Re: Brookline's 2021 RTP Grant (#21-13) – Extension Request

Dear Alexis:

This letter serves to request an extension for the above project past the December 31, 2021 deadline.

While some work related to the project has been accomplished, including the solicitation of bids and awarding of the actual work, the actual project work was delayed due to extremely wet conditions in and around the project area.

The excessive rain the second half of the year resulted in our need to delay the work to avoid damage to the trail system leading to, and around, the project area. The area has still not dried out. The contractor is available to complete the work during the first half of 2022.

Brookline has enjoyed a solid track record of timely and successful completion of all of our prior RTP grants. We hope to be able to complete this latest important project, but will need additional time in order to do so in a proper manner.

Should you have any questions, please let me know.

Sincerely,

Tad Putney
Town Administrator
