11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

12.2 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

13. CONFLICT OF INTEREST. No officer, member or employee of the Grantee and no representative, officer of employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, worker's compensation or emoluments provided by the State to its employees.

15. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

17. INSURANCE AND BOND.

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier

than ten (10) days after written notice has been received by the State.

18. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

The grantee shall utilize awarded Specialty Crop Block Grant (SCBG) funds to create and conduct a program that promotes the use of NH fruits and vegetables in schools. The Harvest of the Month program has been used successfully in other states. It will be adapted for New Hampshire and piloted in four School Advisory Units (SAUs), totaling 40 schools. Following evaluation, the program will be made available to schools statewide.

Outcomes expected via detailed work plan provided:

- Educate students about local foods and nutrition.
- Train teachers and school food service personnel in how to use the program materials.
- Adapt the Vermont Harvest of the Month materials to New Hampshire.

All project work shall be managed by the grantee who shall be responsible for all project development and oversight, per the terms of the grant application approved by USDA. This includes adhering to applicable federal grant uniform administrative requirements as specified in the Code of Federal Regulations as follows:

- Grant funds awarded to state, local, and Tribal governments; public and private colleges and universities; and non-profit organizations are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards contained in 2 CFR part 200 and 2 CFR part 400.
- Grant funds awarded to federal government entities are subject to the Uniform Administrative Requirements and Cost Principles for Federal Awards contained in 2 CFR part 200 and 2 CFR part 400.
- Grant funds awarded to For-Profit Organizations are subject to the Uniform Administrative Requirements contained in 2 CFR part 200 and 2 CFR part 400, and the Cost Principles contained in the Federal Acquisition Regulation (FAR) Subpart 31.2, Contracts with Commercial Organizations, codified at 48 CFR 31.2.
- Recipients are responsible for the consistent application of the Federal regulations to the SCBGP grant funds. Recipients are responsible for ensuring their contractors/consultants comply with the Federal regulations.
- The CFR is accessible on the National Archives and Records Administration website and in the Electronic Code of Federal Regulations at www.ecfr.gov.

Prior Approval Requirements: To make any changes to this project (including, but not limited to, scope of work, budget, equipment purchase, rental, contractor rates, key personnel, etc.) the grantee must submit a written request detailing the desired changes and obtain written approval from the Director Division of Agricultural Development. Some changes may also require approvals from the US Department of Agriculture, Agricultural Marketing Service.

Reporting/Monitoring: Upon completion of the project, the Grantee shall submit a written report of the project outcomes per federal reporting guidelines for the SCBG program and following the SCBGP report template. For multi-year projects, two written progress reports per year are also required, one in June and one in December, following specific federal reporting guidelines. Grantee may be subject to monitoring site visits from the NH Department of Agriculture, Markets & Food, or the US Department of Agriculture.

Records: Record retention and accessibility is governed by 2 CFR 200.333 and 200.337. Recipient must retain financial records, project records, and supporting documents for a period of three years from the date the Grant Agreement is closed or until final resolution of any litigation related to the grant.

State, local, and tribal governments, non-profit organizations, and institutions of higher education that expend more than \$750,000 annually in Federal awards must comply with the single audit requirements contained in 2 CFR 200 Subpart F, and are required to submit a copy of the single audit report to OGA.

Acknowledgement: Grantees are not required to acknowledge USDA, AMS support through oral or written presentation; however, if the Grantee chooses to add an acknowledgement of support, it must read as follows:

“This publication (or project) was supported by the U.S. Department of Agriculture’s (USDA) Agricultural Marketing Service through grant [Insert Agreement Number]. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the USDA.”

Note that USDA symbols or logos are only intended for the official use of the USDA. They are expressly excluded from use to imply endorsement of a commercial product or service. The symbol or logo may not be used by anyone outside of USDA without permission.

Exhibit B

The grant amount shall not exceed \$44,412. The grantee shall be paid as follows within 30 days of submission of an invoice detailing work done and work to be completed with the funds. \$12,500 in April, 2016
\$14,000 in August, 2016
\$14,000 in January, 2017
\$3,912 in September, 2017

All expenditures must be made as per the approved scope of work and budget.

Allowable/Unallowable Cost: A cost is unallowable if it does not comply with applicable cost principles, program requirements, or other terms and conditions of the Grant Agreement. A cost is also unallowable if it does not solely benefit specialty crops, is not contained in the approved

scope of work, or is not necessary and reasonable to advance the work of the project. Unallowable costs will not be reimbursed.

Program Income: Program income that is earned from activities supported by or as a result of the grant must be reinvested into the project, and must be expended on allowable project costs that solely enhance the competitiveness of specialty crops. It is unallowable to expend program income on unallowable costs.

Program income information is reported on the progress and final reports and includes the nature or source of the program income (e.g., registration fees), the amount, and a description of how the program income will be used to solely enhance the competitiveness of specialty crops. The amount of program income is reported on the invoices as well as in the progress and final reports.

Equipment Purchase: The purchase of special use equipment is allowed with pre-approval and if it meets specific criteria related to the project. Equipment is subject to the full range of acquisition, use, management, and disposition requirements under 2 CFR part 200.313 as applicable.

Travel costs: Travel costs are allowed when travel costs are limited to those allowed by formal organizational policy; in the case of air travel, the lowest reasonable commercial airfares must be used.

Grantees who do not have formal travel policies and for-profit subrecipients' allowable travel costs may not exceed those established by the Federal Travel Regulation, issued by GSA, including the maximum per diem and subsistence rates prescribed in those regulations. This information is available at <http://www.gsa.gov>. If a grantee organization has no formal travel policy, those regulations will be used to determine the amount that may be charged for travel costs.

Exhibit C

If the date for commencement for Exhibit A precedes the Effective Date all services performed by the Grantee between the commencement date and the Effective Date shall be performed at the sole risk of the Grantee and in the event that this Agreement does not become effective, the State shall be under no obligation to pay the Grantee for any costs incurred or services performed.
