

**Victoria F. Sheehan**  
Commissioner

**THE STATE OF NEW HAMPSHIRE**  
**DEPARTMENT OF TRANSPORTATION**

**William Cass, P.E.**  
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

Bureau of Construction  
February 12, 2018

**REQUESTED ACTION**

1. Authorize the Department of Transportation to enter into a contract with L & M Service Contractors, LLC (Vendor 205668) of Orford, NH on the basis of a low bid of \$512,017.50 for reconstruction of approximately 3,700 linear feet of Saint-Gaudens Road from NH Route 12A to the Saint-Gaudens National Historic Site (NHS) Visitor Center in Cornish, from the date of Governor and Council approval through June 22, 2018 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

|                                      |                |
|--------------------------------------|----------------|
| Funding is available as follows:     | <u>FY 2018</u> |
| 04-96-963515-3054                    |                |
| Consolidated Federal Aid             |                |
| 400-500870 Highway Contract Payments | \$512,017.50   |

2. Further authorize that a contingency in the amount of \$25,600.88 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

|                                      |                |
|--------------------------------------|----------------|

| 04-96-963515-3054                    |                |
| Consolidated Federal Aid             |                |
| 400-500870 Highway Contract Payments | \$25,600.88    |

**EXPLANATION**

This project is part of the State's Ten Year Transportation Improvement Plan. The Department of Transportation, at the request of the US Department of the Interior, National Park Service, submitted an application under the 2014 MAP-21 Federal Lands Access Program (FLAP) call for projects to reconstruct Saint Gauden's Road. The goal of FLAP is to improve state and local transportation facilities that provide access to, are adjacent to, or are located within Federal lands. Saint Gauden's Road is state maintained.

This project covers the reconstruction of approximately 3,700 linear feet of Saint-Gaudens Road from NH Route 12A to the Saint-Gaudens National Historic Site (NHS) Visitor Center in Cornish. This section of Saint-Gaudens Road is cut into a heavily wooded, uniformly sloped region off of the Connecticut River Scenic Byway (NH 12A) therefore; elements of the project are to match the natural settings. The project work includes removal of the existing pavement structure; asphalt binder, wearing

pavement, and aggregate base placement; earthwork, minor drainage improvements such as the installation of underdrain and several culvert replacements. Additionally, replacement of the existing cable guardrail with new steel backed wood guardrail, along the left side of the road is proposed. Page 2

This roadway was originally constructed as a dirt road, and later upgraded to a paved surface, which currently shows signs of significant distress and disrepair. Since the original paving, minimal maintenance has been performed to preserve the pavement structure. Additionally, limited ditch maintenance and lack of underdrain within the roadway cross section, have directly and adversely affected the pavement performance. This pavement reconstruction project, in addition to the proposed drainage upgrades, will extend the life of the existing infrastructure and eliminate the need for more costly repairs/improvements in the future.

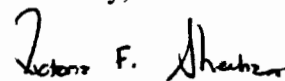

Although the bid costs exceeded the Department's estimate by 2.4%, the low bid of six bids received is felt to be reasonable for the work involved. Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 80% federal funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Victoria F. Sheehan  
Commissioner

VFS/md

Department Estimate: \$500,000.00

Contract Amount: \$512,017.50

Over Estimate: \$ 12,017.50

## **SUPPLEMENTAL PROJECT INFORMATION SHEET**

**DESCRIPTION:** This project covers the reconstruction of approximately 3,700 linear feet of Saint-Gaudens Road from NH Route 12A to the Saint-Gaudens National Historic Site (NHS) Visitor Center in Cornish. This section of Saint-Gaudens Road is cut into a heavily wooded, uniformly sloped region off of the Connecticut River Scenic Byway (NH 12A) therefore; elements of the project are to match the natural settings. The project work includes removal of the existing pavement structure; asphalt binder, wearing pavement, and aggregate base placement; earthwork, minor drainage improvements such as the installation of underdrain and several culvert replacements. Additionally, replacement of the existing cable guardrail with new steel backed wood guardrail, along the left side of the road is proposed.

**FEDERAL FUNDING:** 80% (FLAP) with anticipated utilization of Turnpike Toll Credits for the State's 20% match

**CONTINGENCY:** The contingency amount is proposed to be 5% of the contract amount. The risk of overruns associated with the proposed work is higher due to limited ground survey obtained. Additionally, unanticipated work associated with underdrain installation and pipe replacement, as well as the execution to minimize impacts to the adjacent hillsides and historical features may be required.

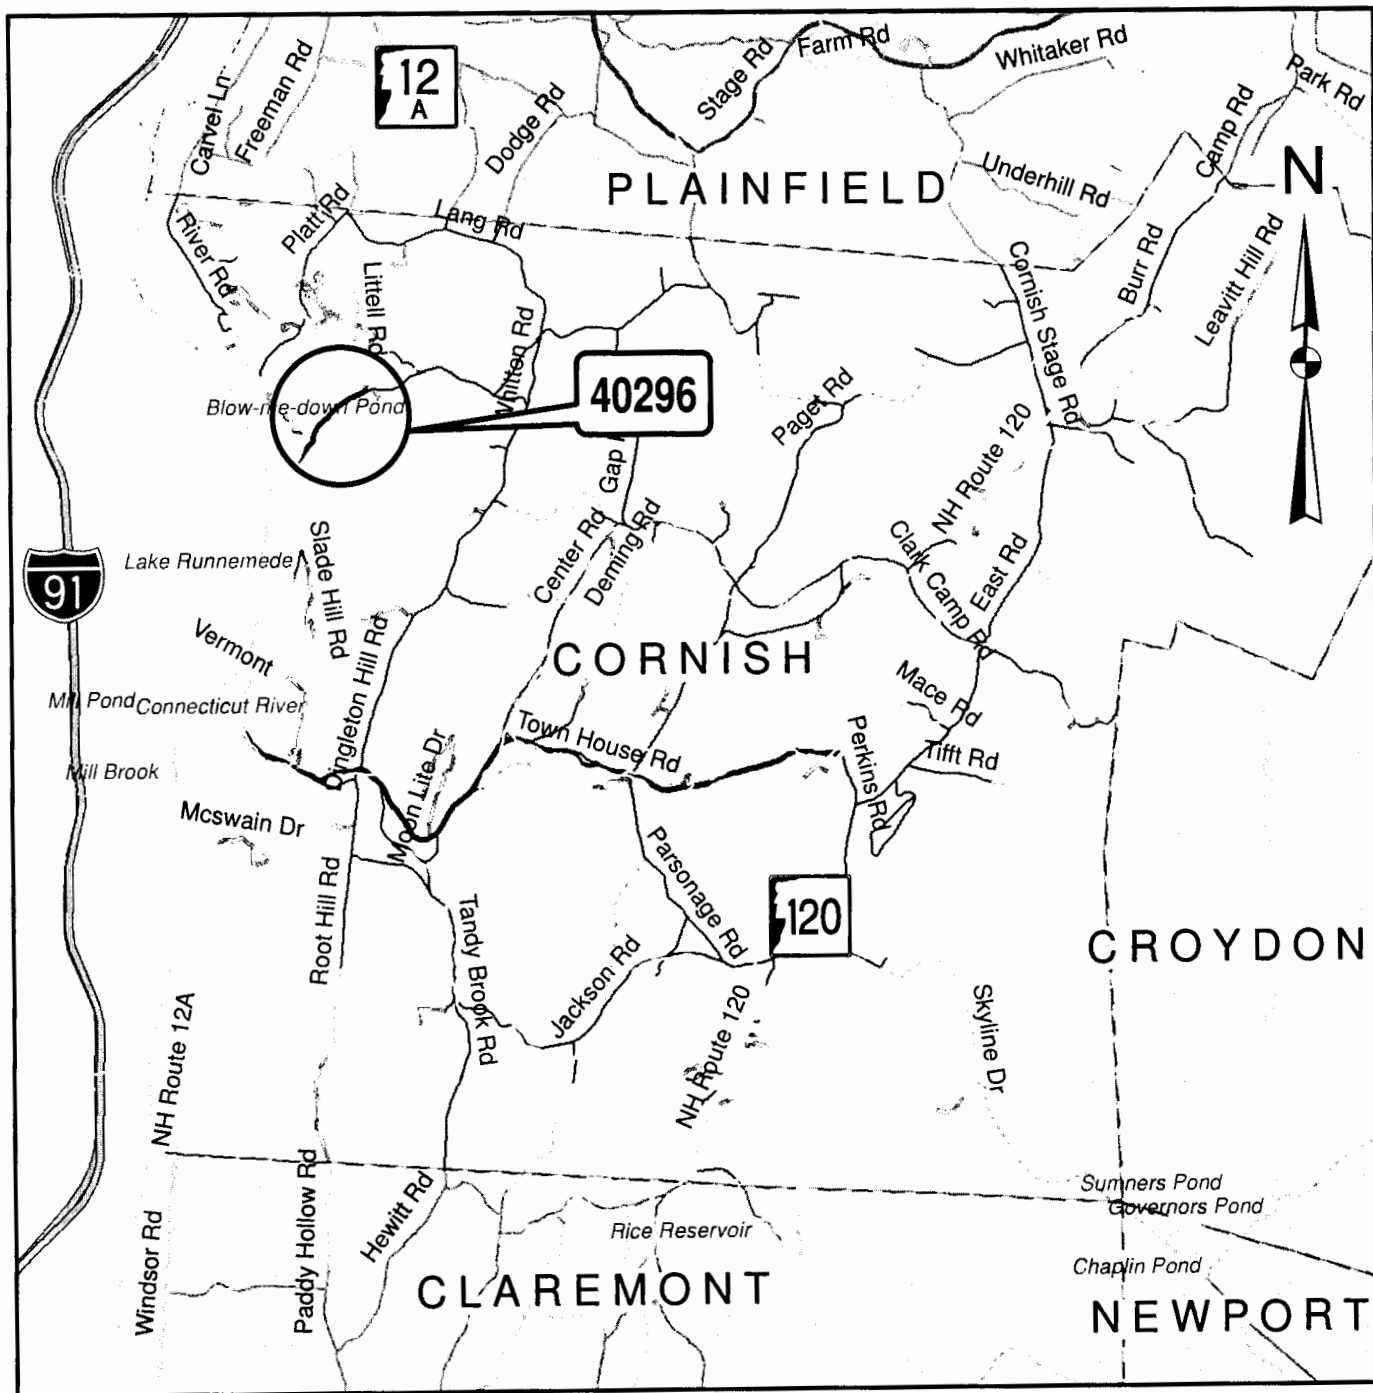

**PROJECT INITIATED:** State's Ten-Year Betterment Plan

**PROJECT EXPLANATION:** This roadway was originally constructed as a dirt road, and later upgraded to a paved surface, which currently shows signs of significant distress and disrepair. Since the original paving, minimal maintenance has been performed to preserve the pavement structure. Additionally, limited ditch maintenance and lack of underdrain within the roadway cross section, have directly and adversely affected the pavement performance. This pavement reconstruction project, in addition to the proposed drainage upgrades, will extend the life of the existing infrastructure and eliminate the need for more costly repairs/improvements in the future.

**TRAFFIC IMPLICATION:** The roadway will be temporarily closed to the public during construction work hours. A detour route will be established for (NHS) access and local traffic patterns.

## CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)

02/20/2018

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

**IMPORTANT:** If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).
