**REQUESTED ACTION**

Authorize the Department of Environmental Services to award a grant to the Manchester Water Works (VC# 177433-B022), Manchester, NH, in the amount not to exceed \$4,100,000 for water system improvements under the provisions of RSA 485-F, effective upon Governor & Council approval through June 1, 2023. 100% Drinking Water and Groundwater Trust Fund.

Funding is available in the following account:

	<u>FY 2022</u>
03-44-44-444010-7428-073-500580	\$4,100,000
Dept. Environmental Services, Drinking Water and Groundwater Trust, Grants Non-Federal	

**EXPLANATION**

The Drinking Water and Ground Water Trust Fund was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

On June 21, 2021 the Advisory Commission voted to authorize a \$4,100,000 grant to the Manchester Water Works (MWW) for water system improvements related to the Southern NH Regional Water Interconnection Project (SNHRWP). MWW began experiencing operational issues in its Southeast Service Area when Derry's Manchester Road Booster Pump Station (BPS), a critical component of the SNHRWP, started operating. The grant funds will be used to design and construct additional water main necessary to alleviate the low-pressure issues and ensure optimal operation of the system for the current and future demands of the SNHRWP.

This project will be funded by 100% Drinking Water and Groundwater Trust Fund grant funds. An engineering evaluation concluded that the operational issues MWW is experiencing is the result of the

Manchester Road BPS coming on-line. Therefore, it was recognized by the Advisory Commission that this project is necessitated and solely related to the SNHRWP.

In the event that Trust funds become no longer available, General funds will not be requested to support this program. This agreement has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval of this item.
