His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Environmental Services to amend a Grant Agreement (PO# 1082555) with the Village District of Edelweiss (VC# 155347-B001), Madison, NH by extending the project completion date to December 1, 2022 from December 1, 2021, upon Governor and Council approval. No additional funding is involved in this time extension. The original Grant Agreement was approved by Governor and Council on April 8, 2020, Item #48. 100% Drinking Water and Groundwater Trust Fund.

EXPLANATION

We are requesting approval of this no-cost amendment of the grant scheduled completion date in order to provide the Village District of Edelweiss additional time to complete the agreed upon scope of services for water system improvements. The first phase of the project is complete with a new 120,000-gallon water tank and new pressurized water main installed. During this work, it was discovered that the existing design will not adequately address all of the pressure issues in the distribution system and the District is working on design improvements to add an additional PRV. This change will delay the project beyond the December 1, 2021 completion date. To date, \$262,275.90 of the \$295,000 grant funding award has been spent.

In the event that grant funds become no longer available, General funds will not be requested to support this program. This amendment was approved by the Office of the Attorney General as to form, execution and content.

We respectfully request your approval of this item.

Robert R. Scott, Commissioner
