EXPLANATION

This position is essential for the effective and efficient maintenance operations of Cannon Mountain and Franconia Notch State Park (Cannon/FNSP) for the Department. This position, performs, supports and assists on a variety of repairs to include buildings, aerial tramway and ski lifts, water and waste water distribution systems, as well as other critical operational components of the overall system operations at Cannon/FNSP. Granting approval for this position extension will allow the Department to continue to provide the needed direct support to maintain safe operations our Maintenance Mechanics perform at Cannon/FNSP. For this reason, we seek to continue employment of the position.

Respectfully submitted,
