2. Upon approval of *Requested Action #1*, authorize the NH Department of Justice (DOJ) to enter into a subgrant with Waypoint, Manchester NH (Vendor #177166) in an amount not to exceed \$626,089, from the US Department of Justice, Office of Juvenile Justice and Delinquency Prevention, Second Chance Act Addressing the Needs of Incarcerated Parents with Minor Children Grant (COIP) for the purpose of partnering with the Department of Corrections, Family Connection Center, to enhance programs that strengthen the bond between New Hampshire incarcerated parents and their minor children effective upon the approval of the Governor and Executive Council through September 30, 2023.

Funding is available as follows:

02-20-20-201510-1188	<u>FY 2021</u>
Family Connection Project	
072-509073, Grants-Federal	\$626,089

EXPLANATION

The COIP Grant focuses on providing funds to develop programs focused on positive interactions between incarcerated parents and their minor children. The approval of *Requested Action #1*, to accept and expend the COIP Grant, will allow DOJ to subcontract with Waypoint (formerly Child and Family Services of New Hampshire, New Hampshire Children's Aid Society and New Hampshire Children's Aid & Protective Society). Waypoint will partner with the Department of Corrections, Family Connection Center, to develop and implement The Family Ties Inside and Out (FTIO) Project which focuses on the relationship between incarcerated parent and child. These funds were not previously budgeted because the grants were awarded on a competitive basis with no guarantee that New Hampshire would receive an award.

The concept of the COIP program is that enhancing and maintaining family connections reduces the likelihood that children will display risky behaviors and future involvement with the juvenile justice system. This program uses a *Two-Generation* approach to build family well-being by supporting the child-parent relationship. For incarcerated parents, the project intends to increase positive parent-child interactions and strengthen parenting responsibilities, after release from incarceration, through the family in re-entry programming. This program reduces the likelihood of an unsuccessful transition, anti-social behavior, and recidivism.

For children, the project seeks to provide increased access to programs that mitigate the harm on brain development, caused by traumatic events, by providing clinical support when needed. Through the Family Resource Centers, children will benefit from increased protective

factors, decreased isolation, and programs that provide custodial caregivers the skills needed to provide a healthy environment for child development.

The funds budgeted to support the activities are as follows:

Class 072-Grants Federal to subcontract to Waypoint to work with the Department of Corrections to develop and implement a program which focuses on the relationship between incarcerated parents and their minor children.

Approval of *Requested Action #2* will allow Waypoint to partner with the Department of Corrections, Family Connections Center (FCC), Family Ties, and nine Family Resource Centers throughout the state to strengthen and expand a coordinated system of programs and services that meet the needs of incarcerated parents, their children, and custodial caregivers during the period of incarceration. Waypoint will implement FTIO to provide staff training at all locations, develop safety policies for child visitation, add re-entry staff at FCC to increase the number of parent-child contacts, and increase pre-release (re-entry) planning and engagement with families. In addition, Waypoint will work with Family Ties to provide therapeutic services to the most vulnerable children including family therapy and coping skills. Waypoint will also implement a referral mechanism to connect care-giving families to Family Resource Centers for support, resources, and skill building in order to maintain healthy child development.

Services will be delivered where parent/child visitations take place; specifically the Berlin Men's Prison, Concord Men's Prison, and Concord Women's Prison. Assistance will also be given to Family Resource Centers in Antrim, Peterborough, Gorham, Claremont, Portsmouth, Laconia, Manchester, Nashua, and Concord. Referrals for clients needing therapeutic services will be coordinated across the State by Family Ties.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Thank you for your consideration of this request.

Respectfully submitted,

Gordon J. MacDonald

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

SPECIAL CONDITIONS

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

21. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

23. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

EXHIBIT C

2020-IG-BX-0002 SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award. Applicability of Part 200 Uniform Requirements

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award

Subrecipient Initials BA

Date 11/10/20

number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial

Subrecipient Initials ZAS

Date 11/10/20

management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on

Subrecipient Initials

Date 11/10/20

behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and

Subrecipient Initials BS

Date 11/10/20

therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

13. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

Subrecipient Initials BA

14. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

15. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

16. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

17. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees.Subgrantees.htm>.

18. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or

Subrecipient Initials

BT

Date 11/10/20

by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

21. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

23. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to

Subrecipient Initials

BAJ

influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

24. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020) The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at <https://ojp.gov/funding/Explore/FY20AppropriationsRestrictions.htm>, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

26. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated "high risk" by a federal grant-

making agency outside of DOJ If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

30. The recipient agrees to submit a final report at the end of this award documenting all relevant project activities during the entire period of support under this award. This report will include detailed information about the project(s) funded, including, but not limited to, information about how the funds were actually used for each purpose area, data to support statements of progress, and data concerning individual results and outcomes of funded projects reflecting project successes and impacts. The final report is due no later than 90 days following the close of this award period or the expiration of any extension periods. This report will be submitted to the Office of Justice Programs, on-line through the Internet at <https://grants.ojp.usdoj.gov/>.

31. The recipient shall submit semiannual progress reports. Progress reports shall be submitted within 30 days after the end of the reporting periods, which are June 30 and December 31, for the life of the award. These reports will be submitted to the Office of Justice Programs, on-line through the Internet at <https://grants.ojp.usdoj.gov/>.

32. The recipient agrees to report data on the grantee's OJJDP-approved performance measures as part of the semi-annual categorical progress report. This data will be submitted on line at OJJDP's Performance Measures website (<https://ojjdp.gov/grantees/pm/index.html>) by July 31 and January 31 each year for the duration of the award. Once data entry is complete, the grantee will be able to create and download a "Performance Measures Data Report." This document is to be included as an attachment to the grantee's narrative categorical assistance progress report submitted in GMS for each reporting period.

33. With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

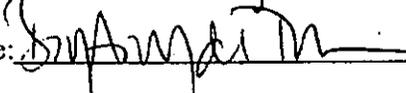

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The WAYPOINT (Applicant) certifies that any funds awarded through grant number 2020-IG-BX-0002 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The WAYPOINT (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Waypoint, which comprise the consolidated statement of financial position as of December 31, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and

fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Waypoint as of December 31, 2019, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Waypoint's 2018 consolidated financial statements, and we expressed an unmodified opinion on those audited consolidated financial statements in our report dated March 26, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2018 is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Consolidated Schedules of Operating Expenses for 2019 and 2018 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 26, 2020 on our consideration of Waypoint's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Waypoint's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Waypoint's internal control over financial reporting and compliance.

WAYPOINT

Notes to Consolidated Financial Statements

For the Year Ended December 31, 2019

1. Organization

Waypoint (the Organization) is a nonprofit organization, founded in 1850, that currently aids more than 20,000 individuals, statewide, through an array of social services.

These services span the life cycle from prenatal to seniors, and can be grouped into the following categories:

Early Childhood – Family Support & Education Services

Over 4,500 parents received education and support to improve parenting, strengthen families, prevent child abuse and neglect, and ensure healthy development of children. Over 500 young children starting life at a disadvantage received critical services to ensure a good beginning and to optimize their chance for life-long success. Some of the programs focused on early childhood include:

Early Support and Services – Early Support and Services provides family-centered support and therapies to infants and toddlers who have developmental disabilities, delays or are at risk of developmental delays. Services work to optimize babies' cognitive, physical, emotional and social development, and chance for success. Services are provided in the child's natural environment (home, day care, playground, etc.).

Home Visiting Services – A number of different prevention programs are offered in the home during those critical early years of a child's life. A spectrum of services includes support to new mothers and those struggling to parent; services for children with chronic health conditions; prenatal services for babies being born at a disadvantage into low-income families; and programs to encourage positive early parent/child relationships and promote optimal early childhood development. Services are provided by nurses, social workers, developmental specialists, occupational therapists, health educators, and home visitors.

Adoption – A licensed child-placing agency, the Organization has been forming families through adoption since 1914. The Organization's adoption professionals provide home studies and adoption services for families looking to adopt and provide counselling and support to birthparents who are considering the adoption option.

Children, Youth, and Family - Intervention and Treatment Programs

The Organization contracts with the State of New Hampshire, the federal government, and insurance companies, to provide a continuum of services for children, adolescents and young adults. Programs are delivered in the home, schools, or community, and include mental health counseling and substance abuse treatment, as well as a complex system of family stabilization and preservation programs, child protection services, and services for at-risk youth. Some of the programs include:

Foster care – The Organization works with the State of New Hampshire in placing children who have been rescued from dangerous home environments, into safe, stable, loving homes. The Organization recruits and supports foster families and works to facilitate permanency for each child.

Home Based Services – The Organization has a number of programs provided in the family home that are designed to help families who are struggling through daily life - where children are at risk. Services work to thwart domestic violence, rebuild families, and to improve family functioning. The Organization empowers families with the skills and resources they need to provide for their children and become self-sufficient.

Runaway and Homeless Youth Services

The Organization is the sole provider of services for runaway and homeless youth in Manchester and the Seacoast. A full spectrum of services features outreach to at-risk youth that includes survival aid on the streets and basic needs fulfillment at the drop-in center, as well as crisis intervention, educational and vocational advocacy, housing, and case management. The Organization also provides behavioral health and substance use counseling where needed. The Organization works with school systems, police, and other agencies in addressing the needs of New Hampshire's homeless youth.

Senior Care and Independent Living

The Organization helps seniors and individuals with chronic illness or disability to live at home safely and with dignity, and to maintain quality of life. Under the title of Home Care, services are delivered by homemakers, companions, personal care service providers, and LNAs. The Organization's caregivers go to client homes to help with everything from cooking and cleaning to personal hygiene, medication reminders, mobility, travel to appointments, paying bills, help with daily tasks, and communication with family members.

Other Programs

Camp Spaulding – Since 1921, Camp Spaulding has helped campers from all types of backgrounds enjoy the benefits of a traditional, resident camp experience. In 2015, the Organization formed a partnership with the YMCA of Greater Nashua whereby the Organization will own the camp and the YMCA will handle daily

operations and summer programming. This collaboration will combine a 96-year camp history, an exceptional facility, strong community support, and the expertise of two premier New Hampshire nonprofit organizations.

The New Hampshire Children's Lobby – Established in 1971, the New Hampshire Children's Lobby is the advocacy wing of Child and Family Services. The program's mission is to improve the lives of children and families through legislative, judicial, and public policy initiatives. This combination of advocacy and direct service practice uniquely positions the Organization to serve the best interest of New Hampshire children.

The Children's Place and Parent Education Center – The Children's Place and Parent Education Center (TCP) in Concord, NH is a 501(c)(3) organization incorporated in 1978 to provide both educational and social programs and services to strengthen and enrich the lives of families with children, two months through six years old.

2. Significant Accounting Policies

Change in Accounting Principle

ASU 2014-09 Revenue from Contracts with Customers and 2018-08 Contributions Received and Contributions Made

The Organization has adopted Accounting Standards Update (ASU) No. 2014-09 - *Revenue from Contracts with Customers (Topic 606)*, as amended, and ASU No. 2018-08 *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605)*, as management believes these standards improve the usefulness and understandability of the Organization's financial reporting.

ASU 2014-09 and 2018-08 have been implemented in 2019, and the presentation in these consolidated financial statements has been adjusted accordingly. Analysis of various provisions of these standards resulted in no significant changes in the way the Organization recognizes revenue, and therefore no changes to the previously issued audited consolidated financial statements (presented in these consolidated financial statements as comparative financial information) were required on a retrospective basis. The presentation and disclosures of revenue have been enhanced in accordance with the new standards.

ASU 2016-01 Equity Investments

In 2019, the Organization adopted Financial Accounting Standards Board Accounting Standards Update (ASU) 2016-01, *Financial Instruments – Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities*, which relates to the accounting for equity investments, financial liabilities under the fair value option, and the presentation and disclosure requirements for financial instruments.

Principles of Consolidation

The consolidated financial statements include Waypoint, Child and Family Realty Corporation, and The Children's Place and Parent Education Center, commonly controlled organizations. All inter-organization transactions have been eliminated.

Comparative Financial Information

The accompanying consolidated financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2018, from which the summarized information was derived.

Cash and Cash Equivalents

All cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, are considered to be cash and cash equivalents. Cash and highly liquid financial instruments invested for long-term purposes, including endowments that are perpetual in nature, are excluded from this definition.

Accounts Receivable

Accounts receivable consists primarily of noninterest-bearing amounts due for services and programs. The allowance for uncollectable accounts receivable is based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable.

Contributions Receivable

Unconditional contributions that are expected to be collected within one year are recorded at net realizable value. Unconditional contributions that are expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the Consolidated Statement of Activities. The allowance for uncollectable contributions is based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Contributions receivable are written off when deemed uncollectable. Management has determined that contributions receivable are fully collectable, therefore no allowance has been recorded.

Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the Consolidated Statement of Financial Position. Net investment return/(loss) is reported in the Consolidated Statement of Activities and consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses.

The Organization maintains pooled investment accounts for its restricted endowment. Realized and unrealized gains and losses are allocated to the individual endowments based on the relationship of the market value of each endowment to the total market value of the pooled investment accounts, as adjusted for additions to or deductions from those accounts.

Beneficial Interest Held in Trusts

The Organization is the beneficiary of perpetual charitable trusts. The beneficial interest in trusts is reported at its fair value, which is estimated as the fair value of the underlying trust assets. Distributions of income from trust assets are restricted as to use and are reported as increases in net assets with donor restrictions until expended in accordance with restrictions. The value of the beneficial interest in the trusts is adjusted annually for the change in its estimated fair value. Those changes in value are reported as increases in net assets with donor restrictions. The assets in the trusts will never be distributed to the Organization.

Property and Equipment

Property and equipment additions over \$1,000 are recorded at cost, if purchased, and at fair value at the date of donation, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 50 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation is removed, and any resulting gain or loss is included in the Consolidated Statement of Activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed. Assets not in service are not depreciated.

The carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment in 2019 or 2018.

Interest-Rate Swap

An interest-rate swap is utilized to mitigate interest-rate risk on bonds payable. The related liability is reported at fair value in the Consolidated Statement of Financial Position, and unrealized gains or losses are included in the Consolidated Statement of Activities.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Board has designated, from net assets without donor restrictions, net assets for a board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board approved spending policy. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue and Revenue Recognition

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place.

A portion of the Organization's revenue is derived from cost-reimbursable contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the Statement of Financial Position.

Revenues derived from providing program services, including facility rentals, are recognized as the services are provided. Revenue related to facility rentals is recognized when the performance obligation of providing the space is satisfied. Program services fees paid in advance are deferred to the period to which they relate. All other amounts paid in advance are deferred to the period in which the underlying event or rental takes place. Due to the nature and timing of the performance and/or transfer of services, certain contract liabilities at December 31 of each year are recognized in the following year.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by Generally Accepted Accounting Principles. Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the respective fair values of the services received.

Advertising Costs

Advertising costs are expensed as incurred and are reported in the Consolidated Statement of Activities and Consolidated Statement of Functional Expenses.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the Consolidated Statement of Activities. The Consolidated Statement of Functional Expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Measure of Operations

The Consolidated Statement of Activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing programs and services and include the Organization's annual endowment transfer to support operations. Non-operating activities are limited to resources outside of those programs and services and are comprised of non-recurring gains and losses on sales and dispositions, investment income, changes in the value of beneficial interests and interest rate swaps.

Income Taxes

Waypoint and the Children's Place and Parent Education Center have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code (IRC) Section 501(a) as organizations described in IRC Section

501(c)(3), qualify for charitable contribution deductions, and have been determined not to be private foundations. Child and Family Realty Corporation is exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(25).

Each entity is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, each is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purpose. In 2019 and 2018, Waypoint was not subject to unrelated business income tax and did not file an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Estimates

The preparation of consolidated financial statements in conformity with Generally Accepted Accounting Principles requires estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates, and those differences could be material.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash accounts with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, no losses have been experienced in any of these accounts. Credit risk associated with accounts and contributions receivable is considered to be limited due to high historical collection rates. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Consolidated Statement of Financial Position. Although the fair values of investments are subject to fluctuation on a year-to-year basis, the Investment Committee believes that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

Fair Value Measurements and Disclosures

Certain assets and liabilities are reported at fair value in the consolidated financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs

that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the assessment of the quality, risk, or liquidity profile of the asset or liability.

When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. However, Level 1 inputs are not available for certain assets and liabilities that the Organization is required to measure at fair value (for example, unconditional contributions receivable and in-kind contributions).

The primary uses of fair value measures in the Organization's consolidated financial statements are:

- Initial measurement of noncash gifts, including gifts of investment assets and unconditional promises to give.
- Recurring measurement of endowment investments (Note 6) – Level 1.
- Recurring measurement of beneficial interests in trusts (Note 7) – Level 3.

- Recurring measurement of line of credit (Note 9) – Level 2.
- Recurring measurement of bonds payable and interest rate swap (Note 10) – Level 2.
- Recurring measurement of deferred loans (Note 11) – Level 2.

The carrying amounts of cash and cash equivalents, accounts and contributions receivable, prepaid expenses, accounts payable, accrued payroll and related liabilities, and other liabilities approximate fair value due to their short-term nature.

New Accounting Standards to be Adopted in the Future

Leases

In February 2016, the Financial Accounting Standards Board issued ASU 2016-02, *Leases*. The ASU requires all leases with lease terms more than 12 months to be capitalized as a right of use asset and lease liability on the Statement of Financial Position at the date of lease commencement. Leases will be classified as either finance leases or operating leases. This distinction will be relevant for the pattern of expense recognition in the Statement of Activities. This ASU will be effective for the Organization for the year ending December 31, 2021. The Organization is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the Consolidated Statement of Financial Position, are comprised of the following at December 31, 2019:

Financial assets at year end:		
Cash and cash equivalents	\$	177,479
Accounts receivable, net		1,260,930
Contributions receivable		79,161
Investments		18,887,020
Beneficial interest held in trusts		<u>1,837,101</u>
Total financial assets		22,241,691
Less amounts not available to be used within one year:		
Net assets with donor restrictions	4,829,280	
Less:		
Net assets with purpose restrictions to be met in less than a year	(538,689)	
Donor-restricted endowment subject to spending policy rate (4.00%) and appropriation	<u>(98,140)</u>	4,192,451
Board-designated endowment	15,894,841	
Less: Board-designated endowment annual spending policy rate (4.00%)	<u>(563,860)</u>	<u>15,330,981</u>
Less total amounts not available to be used within one year		<u>19,523,432</u>
Financial assets available to meet general expenditures over the next year	\$	<u>2,718,259</u>

Endowment funds consist of donor-restricted endowments and funds designated by the Board to function as endowments. Income from donor-restricted endowments is restricted for specific purposes. The portion of endowment funds that are perpetual in nature are not available for general expenditure.

Board-designated endowment is subject to an annual spending rate as determined by the Board. Although there is no intention to spend from board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

As part of its liquidity management plan, the Organization also has a \$1,500,000 revolving line of credit available to meet cash flow needs.

4. Accounts Receivable

Accounts receivable consist of the following at December 31, 2019 and 2018:

	2019			2018		
	Receivable	Allowance	Net	Receivable	Allowance	Net
Grants receivable	\$ 678,502	\$ -	\$ 678,502	\$ 379,362	\$ -	\$ 379,362
Fees for service	584,728	(2,300)	582,428	338,650	(3,900)	334,750
Total	\$ 1,263,230	\$ (2,300)	\$ 1,260,930	\$ 718,012	\$ (3,900)	\$ 714,112

5. Prepaid Expenses

Prepaid expenses at year end relate primarily to prepaid insurance and contracts.

6. Investments

Investments at fair value consist of mutual funds totaling \$18,887,020 and \$16,140,394 at December 31, 2019 and 2018, respectively. During 2019, the Organization recognized \$2,935,229 of net gains and losses on investments. Of that amount, \$2,935,229 was recognized on investments of equity securities held at December 31, 2019.

Under the terms of the Organization's line of credit agreement (Note 9), the Organization has agreed not to pledge these investments as security on any other debt.

The Organization's policy is to avail itself of a Board-approved percentage of investment income for operations with any remaining interest, dividends, or appreciation reinvested. The spending policy approved by the Board of Trustees for 2019 was 4.25% of the average fair market value of all investments over the previous twelve quarters.

As discussed in Note 2 to these consolidated financial statements, the Organization is required to report its fair value measurements in one of three levels, which are based on the ability to observe in the marketplace the inputs to the Organization's valuation techniques. Level 1, the most observable level of inputs, is for investments measured at quoted prices in active markets for identical investments as of the December 31, 2019. Level 2 is for investments measured using inputs such as quoted prices for similar assets, quoted prices for the identical asset in inactive markets, and for investments measured at net asset value that can be redeemed in the near term. Level 3 is for investments measured using inputs that are unobservable, and is used in situations for which there is little, if any, market activity for the investment.

The Organization uses the following ways to determine the fair value of its investments:

Mutual funds: Determined by the published value per unit at the end of the last trading day of the year, which is the basis for transactions at that date.

7. Beneficial Interest Held in Trusts

The Organization is the sole beneficiary of three funds that are administered by the New Hampshire Charitable Foundation (NHCF). Income from the funds is to provide assistance to children attending Camp Spaulding and for capital improvements to the camp. The fund resolution provides that distributions from the funds can be made at the discretion of the NHCF Board of Directors.

At December 31, 2019 and 2018, the fair market value of the funds, which approximates the present value of future benefits expected to be received, was \$858,994 and \$800,624, respectively.

In addition, the Organization has a split-interest in three charitable remainder trusts. The assets are held in trust by banks as permanent trustees of the trusts. The fair value of these beneficial interests is determined by applying the Organization's percentage interest to the fair value of the trust assets as reported by the trustee.

<u>Trust</u>	<u>Percentage Interest</u>	<u>2019</u>	<u>2018</u>
Greenleaf	100%	\$ 384,004	\$ 350,806
Spaulding	100%	332,956	297,837
Cogswell	50%	<u>261,147</u>	<u>230,324</u>
Total		<u>\$ 978,107</u>	<u>\$ 878,967</u>

Beneficial interest held in trusts is reported at fair value, which is estimated as the present value of expected future cash inflows on a recurring basis. As discussed in Note 2, the valuation technique used by the Organization is a Level 3 measure because there are no observable market transactions.

8. Property, Equipment, and Depreciation

Property and equipment is comprised of the following at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>
Land and land improvements	\$ 1,114,949	\$ 1,114,949
Buildings and improvements	8,862,063	8,335,089
Furniture, fixtures, and equipment	843,251	796,686
Vehicles	107,581	107,581
Software	377,333	285,372
Construction in progress	<u>5,415</u>	<u>38,870</u>
Subtotal	11,310,592	10,678,547
Less accumulated depreciation	<u>(4,850,210)</u>	<u>(4,320,042)</u>
Total	<u>\$ 6,460,382</u>	<u>\$ 6,358,505</u>

9. Line of Credit

The Organization has a \$1,500,000 revolving line of credit agreement with a bank. The line of credit expired on June 30, 2019 and was extended through June 30, 2020. The line is secured by a first lien on accounts receivable, double negative pledge on all investments of the borrower, and carries a variable rate of interest at the Wall Street Journal prime rate (4.75% at December 31, 2019), adjusted daily. At December 31, 2019, the balance on this line of credit was \$529.

10. Bonds Payable

During 2007, the New Hampshire Health and Education Facilities Authority (the "Authority") sold \$5,540,000 of its Revenue Bonds, Child and Family Services Issue, Series 2007, and loaned the proceeds of the bonds to the Organization to refund its Series 1999 Series Bonds and to finance certain improvements to the Organization's facilities. The Series 2007 Bonds were issued with a variable interest rate determined on a weekly basis. Prior to issuing the Bonds, the Organization entered into an interest rate swap agreement (the "Swap Agreement") with Citizens Bank of NH (the "Counterparty") for the life of the bond issue to hedge the interest rate risk associated with the Series 2007 Bonds. The interest rate swap agreement requires the Organization to pay the Counterparty a fixed rate of 3.915%; in exchange, the Counterparty will pay the Organization a variable rate on the notional amount based on the 67% of one month LIBOR. Counterparty payments to the Organization were intended to offset Organization payments of variable rate interest to bond holders. Counterparty credit worthiness and market variability can impact the variable rates received and paid by the Organization, with the potential of increasing Organization interest payments. As

a result, the cost of the interest rate swap for 2019 and 2018 is added to interest expense in the Consolidated Statement of Functional Expenses. The bonds mature in 2038 and can be repaid at any time.

The Organization is required to include the fair value of the swap in the Consolidated Statement of Financial Position, and annual changes, if any, in the fair value of the swap in the Consolidated Statement of Activities. For example, during the bond's 30-year holding period, the annually calculated value of the swap will be reported as an asset if interest rates increase above those in effect on the date of the swap was entered into (and as an unrealized gain in the Consolidated Statement of Activities), which will generally be indicative that the net fixed rate the Organization is paying on the swap is below market expectations of rates during the remaining term of the swap. The swap will be reported as a liability (and as an unrealized loss in the Consolidated Statement of Activities) if interest rates decrease below those in effect on the date the swap was entered into, which will generally be indicative that the net fixed rate the Organization is paying on the swap is above market expectations of rates during the remaining term of the swap. The annual accounting adjustments of value changes in the swap transaction are non-cash recognition requirements, the net effect of which will be zero at the end of the bond's 30-year term. At December 31, 2019 and 2018, the Organization recorded the swap liability position of \$1,072,580 and \$885,525, respectively. During 2009, there occurred a downgrading of the credit rating of the Counterparty to the letter of credit reimbursement agreement, which triggered a mandatory tender of the Series 2007 Bonds in whole and a temporary conversion of one-hundred percent of the principal amount to a bank purchase mode under the terms of said letter of credit reimbursement agreement. Since it became evident that the credit markets would not soon return to normalcy, the Organization elected to convert the Series 2007 Bonds from a weekly rate mode to a bank purchase mode. This new bank purchase mode created a rate period in which the Series 2007 Bonds bear interest at the tax adjusted bank purchase rate of 68% of the sum of the adjusted period LIBOR (30 day) rate and 325 basis points. The bank purchase mode commenced on July 31, 2009 and expired on July 31, 2014; however, the expiration date was extended by the Counterparty and the Organization had the option to convert back to the weekly rate mode. The Series 2007 Bond documents require the Organization to comply with certain financial covenants. As of December 31, 2019, the Organization was in compliance with these covenants.

The following is a summary of future payments on the previously mentioned bonds payable:

<u>Year</u>	<u>Amount</u>
2020	\$ 150,000
2021	160,000
2022	165,000
2023	175,000
2024	180,000
Thereafter	<u>3,235,000</u>
Total	<u>\$ 4,065,000</u>

11. Deferred Loans - NHHFA

Note payable to the New Hampshire Housing and Finance Authority dated June 7, 2005. The face amount of the note is \$550,000, does not require the payment of interest, and is due in 30 years. The note is secured by real estate located in Dover, New Hampshire.

Note payable to the New Hampshire Housing and Finance Authority dated May 22, 2007. The face amount of the note is \$700,000, does not require the payment of interest, and is due in 30 years. The note is secured by real estate located in Manchester, New Hampshire.

12. Endowment Funds

The Organization's endowment consists of various individual funds established for a variety of purposes. Endowment includes both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by Generally Accepted Accounting Principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Board-designated Endowment

As of December 31, 2019, the Board of Trustees had designated \$15,894,841 of net assets without donor restrictions as a general endowment fund to support the mission of the Organization.

Donor-designated Endowments

The Board of Trustees of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date for donor-restricted perpetual endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as perpetually restricted net assets (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. The remaining portion of the donor-restricted endowment fund that is not classified as perpetually restricted is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Funds with Deficiencies

The Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization complies with UPMIFA and has interpreted UPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The Organization had no underwater endowment funds at December 31, 2019.

Investment Policy

The Organization has adopted an investment and spending policy to ensure a total return (income plus capital change) necessary to preserve and enhance the principal of the fund and, at the same time, provide a dependable source of support for current operations and programs. The withdrawal from the fund in support of current operations is expected to remain a constant percentage of the total fund, adjusted for new gifts to the fund.

In recognition of the prudence required of fiduciaries, reasonable diversification is sought where possible. Experience has shown financial markets and inflation rates are cyclical and, therefore, control of volatility will be achieved through investment styles. Asset allocation parameters have been developed for various funds within the

structure, based on investment objectives, liquidity needs, and time horizon for intended use.

Measurement of investment performance against policy objectives will be computed on a total return basis, net of management fees and transaction costs. Total return is defined as dividend or interest income plus realized and unrealized capital appreciation or depreciation at fair market value.

Spending Policy

The Organization's spending policy rate in 2019 was 4.25% of the average total endowment value over the trailing 12 quarters with a 1% contingency margin. This includes interest and dividends paid out to the Organization.

The net asset composition of endowment net assets as of December 31, 2019 and changes in endowment net assets for the year ended December 31, 2019 are as follows:

	Without Donor Restrictions	With Donor Restrictions			Total	Total Net Endowment Assets
		Purpose Restricted	Cumulative Appreciation	Perpetually Restricted		
Endowment net assets, beginning of year	\$ 14,007,444	\$ -	\$ 453,544	\$ 1,679,406	\$ 2,132,950	\$ 16,140,394

Investment income, net	2,985,010	-	395,291	-	395,291	3,380,301

Payment to parents of foster children	\$ 302
Housing assistance to youth at risk of homelessness	144
Gift cards provided to families during holiday season	59
Food for at risk youth	25
Other assistance such as medical, childcare, transportation, and family activities	186
Total	\$ <u>716</u>

15. Functionalized Expenses

The consolidated financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses

require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include clerical, IT, and administration, which are allocated to program and supporting services based primarily on a percentage of personnel costs related to programs and supporting services.

16. Defined Contribution Plan

The Organization maintains a 403(b) Thrift Plan (the Plan). The Plan is a defined contribution plan that all eligible employees may immediately make elective participant contributions to upon hire. A pretax voluntary contribution is permitted by employees up to limits imposed by the Internal Revenue Code and other limitations specified in the Plan. There were no contributions made to the plan by the Organization for the years ended December 31, 2019 and 2018, respectively.

17. Operating Leases

The Organization leases office space under the terms of non-cancellable lease agreements that expired at various times during 2019. The Organization also rents additional facilities on a month to month basis. Rent expense under these agreements totaled \$182,763 and \$182,368 for the years ended December 31, 2019 and 2018, respectively.

18. Related Party Transactions

The Organization procures a portion of their legal services from a local law firm that employs an attorney who also serves on the Organization's Board of Directors. The attorney board member does not personally perform the legal services. For the year ended December 31, 2019, the total legal expense from related parties was \$15,680.

19. Prior Period Restatement

Beginning net assets for 2019 have been increased by \$170,231 to include the assets, liabilities, and net assets of The Children's Place and Parent Education Center, which is now included in these consolidated financial statements. On November 1, 2019 Waypoint's Board of Directors took over responsibility for this organization. The comparative totals that are presented with these consolidated financial statements have not been restated.

20. Concentration of Risk

The majority of the Organization's grants are received from agencies of the State of New Hampshire. As such, the Organization's ability to generate resources via grants is

dependent upon the economic health of that area and of the State of New Hampshire. An economic downturn could cause a decrease in grants that coincides with an increase in demand for the Organization's services.

21. Subsequent Events

Subsequent events have been evaluated through May 26, 2020, the date the consolidated financial statements were available to be issued.

The COVID-19 outbreak in the United States (and across the globe) has resulted in economic uncertainties. The disruption is expected to be temporary, but there is considerable uncertainty around the duration and scope. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our individuals served, employees, and vendors, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain. In response to the impact that COVID-19 has had on our Organization, a Paycheck Protection Program (PPP) Loan was applied for, and \$1,741,500 received on April 24, 2020.
