His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Education, Bureau of Vocational Rehabilitation (VR) to enter into a **sole source** contract with COMMUNITY CROSSROADS, INC., Atkinson, NH, (vendor #155293), in an amount not to exceed \$200,000 to provide support services for VR customers, effective upon Governor and Council approval through October 31, 2023. 100% Federal Funds.

Funds to support this request are available in the accounts titled VR-Field Programs-Federal in FY 2022 and FY2023 and expected to be available in FY2024, upon the availability and the continued appropriation of funds in the future operating budget, with the ability to adjust encumbrances between State Fiscal years through the Budget Office, without further Governor and Council approval, if needed and justified.

Contracts for Program Services			

**EXPLANATION**

This request is **sole source** because VR is providing this funding opportunity to each of the ten (10) area agencies in New Hampshire to enhance the statewide capacity of work incentives counseling to individuals with disabilities. Nine (9) of the area agencies are receiving funding for this programming. The Concord region area agency did not elect to accept the funding because they did not feel they could staff it appropriately. Community Crossroads is a non-profit corporation with a mission to provide people in need of long term supports, either through age or disability, with the information, guidance, support and advocacy they need to remain in their chosen homes and live full, independent lives. Community Crossroads delivers services for over 1,234 individuals with disabilities, families coping with disabilities, and seniors in need of care. This enhanced service provision will increase the number of individuals employed because they will understand the impact of employment on their state and federal benefits.

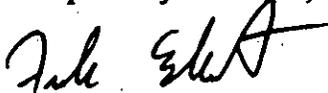

Community Crossroads will hire a Community Work Incentives Coordinator (CWIC), that will provide work incentives planning and assistance to beneficiaries who receive Social Security Disability Benefits. The CWIC is responsible for counseling and educating beneficiaries about how employment will affect their current benefits (which may include public and private health insurance, federal, state, and/or local benefits received) so that individuals may make informed choices towards employment and self-sufficiency. Frequently, because individuals and families do not understand the impact of employment on benefits, they do not choose to engage in career exploration and employment. VR would like to change this concern by enhancing work incentives knowledge to change decision-making for individuals and families.

In addition to the CWIC funding support, this contract will allow Community Crossroads to refer more individuals to VR that might seek employment in a competitive, integrated environment.

VR is pleased to partner and provide funding with local area agencies around the state to enhance work incentives knowledge and to provide additional job development capacity. Employment is such an important aspect of life for individuals with disabilities. It means full inclusion in their community and in the state economy.

Should Federal Funds not be available, State Funds will not be sought to fulfill this contract.

Respectfully Submitted,

Frank Edelblut  
Commissioner of Education

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default.
