural Barrier-Free Design Committee prove that areas of non-compliance exists, the agency should withhold rent until the landlord brings it into compliance, or should negotiate to remedy the non-complying areas.

Respectfully submitted with conditional approval by the **Committee on Architectural Barrier-Free Design,**
