Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Behavioral Health, to amend an existing **sole source** agreement with Purcell Law Office, PLLC, One New Hampshire Avenue, Suite 125, Portsmouth, NH, 03301 (Vendor #218300), to provide legal services by increasing the price limitation by \$11,966, from \$9,920 to \$21,886, effective upon the date of Governor and Executive Council approval, with no change to the completion date of June 30, 2017. This agreement was originally approved by the Attorney General on February 12, 2016. 100% General Funds.

Funds are available in State Fiscal Year 2016 and 2017 with authority to adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified, without approval from Governor and Executive Council.

05-95-92-920010-7003 HEALTH AND SOCIAL SERVICES, DEPT. OF HEALTH AND HUMAN SVCS, HHS: BEHAVIORAL HEALTH – DIV OF, DIV OF BEHAVIORAL HEALTH, COMMITMENT COSTS

Fiscal Year	Class/Object	Class Title	Current Budget Amounts	Increase/Decrease Amounts	Revised Budget Amounts
2016	102-500732	Contracts for Program Services	\$3,720	\$3,286	\$7,006
2017	102-500732	Contracts for Program Services	\$6,200	\$8,680	\$14,880
Grand Total			\$9,920	\$11,966	\$21,886

EXPLANATION

This Amendment is **sole source** because the original Agreement was sole source. In November 2015, one of the contractors provided a two week notice to the Department to terminate their contract in early December 2015 that provided legal representation to clients at probable cause hearings at the Portsmouth Designated Receiving Facility, in accordance with Revised Statutes Annotated 135-C:30. As a result, the time frame did not allow for a normal procurement process. To ensure compliance with Revised Statutes Annotated 135-C:30, the Department entered into with a sole source contract with this Vendor.

Approval of this Amendment will increase the price limitation for this Contract and allow the Contractor to provide representation for up to 193 additional individuals subject to involuntary emergency admission at probable cause hearings held in the 10th Circuit Court - District Division - Portsmouth as scheduled by the Court. The increase in the number of cases is due to the ramp up of operations by Portsmouth Hospital so that it can accept more involuntary patients. This is a positive development because it reduces the pressure on general hospital emergency department wait times. The Contractor will be reimbursed at the rate of \$62 per case.

Should the Governor and Executive Council not authorize this request, the State will not be able to commit people to New Hampshire Hospital who are mentally ill and dangerous to themselves or others in the community and who are in need of involuntary emergency admission.

Area served: Statewide.

Source of funds: 100% General Funds.

Respectfully submitted

Dear Attorney Yaple,

Please review the attached **sole source and retroactive** contract between the Department of Health and Human Services, and Purcell Law Office, PLLC, One New Hampshire Avenue, Suite 125, Portsmouth, NH, 03301 (Vendor #218300). The Vendor will provide legal services, in an amount not to exceed \$9,920, **retroactive** to December 10, 2015, effective upon Attorney General approval through June 30, 2017. 100% General Funds.

Funds are available in the following account for State Fiscal Years 2016 and 2017 with authority to adjust encumbrances between State Fiscal Years, through the Budget Office if needed and justified without further approval from Governor and Council.

2017	102-500732	Contracts for Program Services	\$6,200
		Grand Total	\$9,920

EXPLANATION

This Requested Action is **retroactive and sole source** because this Vendor needed to start work immediately to insure that individuals facing involuntary emergency admission received their constitutional and statutory right to counsel at probable cause hearings. In November 2015, one of the contractors provided a two week notice to the Department to terminate their contract in early December 2015 that provided legal representation to clients at probable cause hearing at the Portsmouth Designated Receiving Facility. As a result, the time frame did not allow for a normal procurement process. This Vendor has the experience and expertise to provide legal services. The Department has worked with this Contractor and she has provided excellent service.

Approval of this Agreement will allow the Department to provide legal services to individuals subject to involuntary emergency admission at probable cause hearings held in the 10th Circuit Court - District Division - Portsmouth as scheduled by the Court. Additionally this Contractor will meet with individuals at New Hampshire Hospital whose conditional discharge has been revoked to review their legal rights and effectuate any appeal. The Contractor will be reimbursed at the rate of \$62 per case.

Should the Governor and Executive Council not authorize this request, the State will not be able to commit people to New Hampshire Hospital who are mentally ill and dangerous to themselves or others in the community and who are in need of involuntary emergency admission.

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I.
