William Cass, P.E.
Assistant Commissioner

Bureau of Highway Maintenance
(Well Section)
February 23, 2017

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Capital Well Company, Inc. of Dunbarton, NH (Vendor 156110) in the amount of $17,607.00 for a 6-inch drilled well and pump on the property of Donna Cronin, 199 Ashburnham Road, New Ipswich, NH, from the date of Governor and Council approval through June 30, 2017, unless extended by the Department in accordance with the Standard Specifications. 100% Highway funds.

Funding is available as follows:	**FY 2017**
Salted Wells Account	
04-96-96-960515-3066	
400-500870 Highway Contract Payments	$17,607.00

EXPLANATION

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department is therefore obligated to obtain a new water supply for the owner. This proposal is in conformity with RSA 228:34.

This contract was advertised and four bids were received and publicly opened on February 2, 2017. Capital Well Company, Inc. was the low bidder at $17,607.00 and the Department considers this bid to be reasonable.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

Victoria F. Sheehan
Commissioner
