Explanation

This contract will provide repairs to various Motorola non-field serviceable subassembly and modules (i.e., Motorola portable radios, cruiser radios, and other associated equipment) utilized by State Police Communications Maintenance. Advertisements for requests for proposals were placed in the Manchester *Union Leader* on April 20, 21 and 22, 2015, and on the Administrative Services website on April 17 through May 7, 2015, pursuant to MOP 1600. Three proposals were received – one from R&R Communications, Inc., one from Beliveau Communications and Consulting, LLC, and one from Ossipee Mountain Electronics, Inc. The proposal from Ossipee Mountain Electronics was received after the closing date and could not be considered. The proposals were assessed by Administrative Major Russell Conte; James Kowalik, Communications Maintenance Supervisor; and Thomas Bardwell, Assistant Communications Maintenance Supervisor.
