EXPLANATION

The Department of Environmental Services issued a request for proposals for 2020/2021 Asset Management and Financial Planning Grants. These grants are funded by set-asides under the Drinking Water State Revolving Loan Fund. They can be used to develop and implement asset management plans for public water systems. Seventeen proposals were received, then evaluated and ranked based on criteria included in the request for proposals, such as whether the project completes a condition assessment on all assets, that a financial plan is developed and addresses investment priorities, and that the plan is communicated to customers and decision-makers. Based on the available federal funding, the Department determined that it could offer grants to all of the applicants. See attachment A for the project rankings.

These entities will use the grant funds to assist to establish an Asset Management Plan/Program for the towns' drinking water system.

This agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval.

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

17. INSURANCE AND BOND.

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
