If the COPS Office determines that AHTF funds are being used to pay the salary and fringe benefits of an officer who has not undergone a background investigation, the COPS Office may temporarily suspend grant funds in accordance with 2 C.F.R. §200.339 until the agency can demonstrate the background investigation has been completed.
29. Modifications: Occasionally, a change in an agency's fiscal or law enforcement situation necessitates a change in its COPS Office AHTF award. Award modifications under AHTF are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308(f). For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. In addition, please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

30. 32. Criminal Intelligence Systems: Recipients using award funds to operate an interjurisdictional criminal intelligence system must comply with the operating principles of 28 C.F.R. Part 23. At the time of application, the recipient assured the COPS Office that it will comply with the requirements of 28 C.F.R. Part 23.
33. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment: Recipient agrees that it, and its subrecipients, will not use award funds to extend, renew, or enter into any contract to procure or obtain any covered telecommunication and video surveillance services or equipment as described in 2 CFR §200.216. Covered services and equipment include telecommunications or video surveillance services or equipment produced or provided by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); or an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of China. Allowable Costs: The funding under this project is for the payment of approved costs for activities related to the establishment and enhancement of a variety of problem-solving strategies to investigate illicit activities related to heroin, fentanyl, carfentanil, or other opioids in your jurisdiction. The allowable costs approved for your agency's award are limited to those listed in your agency's award package. In accordance with 2 C.F.R. § 200.400(g), the recipient must forgo any profit or management fee. Your agency may not use award funds for any costs not identified as allowable in the award package.

Only actual allowable costs incurred during the award period will be eligible for reimbursement and drawdown. If your agency experiences any cost savings over the course of the award (for example, your award application overestimated the total entry-level officer salary and fringe benefits package), your agency may not use that excess funding to extend the length of the

award beyond 24 months. Any funds remaining after your agency has drawn down for the costs approved during the 24-month funding period will be deobligated during the closeout process, and should not be spent by your agency.

35. Extensions: Your agency may request an extension of the award period to receive additional time to implement your award program. Such extensions do not provide additional funding. Awards may be extended a maximum of 24 months beyond the initial award expiration date. Any request for an extension beyond 24 months will be evaluated on a case-by-case basis. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Reasonable justifications may include technology implementation delays, training delays, or other circumstances that interrupt the 24 month award funding period. An extension allows your agency to compensate for such delays by providing additional time to complete the full 24 months of funding. 2 C.F.R. § 200.308(e)(2) and 2 C.F.R. § 200.309 . Extension requests must be received prior to the end date of the award.
36. In other words, state, local, and tribal government recipients may not use COPS Office funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS Office-funded item(s) in the absence of the COPS Office award. 34 U.S.C. § 10384(a).

39. Computer Network Requirement: The recipient understands and agrees that no award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this requirement limits the use of funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities. Consolidated Appropriations Act, 2021, Public Law 116-260, Division B, Title V, Section 527.
40. The COPS Office's statute defines a "career law enforcement officer" as "a person hired on a permanent basis who is authorized by law or by a State or local public agency to engage in or supervise the prevention, detection, or investigation of violations of criminal laws." 34 U.S.C. §10389(1). A recipient agency may use officer hiring funds to pay the salary and benefits of recruits while in academy training to become "career law enforcement officers" if it is the standard practice of the agency to do so with locally-funded recruits. The State of Alaska, and any Indian tribe or tribal organization in that State, may also use officer hiring funds for a "village public safety officer" defined as "an individual employed as a village public safety officer under the program established by the State pursuant to Alaska Statute 18.65.670." Tribal Law and Order Act of 2010, Pub. L. 111-211, title II, § 247 (a)(2).
42. State Information Technology Point of Contact: The recipient agrees to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any technology or information-sharing project funded by this award during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/technology-contacts>.

The Paperwork Reduction Act Clearance and Privacy Act Review: Recipient agrees, if required, to submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget (OMB) for clearance under the Paperwork Reduction Act (PRA). Before submission to OMB, all information collections that request personally identifiable information must be reviewed by the COPS Office to ensure compliance with the Privacy Act. The Privacy Act compliance review and the PRA clearance process may take several months to complete. 44 U.S.C. §§ 3501-3520 and 5 U.S.C. § 552a.
