THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan
Commissioner

William Cass, P.E.
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
December 11, 2020

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with All States Construction, Inc. (Vendor 161291) of Sunderland, MA, on the basis of a low bid of \$3,212,635.22 for roadway resurfacing on four sections in five towns in Districts 2 and 4, from the date of Governor and Council approval through September 10, 2021, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Year 2021, and is contingent upon the availability and continued appropriation of funds in Fiscal Year 2022 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2021</u>	<u>FY 2022</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments	\$2,345,223.72	\$867,411.50

2. Further authorize that a contingency in the amount of \$160,631.76 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2021</u>	<u>FY 2022</u>
04-96-96-963515-3054		
Consolidated Federal Aid		
400-500870 Highway Contract Payments		\$160,631.76

EXPLANATION

This project is part of the State's Ten Year Transportation Improvement Plan, under the Paving-Tier-2-Resurfacing. This project involves 14.7 miles of pavement resurfacing on four sections in five towns in Districts 2 and 4.

- 17422: Dublin-Peterborough, NH 101, ½" leveling course and 1" full width overlay (4.4 mile), 2" full width high strength inlay (0.4 miles), 4.8 miles
- 20203: Claremont – Cornish, NH 12A, ¾" Paver Shim Overlay (6.0 mi), 6.0 miles
- 20402: Swanzey, NH 10, ¾" Paver Shim Overlay (2.5 mi), 2.5 miles
- 20402A: Swanzey, NH 10, 1 ½" full width high strength overlay (1.4 mi), 1.4 miles

The purpose of this project is to extend the life of the existing pavement infrastructure and minimize the need for costlier improvements in the near future. Work efforts include roadway resurfacing, upgrading guardrail, curb ramp reconstruction, and drainage structure adjustments.

The proposed contingency amount is 5% of the contract amount. This project was quantified based on field observations, aerial photos, and as-built plans. Field adjustments may be required due to varying field conditions. In addition, the sections will continue to deteriorate through the 2020-2021 winter.

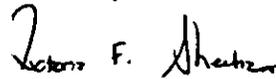

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 100% Federal (Pave-T2-Resurf 80%), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/pcj

Department Estimate: \$3,441,717.47

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project is part of the Tier 2 Federal Resurfacing program and involves 14.7 miles of pavement resurfacing on four sections in five towns in Districts 2 and 4.

Section ID	Town/City	Road	Proposed Work	Length
17422	Dublin-Peterborough	NH 101	½" leveling course and 1" full width overlay (4.4 mile), 2" full width high strength inlay (0.4 miles)	4.8 miles
20203	Claremont-Cornish	NH 12A	¾" Paver Shim Overlay (6.0 mi)	6.0 miles
20402	Swanzy	NH 10	¾" Paver Shim Overlay (2.5 mi)	2.5 miles
20402A	Swanzy	NH 10	1 ½" full width high strength overlay (1.4 miles)	1.4 miles

FEDERAL FUNDING: Pave-T2-Resurf (80%), Turnpike Toll Credit (20%)

CONTINGENCY: The proposed contingency amount is 5% of the contract amount. This project was quantified based on field observations, aerial photos, and as-built plans. Field adjustments may be required due to varying field conditions. In addition, the sections will continue to deteriorate through the 2020-2021 winter.

PROJECT INITIATED: This project was initiated through the State's Ten-Year Transportation Improvement Program, Paving-Tier-2-Resurfacing.

PROJECT EXPLANATION: The purpose of this project is to extend the life of the existing pavement infrastructure and minimize the need for costlier improvements in the near future. Work efforts include roadway resurfacing, upgrading guardrail, curb ramp reconstruction, and drainage structure adjustments.

TRAFFIC IMPLICATION: The AADT varies throughout the different sections, one-lane, alternating two-way traffic will be required in order to complete the work. There are two signalized intersections within the project limits. There will be night work at the Peterborough Traffic Circle (17422) and on the Swanzy sections (20402 and 20402A).

FINAL COMPLETION DATE: September 10, 2021.
