**EXPLANATION**

The Emerald Lake Village District (District) requested a total of \$1,260,000 in funding from NHDES for needed water system improvements. Funding through the Drinking Water and Groundwater Trust Fund (DWGTF) and the Drinking Water State Revolving Loan Fund (DWSRF) has been arranged with the District to provide the full \$1,260,000 in a combination of grant and loan funds.

Emerald Lake is a community water supply that provides water to approximately 1,300 people. The existing water main infrastructure is undersized and installed at shallow depth, which has caused frequent breaks and leaks. This grant and loan funding will cover the cost of replacing approximately 4,000 feet of aging and undersized water mains and the installation or replacement of gate valves, meters and/or meter pits, service lines, curb stops, and other water main appurtenances. This project will improve reliability and efficiency.

The District requested grant funding through the DWGTF in 2020. The District's request for \$315,000 was approved by the Advisory Commission on November 9, 2020. The final grant amount will be based on the total funds disbursed. Each disbursement request will be paid 25% of eligible expenses as grant funds not to exceed \$315,000. In the event that grant funds are no longer available, General funds will not be requested to support this program. This grant agreement has been approved by the Attorney General's Office as to form, substance and execution.

The final DWSRF loan amount will be based on the total DWSRF funds disbursed, and may be less than \$945,000. The loan interest rate may be adjusted downward if the DWSRF loan rate in effect upon project completion is less than the current annual rate of 1.296% for twenty years. There is currently a balance of \$32,816,107 in the DWSRF available for new loans. Attached is a tabulation of the DWSRF showing the effect of this loan on the funds available for loans.

We respectfully request your approval of this item.

In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

11. **EVENT OF DEFAULT; REMEDIES.**

11.1 Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

7 Recipient's authority to borrow is not exceeded.

8  
9 IV. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the Loan  
10 Recipient in a Supplemental Loan Agreement issued under and in accordance with the applicable  
11 provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and supplemented,  
12 including the provisions of RSA 486:14. The Note shall be substantially in the form of Exhibit B.

20 Scheduled Completion date of the project, whichever is earlier. The Scheduled Completion date is hereby  
21 determined to be **December 1, 2022**; however, should the project experience an excusable delay, an  
22 extension may be granted by the Commissioner of the Department of Environmental Services upon  
23 request in writing by the Loan Recipient. In no event shall Note payments commence later than ten years  
24 from the effective date of this Agreement.

1 VII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any part of  
2 the outstanding principal or interest of the Note.

3  
4 VIII. In the event of a default in the full and timely remittance of any Note payment, any State Aid Grant  
5 funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to the payment  
6 of any obligations that are due hereunder. The Loan Recipient agrees to be liable for all costs of collection,  
7 legal expenses, and attorney's fees incurred or paid by the State in enforcing this Agreement or in  
8 collecting any delinquent payments due hereunder.

9  
10 IX. No delay or omission on the part of the State in exercising any right hereunder shall operate as a  
11 waiver of such right or of any other right under this Agreement. A waiver on any one occasion shall not  
12 be construed as bar to any right and/or remedy on any future occasion.

13  
14 X. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all  
15 applicable state and federal requirements contained in the Rules and applicable state and federal laws,

20 At a minimum the plan must include a commitment to asset management, financing and  
21 implementation strategy and an inventory of the funded asset(s).

22  
23 XII. The Loan Recipient agrees to permit the Comptroller General of the United States, an appropriate  
24 Inspector General appointed under section 3 or 8G of the Inspector General Act of 1978 (5 U.S.C. App.),

1 or an authorized representative of either of the foregoing officials, or of the State of New Hampshire to

8 (ii) Interview any officer or employee regarding such transactions.  
9

10 The Loan Recipient shall insert subparagraphs (i). and (ii). in the Construction Contract and require the  
11 Contractor to insert subparagraphs (i). and (ii). in all subcontracts thereunder.  
12

13 XIV. The effective date of this Agreement shall be the date of its approval by the Governor and Executive  
14 Council. This Agreement may be amended, waived, or discharged only by a written instrument signed by  
15 the parties hereto and only after approval of such amendment, waiver, or discharge by the Governor and  
16 Executive Council.  
17

18 XV. This Agreement shall be construed in accordance with the laws of the State of New Hampshire and is  
19 binding upon and inures to the benefit of the parties and their respective successors. The parties hereto  
20 do not intend to benefit any third parties and, consequently, the Agreement shall not be construed to  
21 confer any such benefit.  
22

23 XVI. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of federal  
24 financial assistance and, as such, subject to requirements of the federal Single Audit Act and subsequent  
25 amendments (SAA). The Loan Recipient further acknowledges that, if the Loan Recipient expends more

1 than the required threshold in federal financial assistance from all sources in any fiscal year, it must  
2 perform an SAA audit in accordance with the requirements of Office of Management and Budget  
3 Circular A-133. In that event, the Loan Recipient shall provide the State with a copy of the SAA audit  
4 report within nine months of the end of the audit period.

5  
6 XVII. This Agreement, which may be executed in a number of counterparts, each of which shall be

8 <http://fedgov.dnb.com/webform/>.

9

4 Requirement") unless (i) the Loan Recipient has requested and obtained a waiver from the  
5 Environmental Protection Agency pertaining to the Project or (ii) the State has otherwise advised the  
6 Participant in writing that the American Iron and Steel Requirement is not applicable to the Project. The  
7 Loan Recipient further agrees to maintain records documenting compliance with the American Iron and  
8 Steel Requirement, and to provide records and certifications to the State upon request.

9  
10 **GENERALLY ACCEPTED ACCOUNTING PROCEDURES:** The Loan Recipient shall maintain project accounts

19 and shall require that prime contractors also comply. Records documenting compliance with the six  
20 good faith efforts shall be retained.

21

2 Part 180, Subpart C. Recipient is responsible for further requiring the inclusion of a similar term and  
3 condition in any subsequent lower tier covered transactions. Recipient acknowledges that failing to  
4 disclose the information required under 2 C.F.R. § 180.335 to the EPA office that is entering into the

6 pursuance of administrative remedies, including suspension and debarment. Recipients may access the  
7 System for Award Management (SAM) exclusion list at <https://sam.gov/SAM/> to determine whether an  
8 entity or individual is presently excluded or disqualified.

9  
10 By entering into this agreement, the Loan Recipient certifies that the Loan Recipient is not debarred or  
11 suspended. Furthermore, the Loan Recipient certifies that no part of this contract will be subcontracted
