EXPLANATION

This past year Cannon Mountain and Franconia State Park had unprecedented sales and visitation with projections to increase for the 2022-2023 season. The increase in revenue is enough to support this much needed position to ensure continuation of operations for the visitors and patrons who frequent Cannon Mountain and Franconia State Park. With the upcoming ski season approaching we view this position as a crucial position to help with anticipated volume.

This position is essential for the effective and efficient operations of Cannon Mountain and Franconia Notch State Park (Cannon/FNSP) for the Department. This operation supports retail and concessions service for tens of thousands of visitors yearly. Granting approval of this position extension will allow the Department to continue to provide the needed direct support to maintain retail operations at Cannon/FNSP. For this reason, we seek to continue employment of the position.

Respectfully submitted,
