REQUESTED ACTION

Authorize the Department of Health and Human Services, Office of Human Services, Bureau of Homeless and Housing Services, to enter into a **sole source** agreement with Merrimack Valley Assistance Program, Inc. (vendor # 157934-B001), 8 Wall Street, Concord, NH 03301, to provide tenant-based, long-term, rental assistance; short-term rent, mortgage and utility assistance; permanent housing placement services; housing information services; supportive services; and project administrative services to low income persons living with Human Immunodeficiency Virus / Acquired Immune Deficiency Syndrome, and their families, in an amount not to exceed \$940,530, effective March 1, 2018, through February 28, 2021, upon Governor and Executive Council approval. 100% Federal Funding.

State Fiscal Year	Class/Account	Title	Amount
2018	102-500731	Contracts for Program Services	\$104,503
2019	102-500731	Contracts for Program Services	\$313,510
2020	102-500731	Contracts for Program Services	\$313,510
2021	102-500731	Contracts for Program Services	\$209,007
		Total	\$940,530

EXPLANATION

This is a **sole source** agreement because the U.S. Department of Housing and Urban Development issued public notice CPD-17-02 on February 16, 2017 for renewal funding requiring the Department to specify the State's designated Housing Opportunities for Persons With Acquired Immune Deficiency Syndrome Program Sponsor Agency during the federal application process prior to the grant award being issued. The vendor's Federal Renewal Application has been scored and approved by the U.S. Department of Housing and Urban Development which issued a letter of approval dated December 22, 2017.

The purpose of this agreement is to allocate Housing Opportunities for Persons with Acquired Immune Deficiency Syndrome Program grant funds provided to the State by the U.S. Department of Housing and Urban Development to homeless, low-income persons living with Human Immunodeficiency Virus / Acquired Immune Deficiency Syndrome and their families.

Successful continued renewal of this grant is contingent upon maintaining consistent services and positive service outcomes through an established Sponsor Agency. The Sponsor Agency must be a service provider with both the capacity to serve the New Hampshire Balance of State area (all regions in New Hampshire excluding Greater Manchester and Greater Nashua) and a history of providing services through the Housing Opportunities for Persons With Acquired Immune Deficiency Syndrome Program grant. Merrimack Valley Assistance Program, Inc. was awarded the role of New Hampshire's Sponsor Agency as a result of a competitive procurement process in 1999, and has successfully provided the required program services since that time.

All initiatives in this program focus on attaining and maintaining quality of life and independent living. This program provides services for approximately eighteen (18) households supported through tenant based rent assistance; approximately ninety-two (92) households with short-term rent/mortgage/utility payments; approximately two-hundred-ten (210) households with supportive services; approximately ninety-two (92) households with housing information services; and approximately forty-seven (47) households with permanent housing placement services.

Should the Governor and Executive Council determine not to approve this request, approximately one-hundred (100) households affected by Human Immunodeficiency Virus / Acquired Immune Deficiency Syndrome throughout the New Hampshire Balance of State area may lose their ability to maintain their current housing. Approximately two-hundred-ten (210) additional households may lose essential supportive services, such as counseling and financial management, which are necessary to maintain their housing. A number of full-time employees providing supportive services through local Acquired Immune Deficiency Syndrome Service Organizations may become unemployed, eliminating the capacity of those organizations to provide supportive services.

Area served: Balance of State area including Belknap, Carroll, Cheshire, Coos, Grafton, Merrimack, Rockingham, Stafford, Sullivan and Hillsborough Counties (excluding Greater Manchester and Greater Nashua, New Hampshire).

Source of funds: 100% Federal Funds from the U.S. Department of Housing and Urban Development, Housing Opportunities for Persons With Acquired Immune Deficiency Syndrome Program, Catalog of Federal Domestic Assistance Number (CFDA) #14.241.

In the event that the federal funds become no longer available, general funds will not be requested to support this program.

Respectfully submitted,

Christine M. Tappan
Associate Commissioner

The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
 - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. 11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.

If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Merrimack Valley Assistance Program, Inc., as of June 30, 2017 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

MERRIMACK VALLEY ASSISTANCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended June 30, 2017

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Merrimack Valley Assistance Program, Inc. (the Organization) was organized as a nonprofit entity under Section 501(c)(3) of the Internal Revenue Code. The Organization is a non-profit entity organized for the purpose of providing a variety of supportive services and housing assistance to persons with certain infectious diseases. The Organization includes Greater Manchester AIDS Project, which was formed to provide support and assistance to HIV/AIDS affected individuals and their families in the greater Manchester, New Hampshire, area, and which was acquired by the Organization in 2000. The Organization receives most of its support from government grants and private donations.

The accounting policies of Merrimack Valley Assistance Program, Inc. conform to accounting principles generally accepted in the United States of America as applicable to nonprofit entities except as indicated hereafter. The following is a summary of significant accounting policies.

Basis of Presentation

The financial statements have been prepared in accordance with the reporting pronouncements pertaining to Not-for-Profit Entities included within the FASB Accounting Standards Codification. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based upon the existence or absence of donor-imposed restrictions. The Organization only has unrestricted net assets.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Recognition of Donor Restrictions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Cash and Cash Equivalents

For the purposes of the Statement of Cash Flows, the Organization considers cash and cash equivalents to include cash on hand and other cash accounts with an original maturity of 90 days or less.

Property and Equipment

Property and equipment is recorded at cost for purchased items and at estimated fair value for donated items. The Organization's policy is to capitalize assets purchased, built, or leased with a useful life of one year or greater and a cost of \$1,000 or more or expenditures for repairs or renovations of \$1,000 or more

MERRIMACK VALLEY ASSISTANCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended June 30, 2017

that extend the life of the asset. Maintenance and repairs are charged to expenses as incurred. Depreciation is computed using the straight-line method over estimated three to forty-year lives for property and equipment. Depreciation expense was \$8,543 for the year ended June 30, 2017.

Bad Debts

The Organization uses the reserve method for accounting for bad debts. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. No allowance has been recorded as of June 30, 2017, because management of the Organization believes that all outstanding receivables are fully collectible.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services based primarily on estimates made by the Organization's management.

Fair Value of Financial Instruments

Cash, grants and contracts receivable, accounts receivable and accounts payable are carried in the financial statements at amounts which approximate fair value due to the inherently short-term nature of the transactions. The fair values determined for financial instruments are estimates, which for certain accounts may differ significantly from the amount which could be realized upon immediate liquidation.

NOTE 2--SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash balances at local financial institutions located in New Hampshire. The balances are insured by the Federal Deposit Insurance Corporation up to a combined total of \$250,000 per financial institution as of June 30, 2017. The bank balances may, at times, materially exceed federally insured limits. The Organization has not experienced any losses on such accounts. The Organization had no uninsured cash balance as of June 30, 2017.

MERRIMACK VALLEY ASSISTANCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS

The Organization incurred \$8,333 in interest expense on the notes payable during the year ended June 30, 2017.

NOTE 6--CAPITAL LEASE OBLIGATION

The Organization leased an office copier under a capital lease that accrues interest annually at 5.009% through October 2016. Principal and interest payments made under this capital lease were \$950 and \$10, respectively, for the year ended June 30, 2017. Amortization expense of \$1,274 is included in depreciation expense.

NOTE 7--REFUNDABLE ADVANCES

During the past several years a private individual issued the Organization various non-interest-bearing advances with no specific repayment terms. The balance of the Organization's refundable advances under these agreements is \$61,292 at June 30, 2017. During the current fiscal year, the amount repaid to the individual from the Organization was \$2,100.

NOTE 8--LEASE COMMITMENTS

The Organization is a tenant at will for its office space in Manchester, New Hampshire. Rental expense for the rental lease was \$35,400.

NOTE 9--INCOME TAXES

The Organization is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is also exempt from New Hampshire income taxes and, therefore, has made no provision for Federal or State income taxes. In addition, the Organization has been determined by the Internal Revenue Service not to be a "Private Foundation" within the meaning of Section 509(a) of the Code.

Financial Accounting Standards Board (FASB) prescribes rules regarding how the entity should recognize, measure and disclose in its financial statements tax positions that were taken or will be taken on the Organization's tax return that are reflected in measuring current or deferred income tax assets and liabilities for interim or annual periods. Differences between tax positions taken in a tax return and amounts recognized in the financial statements will generally result in an increase in a liability for income taxes payable, or a reduction in a deferred tax asset or an increase in a deferred tax liability. The Organization does not have any unrecognized tax benefits which would be material to the financial statements. During the fiscal year 2017, no new additional unrecognized tax benefits were identified. As of June 30, 2017, the tax years ending June 30, 2016, 2015 and 2014 are open for possible tax examination.

NOTE 10--COMMITMENTS AND CONTINGENCIES

Contracts with AIDS Service Organizations

The Organization has contracted with several AIDS service organizations to deliver services in various parts of the State of New Hampshire into fiscal year 2017. These commitments total approximately \$53,705 at June 30, 2017.

MERRIMACK VALLEY ASSISTANCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended June 30, 2017

Federal Grants

The Organization receives funds under contracts from State and Federal sources, which require that the Organization use the funds within certain periods and for purposes specified by governing laws and regulations. If expenses should be found not to have been made in compliance with the laws and regulations, the Organization might be required to repay the funds.

No provisions have been made for these contingencies because specific amounts, if any, have not been determined or assessed by government audits as of June 30, 2017.

NOTE 11--ECONOMIC DEPENDENCY

For the year ended June 30, 2017, approximately 61% of total support and revenue was derived from various grants and contracts from the State of New Hampshire Department of Health and Human Services' Bureau of Homeless and Housing Services and Division of Public Health. The discontinuation of the State grants and contracts would result in a decrease in services provided by the Organization, until alternative revenues could be obtained.

NOTE 12--SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 7, 2017 which is the date the financial statements were available to be issued.
