EXPLANATION

This lease renewal for the Manchester Division of Motor Vehicles (DMV) substation is **Sole Source** to avoid significant fit-up costs associated with a new location estimated to be \$400,000 to \$500,000. The current location meets the unique needs of the Manchester DMV substation and is well known by DMV customers in the area. The requirement of Administrative Rule, Adm. 610.06 "Public Notice," requires space to be placed out for bid. A waiver of this provision was requested and approved by the Department of Administrative Services based on the fact that the per square foot price was only increased by 1.5% from the current rate of \$13.25 to \$13.45 and is fixed for the ten-year term.

The Department of Safety, Division of Motor Vehicles, is seeking approval to enter into a ten (10) year renewal lease for the Manchester DMV, located on the second floor of 377 South Willow Street, Manchester Commons, Manchester, NH. The space is 4,900 square feet with the lease rate at \$13.45 per square foot, \$65,905.00 annually fixed through the ten-year term, plus Central Area Maintenance (CAM) of \$5.94 for year one which will increase yearly by approximately 2.75%. Total annual rent is \$95,011 in year one and \$103,047 in year ten. The annual net

rent includes the Landlord's provision of real estate taxes, insurance, site and building maintenance, snow plowing and removal; however, it does not include the Tenant's additional costs of electricity, heat and janitorial services. This office is in an easily accessible area and provides adequate customer parking, as well as space for certain road skills examinations.

Approval of this lease agreement will allow the Department of Safety to continue to operate a Division of Motor Vehicles Substation to provide services to residents in and around the Manchester area.

Charles M. Arlinghaus, Commissioner
Department of Administrative Services

Concord, NH 03301

Dear Commissioner Arlinghaus:

The Department of Safety, Division of Motor Vehicles is respectfully requesting a waiver from the public notice requirement for leased space, pursuant to CHAPTER Adm 600 PROCUREMENT AND PROPERTY RULES, Adm 610.11 (b), Exemptions and Waivers from Public Notice Requirement.

The Division of Motor Vehicles has been leasing the customer service space at the Manchester Commons on South Willow Street since April 1, 2007 or for nearly fifteen (15) years, first from The New England Expedition-Manchester Retail, LLC and subsequently from Brady Sullivan Manchester Commons, LLC who purchased the building in August of 2011. The initial fit-up cost for the State fifteen years ago was approximately \$130,000 with the landlord paying the remainder.

Current rent has been fixed at \$13.25 per square foot since April 1, 2012, through March 31, 2022. The landlord has agreed through negotiations to a one and one half percent (1.5%) increase in rent from \$13.25 to \$13.45 fixed for the next ten year Term, subject to approval by the Long Range Committee. It is in the best interest of the Department of Safety, and the State of New Hampshire that this space be retained at a reasonable cost with minimal increase.

DMV space is unique as it includes custom built customer service counter, custom built forms counter, custom built greeter counter, video cameras, customer testing room for those requiring a computerized driver license test, a large customer lobby with waiting chairs, a public restroom, a large parking lot with areas designated for testing vehicles and slow speed testing of motorcycle license applicants; as well as queuing and audio systems to call the next customer.

It is estimated that to fit-up a 4,900 square foot DMV office in new leased space will range from \$400,000 to \$500,000 depending on square footage and the special requirements that need to be met for the DMV. This does not include the additional cost of relocating utilities and new Carrier Based Ethernet installation, plus relocation expense. There is also the inconvenience to the DMV customers in the greater Manchester area of finding the new office location.

This request is being made in an effort to save the unnecessary costs and time of bidding out space that will more than likely be significantly more in rental fees plus the necessary fit-up cost.

Thank you in advance for your consideration in approving this request.

Sincerely,

Robert L. Quinn
Commissioner of Safety

Subject to approval by the Governor and Executive Council effective April 1, 2022, through March 31, 2032 for an amount not to exceed \$988,820.00. Funding source: 100% Agency Income (Cost of Collections).

EXPLANATION

The NH Hampshire Department of Safety (NHDOS) is seeking to enter into a ten-year lease agreement in the amount of \$988,820.00, to commence on April 1, 2022 and end on March 31, 2032. Approval of the ten-year lease agreement will provide a Division of Motor Vehicles Office servicing the Manchester area located at the 377 South Willow Street, Manchester Commons, Manchester, NH.

The requirement of Administrative Rule, Adm. 610.06 "Public Notice," requires space to be placed out for bid. A waiver of this provision was requested and approved by the Department of Administrative Services based on the fact the per square foot price was only increased by 1.5% from the current rate of \$13.25 to \$13.45 and is fixed for the ten-year term. The \$13.25 rental has been in effect since April 2017. There will also be no fit-up required in this existing office, estimated to be \$400,000 to \$500,000 in a brand new office.

The space is 4,900 square feet with the lease rate at \$13.45 per square foot, \$65,905.00 annually fixed through the ten-year term, plus Common Area Maintenance (CAM) of \$5.94 for year one which will increase yearly by approximately 2.75%. The annual net rent includes the Landlord's provision of real estate taxes, insurance, site and building maintenance, snow plowing and removal; however, it does not include the Tenant's additional costs of electricity, heat and janitorial services. This office is in an easily accessible area and provides adequate customer parking, as well as space for certain road skills examinations.

The space has a large customer lobby, staff area, data closet with climate controlled air, ADA compliant restrooms, and secure storage.
