1.4 **Review by CDFA; Disallowance of Costs:** At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

**Project Summary**

The City of Claremont, through the Claremont Housing Authority (CHA), is requesting \$500,000 for the renovation of 56 Opera House Square (OHS). The OHS project will revitalize 10,000 square feet of commercial space in the City's Downtown Historic District which will then be leased by the West Claremont Center for Music and the Arts (WCCMA) as the end user tenant.

56 Opera House Square has been owned by the City since 1995. The now-blighted structure has sat vacant since then. Multiple attempts over the years have been made to sell the building without success, largely due to the investment required to bring it up to code versus useable square footage.

The Claremont Development Authority (CDA) now owns the building and is completing the revitalization including upgrading the building envelope, installation of new HVAC, plumbing and a new electrical system. Work completed to date includes a Brownfields Assessment and asbestos abatement.

Upon completion of the building fit up, WCCMA will lease the building and complete leasehold improvements. Plans include creation of performance and gallery spaces, an art studio, practice rooms, a screening room, recording facility, and a commercial kitchen. WCCMA has provided music and arts education in the Claremont area since 2008, working out of a church located two miles from downtown. The new facility will be centrally located in Claremont's downtown, enabling WCCMA to more readily provide professional music and arts experiences, diverse musicians, and educational opportunity to the underserved and low-income community of Claremont, NH
