EXPLANATION

This request is **sole source** to provide continuity of services by the vendor, Demonstrated Success.

On September 18, 2017, the New Hampshire Department of Education (NH DOE) submitted a final ESSA Consolidated State Plan that was based on feedback from hundreds of citizens from the Granite State. The Plan, which was approved in January, 2018, included an introductory vision for accountability and support, including a future reporting system designed to establish broader community engagement and success in our education system. The Plan outlined a comprehensive accountability system designed to focus on student growth and academic achievement working toward college and career readiness. Further, as intended by the purpose of the Every Student Succeeds Act (ESSA), the plan provided an overview for how the New Hampshire Department of Education (NH DOE) would support some of our most vulnerable students in their journey, including English language learners, migrant students and students that are homeless.

The Plan embraced key values of education in New Hampshire and incorporated targets for growth, proficiency, and graduation rate indicators. This work shifted our system from a strictly proficiency model to a model that emphasizes both student proficiency and growth. Recognizing that, our emphasis will allow each student to achieve proficiency as we keep them on a path of strong academic growth. The Plan created both State level proficiency goals as well as goals for individual schools and student subgroups within each school. School level targets were included to help raise expectations for schools already starting above average and to contextualize the expectations for schools starting behind other schools in the state.

Demonstrated Success, LLC has provided support and expertise in the areas of data collection, analysis, interpretation, and use in planning for differentiated and targeted instruction based on student needs. Demonstrated Success, LLC facilitated data meetings, provided guidance, and conducted professional development activities with teachers and school/district leaders as they examined and analyzed school, district and state data, conducted root cause analysis and made data driven decisions for school improvement. We would like to continue this contract with Demonstrated Success in order to ensure continuity of services and familiarity with the teachers and school/district leaders.

In the event that Federal Funds no longer become available, General Funds will not be requested to support this program.

Respectfully submitted,

Frank Edelblut
Commissioner of Education

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State.
