EXPLANATION

A request for proposals was posted on the Department website from April 16, 2021 to May 3, 2021. The Department was seeking proposals from an organization or individual to provide transcription services from MP3 or MPEG-4 audio recordings to Microsoft Word documents. Five proposals were received, reviewed and rated (see Attachment A) by an evaluation team consisting of the Executive Assistant, Office of the Commissioner; Coordinator, Dispute Resolution and Constituent Complaints; and a Program Assistant, Bureau of Educator Preparation and Higher Education. The evaluation team recommended Ubiquitous Reporting, Inc. for funding.

Ubiquis Reporting, Inc. has been doing business as a legal transcription company for over 70 years. Their primary business consists of providing certified legal transcription of board/commission meetings, administrative hearings, court hearings, interrogations, interviews, depositions, and witness statements. Ubiquis also holds similar contracts with the New York City Department of Education - Impartial Hearings Office, New York State Education Department, New York City Police Department, Los Angeles District Attorney's Office, Orange County Public Defender, and the San Diego County District Attorney's Office among many others. They provide accurate verbatim transcriptions and summaries from audio or video recordings. They have the resources, capacity, and organizational structure to satisfy the requirements of this contract.

In the event Federal and Other Funds become no longer available, additional General Funds will not be requested to support this program.
