EXPLANATION

This request is being made to accept additional grant funds available for SFY 2022 and SFY 2023 to administer the Projects for Assistance in Transition of Homelessness Program (PATH). The PATH program provides assistance to individuals who are homeless or at risk of homelessness and have serious mental illnesses. The notice of grant award was received in September 2021. There has been a delay in the acceptance of the funds, due to the focus on the COVID pandemic response for this population and the Department wanted to ensure that there was a proper use for the funds before accepting them.

Funds are being budgeted in Grants for Public Assistance and Relief (class 074) and are to be used for obtaining technical assistance in developing planning and operating programs. This will be comprised of virtual trainings for staff employed in PATH funded programs that will focus on onboarding new staff in direct care, fiscal, and leadership roles to ensure grant compliance.

Area served: Statewide

Source of Funds: These funds are 100% Federal from the U.S. Department of Health and Human Services, Substance Abuse and Mental Health Services Administration

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

Lori A. Shibinette
Commissioner
