

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan
Commissioner

William Cass, P.E.
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
October 8, 2021

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Panther Industrial Painting, LLC (Vendor 334671) of Mishawaka, IN, on the basis of a low bid of \$3,229,185.00 for bridge painting in Ashland and Plymouth, from the date of Governor and Council approval through December 16, 2022, unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available in State Fiscal Years 2022 and 2023, as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2022</u>	<u>FY 2023</u>
04-96-96-963515-3054 Consolidated Federal Aid 400-500870 Highway Contract Payments	\$2,066,678.40	\$1,162,506.60

2. Further authorize that a contingency in the amount of \$161,459.25 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows:	<u>FY 2022</u>
04-96-96-963515-3054 Consolidated Federal Aid 400-500870 Highway Contract Payments	\$161,459.25

EXPLANATION

This project is part of the State's Ten Year Transportation Improvement Plan, as part of the Bridge-T1-2 Maintenance and Preservation Program. This project consists of painting four steel beam bridges along I-93 at two bridge sites in Ashland and Plymouth, N.H, respectively.

Site	Town	Route	Over	Br. No.	I-93 MM
1	Ashland	I-93 NB, SB	NH RR (near Exit 24)	089/057, 088/058	75.01
2	Plymouth	I-93 NB, SB	Pemigewasset R. (between Exits 25-26)	147/141, 146/140	80.45

The contract requires the Contractor to work within a lane-closure work zone on each bridge, to blast and paint all steel bridge beams, and to perform pre-project collection and removal of paint chips at each site. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

The 1963-64 steel bridges need painting to extend their service life.

The proposed contingency amount is 5% of the contract amount. This is to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

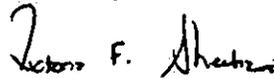

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 80% Federal (Bridg-T1-2 M&P), with anticipated utilization of Turnpike Toll Credits for the State's 20% match, effectively using 100% Federal Funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/pcj

Department Estimate: \$3,684,170.00
Contract Amount: \$3,229,185.00
Under Estimate: \$ 454,985.00

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project consists of painting four steel beam bridges along I-93 at two bridge sites in Ashland and Plymouth, N.H, respectively.

Site	Town	Route	Over	Br. No.	I-93 MM
1	Ashland	I-93 NB, SB	NH RR (near Exit 24)	089/057, 088/058	75.01
2	Plymouth	I-93 NB, SB	Pemigewasset R. (between Exits 25-26)	147/141, 146/140	80.45

The contract requires the Contractor to work within a lane-closure work zone on each bridge, to blast and paint all steel bridge beams, and to perform pre-project collection and removal of paint chips at each site. The work includes environmental protection and compliance with lead-bearing paint (LBP) removal regulations.

FEDERAL FUNDING: 80% (Bridg-T1-2 M&P) with anticipated utilization of Turnpike Toll Credits for the State's 20% match.

CONTINGENCY: The proposed contingency is 5% of the contract amount to account for risks from unanticipated structural deficiencies needing repair, traffic control issues, and weather-related delays.

PROJECT INITIATED: This project is part of the Bridge Tier 1-2 M&P Program.

PROJECT EXPLANATION: The 1963-64 steel bridges need painting to extend their service life.

TRAFFIC IMPLICATIONS:

- All lanes and ramps of Interstate 93 northbound (NB) and southbound (SB) traffic shall be maintained throughout the construction period, except as described herein at Sites 1 and 2.
- Sites 1 and 2 shoulder closures on I-93 NB, SB are required to remain in place 24/7 for support equipment to perform the work on all spans, as described herein. Maintain two through lanes of traffic on I-93 NB, SB. Reduce I-93 speed from 70 mph to 60 mph during temporary shoulder closures. Shoulder closures are permitted during the period April 1 to November 15.
- Site 1 (I-93 NB, SB) and Site 2 (I-93 NB) provide a shoulder closure work zone protected by portable concrete barrier, shift lanes toward the median as described herein, and reduce lane widths to 11-ft. Site 1, shift yellow line 2-ft, center line 3-ft, white fog line 4-ft. Site 2 NB, shift center line 1-ft, white fog 2-ft.
- Site 2 (I-93 SB) provide a shoulder closure work zone protected by portable concrete barrier, maintain three lanes, and shift lanes toward the median, as described herein. Reduce the ramp-weave lane width from 12-ft to 11-ft, and the slow lane from 12-ft to 11-ft. The high-speed lane width shall remain unchanged at 12-ft. Shift lane markings toward the median (yellow line zero, center line zero, ramp-merge line one foot, and white fog line 2 feet.)
- Site 1- I-93 shoulder closure/shifts are restricted to the offseason before Memorial Day. Work over NH RR track is restricted to four periods consisting of four days (Mon-Thurs) before Memorial Day.

FINAL COMPLETION DATE: December 16, 2022

State of New Hampshire

Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that PANTHER INDUSTRIAL PAINTING, LLC is a Ohio Limited Liability Company registered to transact business in New Hampshire on July 05, 2018. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 798433

Certificate Number: 0005460648

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 27th day of October A.D. 2021.

A handwritten signature in black ink, appearing to read "Wm Gardner".

William M. Gardner
Secretary of State

Certificate of Authority # 1

(Corporation, Non-Profit Corporation)

Corporate Resolution

I, Stefanos M. Tirikos, hereby certify that I am duly elected Clerk/Secretary **Officer** of
(Name)
Panther Industrial Painting, LLC. I hereby certify the following is a true copy of a vote taken at
(Name of Corporation)

a meeting of the Board of Directors/shareholders, duly called and held on November 5th, 2021,
at which a quorum of the Directors/shareholders were present and voting.

VOTED: That Mary Jo Tirikos, Manager (may list more than one person) is
(Name and Title)

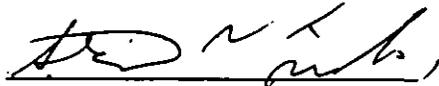

duly authorized to enter into contracts or agreements on behalf of

Panther Industrial Painting, LLC with the State of New Hampshire and any of
(Name of Corporation)

its agencies or departments and further is authorized to execute any documents
which may in his/her judgment be desirable or necessary to effect the purpose of
this vote.

I hereby certify that said vote has not been amended or repealed and remains in full force
and effect as of the date of the contract to which this certificate is attached. This authority
remains valid for thirty (30) days from the date of this Corporate Resolution. I further certify
that it is understood that the State of New Hampshire will rely on this certificate as evidence that
the person(s) listed above currently occupy the position(s) indicated and that they have full
authority to bind the corporation. To the extent that there are any limits on the authority of any
listed individual to bind the corporation in contracts with the State of New Hampshire, all such
limitations are expressly stated herein.

DATED: November 5th, 2021
