Explanation

This contract is **sole source** because American Society of Crime Laboratory Directors Laboratory Accreditation Board (ASCLD/Lab) is the only organization that accredits all units of the New Hampshire State Police Forensic Laboratory to the ASCLD/Lab *International*/ISO 17025 standards. The accreditation of forensic science testing laboratories applies to any laboratory performing forensic testing activities in the disciplines of Drug Chemistry, Toxicology, Trace Evidence, Biology, Firearms/Toolmarks, Questioned Documents, Latent Prints, Crime Scene and Digital & Multimedia Evidence.

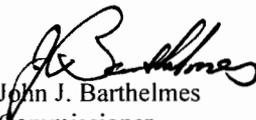

In order to maintain its accreditation, the Forensic Laboratory must have an on-site inspection in FY2015 and annual surveillance visits (FY2016, FY2017 and FY2018) by the ASCLD/Lab. The importance of demonstrating that all forensic services are provided in accordance with accepted standards has increased in recent years. Accreditation provides that essential external, independent review. Accreditation increases the level of confidence for customers and all interested parties in the work and work product of the laboratory.

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council

The ASCLD/LAB-*International* accreditation program for forensic science testing is based on:

- ISO/IEC 17025:2005 Internationally developed and approved,
- ASCLD/LAB developed supplemental requirements specific to forensic science testing laboratories,
- ASCLD/LAB policies for laboratories, and
- Board interpretations for specific program applications.

Respectfully submitted,

- 8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
- 8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
- 8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.
