EXPLANATION

Pursuant to US Treasury 31 CFR Part 35, RIN 1505-AC77, the Coronavirus State Fiscal Recovery Fund established under the American Rescue Plan Act includes New Hampshire State funding for Water and Sewer Infrastructure Projects. NHFGD will use these funds to enter into a contract with a qualified consultant to examine and recommend ways that the Powder Mill Fish Hatchery can comply with federal water quality permits. It will also investigate the capacity and modernization opportunity at the other fish hatcheries around the state.

The Honorable Karen Umberger, Chairman
Fiscal Committee of the General Court

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

Funds are budgeted as follows:

Class 046 – Consultants – these funds are being budgeted in class 046, Consultants, to cover a significant contract with a consultant to conduct the study.

The following information is provided in accordance with the Comptroller's instructional memorandum dated September 21, 1981:

1) *List of Personnel involved:*

No new staffing requirements

2) *Nature, need and duration:*

The period of performance runs until April 1, 2023.

3) *Relationship to existing agency programs:*

This work is to study the existing hatchery system to meet the requirements of the discharge limits set forth by the Environmental Protection Agency.

4) *Has similar program been requested of the Legislature and denied? No*

5) *Why wasn't funding included in the agency's budget request?*

It was not known that these funds would be available at the time the agency established its FY22/FY23 biennial budget.

6) *Can portions of the grant funds be utilized for other purposes?*

These funds can only be used for the purpose of the grant award.

7) *Estimate the funds required to continue these positions:*

N/A.

8) *Geographic Area Served:*

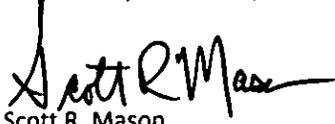

Statewide

9) *Sources of Funds:*

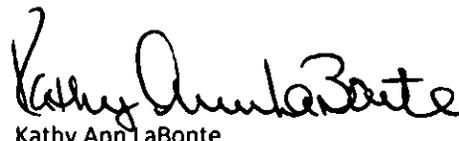

American Rescue Plan State and Local Fiscal Recovery Funds

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,
