His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Education to amend an existing contract with Protiviti Government Services Inc., Alexandria, VA (Vendor Code 343717, 8001), by amending Exhibit C Method of Payment to adjust the Rate Per-Hour from \$63-80 to \$63-95, with no increase to the total contract price, and no change to the end date to assist the Department in administering the various COVID Emergency Relief packages provided in the Coronavirus Aid, Relief, and Economic Security Act, 2020 and Coronavirus Response and Relief Supplemental Appropriations Act, 2021, and the American Rescue Plan, effective upon Governor approval through September 30, 2023. 100% Federal Funds.

EXPLANATION

The New Hampshire school system has received over \$600 million of federal emergency relief funds. The funds include complex rules relative to compliance, monitoring and reporting. There are also time limits relative to how quickly the funds must be obligated. The Department of Education continues to need immediate and flexible support to meet grant requirements. Robert Half provides qualified staff that are immediately available and gives the Department flexibility in the deployment of those resources. In the current tight labor market, the cost of individuals with the skills required to manage the programs and meet the compliance requirements are only available at higher rates than initially anticipated.

In the event Federal Funds are no longer available, General Funds will not be requested to support this request.

Respectfully submitted,

Frank Edelblut
Commissioner of Education

EXHIBIT B-1 Scope of Services

Protiviti Government Services, Inc. (PGS) shall provide qualified staffing, as requested by the Department of Education (Department), for the following services:

- Assist the Department in administering the various COVID Emergency Relief packages, including the Elementary and Secondary School Emergency Relief Fund (ESSER I/II), Emergency Assistance to Non-public Schools (EANS), and the Governor's Emergency Education Relief Fund (GEER I/II) as part of the Cares Act and Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act), ARP/ESSER III and any other federal or state programs, as assigned.
- Supervision: Department agrees it is responsible for supervising the individuals supporting the work (Assigned Individuals). Department will not knowingly permit or require an Assigned Individual (i) to perform services outside of the scope of his or her assignment; (ii) to sign contracts or statements (including SEC documents); (iii) to make any final decisions regarding system design, software development or the acquisition of hardware or software; (iv) to make any management decisions; (v) to sign, endorse, wire, transport or otherwise convey cash, securities, checks, or any negotiable instruments or valuables; (vi) to operate machinery (other than office machines) or automotive equipment; (vii) to use computers, software or network equipment owned or licensed by the Assigned Individual; (viii) engage in any activity that is regulated by US export controls (e.g., ITAR and EAR) without the proper governmental approvals or (ix) engage in any activity that violates the NISPOM or other applicable US government security regulation or law .
- Remote Work: Department may request that PGS permit its Assigned Individuals to provide services remotely (*i.e.*, from a location other than the Department's offices) using the Department's or PGS's laptop and/or other computer or telecommunications equipment (the "Equipment"). Department acknowledges and agrees that PGS shall have no control over, and Department shall be solely responsible for, (i) the logical and physical performance, reliability and security of the Equipment or related devices, network accessibility and availability, software, services, tools and email accounts (collectively, "Computer Systems") used by the Assigned Individual, and (ii) the security, integrity, and backing up of the data and other information stored therein or transmitted thereby. Moreover, Department and PGS will instruct Assigned Individuals not to save or store any of its files or other data on the Computer Systems provided by PGS (including, but not limited to, any virtual desktop infrastructure solution). Department agrees that PGS shall not be liable for any loss, damage, expense, harm, business interruption or inconvenience resulting from the use of such Computer Systems.
- Background Checks: To the extent permitted by applicable law, PGS will have a third party vendor perform (1) a Social Security Number verification; (2) a seven-year criminal background investigation for the Support Staff for (i) all state and Federal felony convictions and pending felony charges; and (ii) state and Federal misdemeanor convictions and pending misdemeanor charges involving crimes of dishonesty or violence, in each case, in each county (and corresponding Federal court districts) where the assigned individual has resided or worked within the U.S. in the last seven years as stated on his or her application with PGS; (3) a statewide seven-year criminal background investigation of Support Staff (except AK, AR, CA, DE, DC, ID, LA, MA, NH, NM, OH, WV, WY)

for (i) state felony convictions and pending felony charges; and (ii) state misdemeanor convictions and pending misdemeanor charges involving crimes of dishonesty or violence. However, where such statewide criminal database check is either impracticable, unavailable or would result in a delay of assignment (as determined by our third party vendor), the third party vendor will perform a seven-year criminal background investigation for all (i) state felony convictions and pending felony charges, and (ii) state misdemeanor convictions and pending misdemeanor charges involving crimes of dishonesty or violence, in each case, in each county where Support Staff has resided or worked in the U.S. in the last seven years as stated on his or her application; and (4) a seven-year criminal background investigation by having the third party perform a search of its private database of U.S. national criminal records searching for felony convictions and misdemeanor convictions for crimes of dishonesty. STATE understands and agrees that the third-party vendor's database of U.S. national criminal records (i) is maintained by the third-party vendor and not a governmental entity, (ii) is an incomplete aggregation of criminal records, and (iii) will not reveal or identify all criminal convictions. If STATE requests a copy of the results of any checks conducted on PGS's Support Staff, STATE agrees to keep such results strictly confidential to the extent permitted by applicable law, including but not limited to RSA 91-A, and to use such results in accordance with applicable laws and solely for employment purposes.

- Timekeeping and Acceptance: PGS's timekeeping system (TCast) shall be the system of record for all billing and invoicing. PGS will provide reporting on a weekly basis for Department review and approval of hours worked. Department has five business days to reject any hours identified in the report, or portions thereof. Unless Department rejects hours within that period, the hours in the report and the services related thereto are deemed automatically approved by Department and in compliance with the performance standards of any statement of work.
- Use of PGS Affiliates: PGS may utilize personnel from its parent company Robert Half Government, Inc. in the performance of services hereunder and such an arrangement shall not be deemed a subcontractor relationship.
- COVID – PGS does not place professionals on assignment for positions as licensed medical or clinical professionals, physicians, health care providers, nurses, nurse practitioners, or health care advocates. None of the personnel PGS places are qualified to perform any clinical duties or duties requiring medical training or licensure. Accordingly, Department agrees not to, under any circumstances, require or knowingly permit any PGS professional to provide direct patient care (including, but not limited to, administering vaccinations to patients by injection or otherwise); offer medical treatment, advice or diagnoses; dispense pharmaceuticals; handle patient test results, specimens, or byproducts; or engage in any direct contact or communication related to the above matters with Department's patients. This list of prohibitions is not exhaustive. Department accepts all liability for claims, costs, expenses, damages, liabilities, losses or judgments arising out of the violation of the foregoing and will indemnify PGS (and its employees, officers, directors and shareholders), from any and all liability.

- Department has full responsibility for: (i) providing safe working conditions as required by law, including compliance with all public health and occupational safety regulations and guidelines applicable to its business, and (ii) ensuring that safety plans exist for, and safety related training is provided to, PGS professionals. Safe working conditions shall include, but not be limited to, Department supplying such professionals, prior to each shift, with Personal Protective Equipment consistent with OSHA requirements for "high exposure risk" positions. PGS's professionals are only authorized to perform work within the Scope of Services. It is Department's responsibility to provide appropriate direction, guidance or oversight to PGS's professionals for satisfactory performance on the Department's Scope of Services.
- Limitation of Liability. Circumstances may arise where, because of a default on PGS's part or other liability, Department is entitled to recover damages from PGS. Regardless of the basis on which Department is entitled to claim damages from PGS (including breach, negligence, misrepresentation, or other contract or tort claim), PGS's liability, if any, will (in the aggregate for all claims, causes of action or damages) be limited to any actual direct damages up to an amount equal to the fees actually paid to PGS for the Department that is the subject of the claim.
- Consequential Damages Exclusion: Under no circumstances is PGS liable for special, incidental, or indirect damages or for any consequential damages (including lost profits, business, revenue, goodwill, or anticipated savings), even if informed of the possibility.
- NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS STATEMENT OF WORK, PGS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, OR WHETHER ARISING BY OPERATION OF LAW, COURSE OF PERFORMANCE OR DEALING, CUSTOM, USAGE IN THE TRADE OR PROFESSION OR OTHERWISE, INCLUDING WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE
- Force Majeure: PGS shall be excused from performance due to any government shut down order(s), epidemic or other customary force majeure event, or for any disruptions, delays, failure, downtime, maintenance or other event which impacts the availability or efficient use of any Department provided or maintained information technology systems, tools, networks, servers, software, hardware, computers, databases, telephones, etc.
- Technology Assumptions:
The Department will provide the Assigned Individual(s) with appropriate technology to fulfill their responsibility.

These grants include the two Elementary and Secondary School Emergency Relief Fund, the Emergency Assistance to Non-public Schools, and the two Governor's Emergency Education Relief Fund I and II.

In the event Federal Funds are no longer available, General Funds will not be requested to support this request.

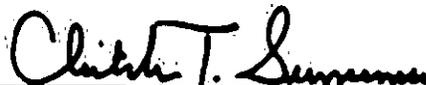

Respectfully submitted,
