His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Education, Bureau of Instructional Support, to enter into a **sole source** contract with Chess in Schools LLC Hendersonville, NC 28739, (vendor code 364378), in an amount not to exceed \$309,558, to provide a program for teachers to integrate the game of chess into high quality instruction to all New Hampshire education programs throughout the state, effective upon Governor and Council approval through September 30, 2022. 100% Federal Funds.

Funds to support this request are available in the account titled Title IV-A 21st Century Student FY 22 as follows:

06-56-56-562010-25180000-072-509073	Grants Federal	FY22 \$309,558
-------------------------------------	----------------	-------------------

**EXPLANATION**

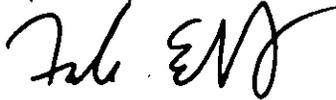

The Department acknowledges that the Governor and Council is reticent to support sole source contracts, as is the Department. In this case, the Department is requesting a **sole source** contract due to several factors. First, Chess in Schools is the only such program of its type in the country that works closely with teachers to show them how to integrate the game of chess into a variety of academic subjects enhancing student engagement in that learning. Further, this program is supported by Federal COVID-19 relief funds. Federal guidance for these funds encourages rapid deployment. It would not be possible to run a competitive bid for this program – even if there were other providers – and make the program available to students in September 2021. One fact that the Council may not know is that the recent popularity of the Netflix series Queen's Gambit has made chess very popular among our student population. By launching the program in September, we are able to capitalize on this student interest.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 2

Through the ARP/ESSER funds, the Department is required to allocate funds directly to student learning loss. Student engagement in an area of academic study is one of the factors that drives success. The use of this program, backup by independent research, improves student learning.

In the event Federal Funds no longer become available, General Funds will not be requested to support this program.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Frank Edelblut', written in a cursive style.

Frank Edelblut  
Commissioner of Education

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. **EXHIBIT B**  
**Scope of Services**

**Objective:**

The COVID-19 pandemic disrupted classrooms around the world in 2020 and 2021. While educators have scrambled to make the best of a difficult situation employing remote learning and digital technology, there is general recognition going forward that confronting student learning loss and addressing student engagement are critical issues. This past year has also revealed the attraction chess has for students of all ages. Students are engaged by the game, and students who are engaged are more likely to be self-motivated learners.

As a result, the New Hampshire Department of Education (NHDOE) is partnering with Chess in Schools (CIS) to create a state-wide program that helps all students to have access to and enjoy the game and at the same time reap the benefits that chess offers to students and teachers. This program, called "New Hampshire Chess in Schools" (NHCIS), will enable educators to introduce chess across the K-12 spectrum and create opportunities for students to enjoy chess as enrichment and as a stimulus for self-directed learning.

Chess is a vehicle for introducing and reinforcing academic and 21st Century skills. Chess offers the opportunity to build connections between teachers and students, improving the classroom, and school environment. Chess in Schools focuses on chess as an educational tool – making deliberate connections for skill transfer to other domains. Teachers report improved attitudes toward school and increased self-confidence in students who play chess.

Critical thinking, collaborative learning, problem-solving, time management, forecasting and planning, and decision-making in a real-world environment are just a few of the skills that chess introduces. Students who participate in a chess program build a skill set valued by both universities and the business community. The following links to research demonstrate the value of chess as an educational tool recognized by a growing number of educators. The final link provides insights from teachers who have already experienced the impact of chess on their classroom.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to [www.irs.gov/charities](http://www.irs.gov/charities).
