	<u>FY22</u>
06-56-56-562010-40260000-102-500731 Contracts for Program Services	\$50,000

**EXPLANATION**

This request is **sole source** because Monster Worldwide, Inc. is the leading job aggregator with extensive reach in the State of NH. Monster Worldwide Inc.'s Government contracting branch has a proven record of accomplishment for this kind of work with county and municipal governments. Section 112 of the Federal Strengthening Career and Technical Education Act (Perkins) requires states to set aside an amount of the annual allocation for CTE programs to provide services for students preparing for nontraditional fields. Non-traditional fields are considered to be non-traditional for a young persons' gender, for example building and construction trades or automotive technology for young women and health care and education for young men, in order to provide services to increase awareness of jobs in New Hampshire for young people preparing to enter the workforce in New Hampshire. Another competitor was researched and considered but the program research showed Monster Worldwide, Inc. had more experience in this type of service. Further, Monster was willing to contract for "click-throughs," which represents actual engagement, versus the traditional digital approach of impressions only.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 2 of 2

Monster Worldwide, Inc. will deliver 25,000 Custom Social Media Advertisements on social media network accounts to targeted individuals interested in non-traditional careers. A Custom Social Media Advertisement means a click through on an advertisement developed for a targeted individual. During the agreement period, Monster Worldwide Inc. will provide Custom Social Media Advertisements on one or more social media platform accounts. Each Custom Social Media Advertisement will use the New Hampshire Department of Education's social media platform accounts and contain a headline and creative content relevant to the job or career initiative being advertised

In the event Federal Funds are no longer available, General Funds will not be requested to support this request.

Respectfully Submitted,

Frank Edelblut  
Commissioner of Education

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default.
