***Join Us for an Invigorating Two Days of Discussion and
Networking***

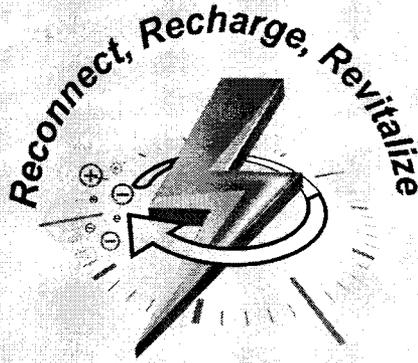

We invite you to attend the Interactive Executive Officer Forum to collaborate with your colleagues on best practices and advances in regulating for the protection of public health. Discuss current topics with peers and share what has worked for your board in hopes of helping others. The forum will take place October 13-14, in Northbrook, IL.

Let us know what discussion topics are important to you by completing an online survey, available at <https://www.surveymonkey.com/s/2015ExecutiveOfficerForum>. Please complete the survey by September 23.

In addition, as a new executive officer, you are invited to attend a special pre-meeting that provides an overview of NABP programs and services. The New Executive Officers Orientation Program allows you to network with other new executive officers and offers information on how NABP can support you, your board members, and your board staff. The orientation will be held on October 13, from 8 to 10:30 AM at NABP Headquarters. After the orientation, you will be shuttled back to the hotel in time to meet fellow Forum attendees for a networking lunch and the start of the forum.

If you would like to attend, please return your registration form to NABPMeetings@nabp.net no later than Wednesday, September 23. If you have any questions or need additional information, you can call Sharon Stryczek, NABP meeting services supervising coordinator, at 847/391-4494. NABP will cover your costs for transportation, hotel accommodations, and meals in accordance with NABP policies.
