Re: **PETITION – Springfield, X-A002(078), 20509**

The Department of Transportation requests placing this item on the Consent Calendar.

Pursuant to RSA 230:14, attached hereto is a petition for a hearing on the proposed replacement of the existing red-listed twin-pipe bridge (Br. No. 091/048) in Springfield.

Since the Petition is not for the limitation or control of access, a Commission of Three persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing. The Commission of Three persons shall determine whether there is occasion for the replacement of the red-listed twin-pipe bridge No. 091/048 and the intersection widening at Stryker Road and Fisher Corner Road in the Town of Springfield as will be presented at the hearing.

The purpose of the project is to replace the existing red-listed twin-pipe bridge that carries Georges Mill Road over Star Lake Outlet (Br. No. 091/048). The Georges Mill Road improvements will include approximately 725 feet of roadway reconstruction and intersection widening at Stryker Road and Fisher Corner Road to better accommodate truck turning movements.

Suggested Commission:

John Simonds, Claremont
Jessica Hatch, Danbury
Bruce Temple, Claremont

Suggested Budget:

9 work days @ \$50.00 = \$450.00
738 miles @ \$0.56 = \$413.28
TOTAL = \$863.28

Respectfully,
