Re: **PETITION – Ossipee – 41251 X-A004(573)**

The Department of Transportation requests placing this item on the Consent Calendar.

Pursuant to RSA 230:14, attached hereto is a petition for a hearing on the proposed safety improvements on NH Route 16.

Since the petition is not for the limitation or control of access, a Commission of Three persons should be appointed by the Governor with the advice of the Executive Council to hold a hearing. The Commission of Three persons shall determine whether there is occasion for reconstruction of pavement, underlying structure of the roadway and improve drainage and safety.

The purpose of this Ossipee 41251 project will make improvements to NH Route 16 (NH 16), beginning approximately 500 feet north of Polly's Crossing Road and ending approximately 1,000 feet south of the NH 16/NH 16B/Pine River Road intersection, for a total length of approximately 2.2 miles. The purpose of this project is to reconstruct the pavement and underlying structure of the roadway and improve drainage and safety.

Suggested Commission:

Ron Adams – Ossipee
Donna Sargent – Ossipee
Phil Villari – Ossipee

Suggested Budget:

9 work days @ \$50.00 = \$450.00
miles 666 @ \$0.585 = \$ 389.61
TOTAL = \$ 839.61

Respectfully,
