REQUESTED ACTION

Authorize the New Hampshire Liquor Commission to **retroactively** pay Above All Collision Center (Vendor #222650), 45 Chenell Drive, Concord, NH 03301, an amount of \$11,311.27 for vehicle repairs that occurred between October 2, 2020 and November 24, 2020. Effective upon Governor and Council approval. 100% Liquor Funds.

Funding is available as follows:

12-77-77-771512-7878, LIQUOR COMMISSION, ENFORCEMENT;

Class #	Class Description	FY 2021
070-500705	Operation-State Cars (In-state)	\$11,311.27
	Total	\$11,311.27

EXPLANATION

This request is **retroactive** because after work had already commenced to repair a vehicle damaged in an accident, additional damage was discovered necessitating additional work. In September 2020, one of the Division of Enforcement & Licensing vehicles, a 2018 Ford Taurus, was involved in a collision. The Division obtained three quotes for the work to repair the vehicle and selected Above All Collision, which was the low cost estimate. Based on the quote obtained prior to initiating the work, the repairs were expected to cost less than the threshold amount of \$10,000. However, as the repairs were in progress, additional damage was discovered, which also required repair. The additional repairs resulted in a total repair cost of \$11,311.27.

The New Hampshire Liquor Commission respectfully requests approval to pay these invoices.

Respectfully submitted,
