March 22, 2021

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Skillings & Sons, LLC of Amherst, NH (Vendor 161456) in the amount of \$30,550.00 for a 6-inch drilled well and pump on the property of Philip Miles, 451 Post Road (NH 151), Greenland, NH, from the date of Governor and Council approval through May 20, 2022, unless extended by the Department in accordance with the Standard Specifications. 100% Highway Funds.

Funding is available in State Fiscal Year 2021 as follows:

	<u>FY 2021</u>
04-96-96-960515-3066	
Salted Wells Account	
400-500870 Highway Contract Payments	\$30,550.00

EXPLANATION

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department is therefore obligated to obtain a new water supply for the owner. This proposal is in conformity with RSA 228:34.

This contract was advertised and two bids were received and publicly opened on February 11, 2021. Skillings & Sons, LLC of Amherst, NH was the low bidder at \$30,550.00 and the Department considers this bid to be reasonable.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner
