THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

Victoria F. Sheehan
Commissioner

William Cass, P.E.
Assistant Commissioner

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Bureau of Construction
August 5, 2022

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with R.M. Piper, Inc. of Plymouth, NH (Vendor 174180), on the basis of a low bid of \$1,689,320.50 for bridge preservation on BR. No. 185/090, NH 135 over I-93 in Littleton (Project: Littleton 43444), from the date of Governor and Council approval through October 6, 2023, unless amended by the Department in accordance with the Standard Specifications. 100% Other Funds (Betterment).

Funding is available in State Fiscal Year 2023 and is anticipated to be available in Fiscal Year 2024 as follows, with the ability to adjust encumbrances through the Budget Office between State Fiscal Years if needed and justified:

Funding is available as follows:	<u>FY 2023</u>	<u>FY 2024</u>
04-96-96-963015-3039		
Highway Betterment Aid		
400-500870 Highway Contract Payments	\$1,309,223.41	\$380,097.09

2. Further authorize that a contingency in the amount of \$168,932.05 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 10% of the contract amount.

Funding is available as follows:	<u>FY 2024</u>
04-96-96-963015-3039	
Highway Betterment Aid	
400-500870 Highway Contract Payments	\$168,932.05

EXPLANATION

This project is part of the State's Ten-Year Transportation Improvement Plan, under the Bridge T3-4 Maintenance & Preservation Program. This project consists of bridge preservation on Br. No. 185/090, NH 135 over I-93 in the Town of Littleton. The work limits begin approximately 480 feet south of the bridge and continues approximately 1,600 feet to the north. The scope of work includes removal of the raised concrete median island, replacement of the bridge deck pavement and barrier membrane, partial and full depth deck repairs, installation of zinc anodes and expansion joint replacements.

The purpose of the project is to extend the useful life of the bridge by performing bridge preservation activities. The bridge preservation work will extend the functional life of the bridge and delay regression to a lower condition state. Br. 185/090 is a 280' long two-span IB-C built in 1981. The deck, superstructure

and substructure have ratings of 6, 7, and 7, respectively. The bridge is ranked #4 on the 2020 Tier 3&4 M&P priority list. The bridge was planed and resurfaced in 2004.

The proposed contingency amount is 10% of the contract amount. The extent of this work has been estimated, but the full extent of the work won't be fully known until the existing asphalt and membrane are removed from the bridge. These factors increase the risk of overruns.

Although the bid costs exceeded the Department's estimate by 17.88%, the low bid of 6 bids received is felt to be reasonable for the work involved. Seven items of significance accounted for 100% of the overage (Pavement (2), Bridge Removal, Expansion Joint (2), maintenance of Traffic, mobilization). Readvertising this project would result, in our opinion, in higher prices and prevent the completion of the work in a timely manner. The Department considers it to be in the best interest of the State to accept this bid to accomplish these needed repairs.

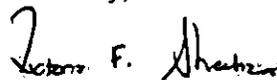

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available and the bid reasonably conforms to the engineer's estimate in accordance with State procedure. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is: 100% Betterment (Bridge T3-4 Maintenance & Preservation).

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

VFS/pcj

Department Estimate: \$1,433,046.50
Contract Amount: \$1,689,320.50
Over Estimate: \$ 256,274.00

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project consists of bridge preservation on Br. No. 185/090, NH 135 over I-93 in the Town of Littleton. The work limits begin approximately 480 feet south of the bridge and continues approximately 1,600 feet to the north. The scope of work includes removal of the raised concrete median island, replacement of the bridge deck pavement and barrier membrane; partial and full depth deck repairs; installation of zinc anodes; and expansion joint replacements.

FEDERAL FUNDING: 0% (Bridge T3-4 Maintenance & Preservation)

CONTINGENCY: The contingency amount is proposed to be 10%. The extent of this work has been estimated, but the full extent of the work won't be fully known until the existing asphalt and membrane are removed from the bridge. These factors increase the risk of overruns.

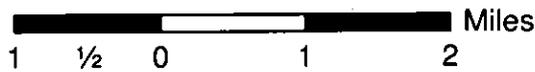

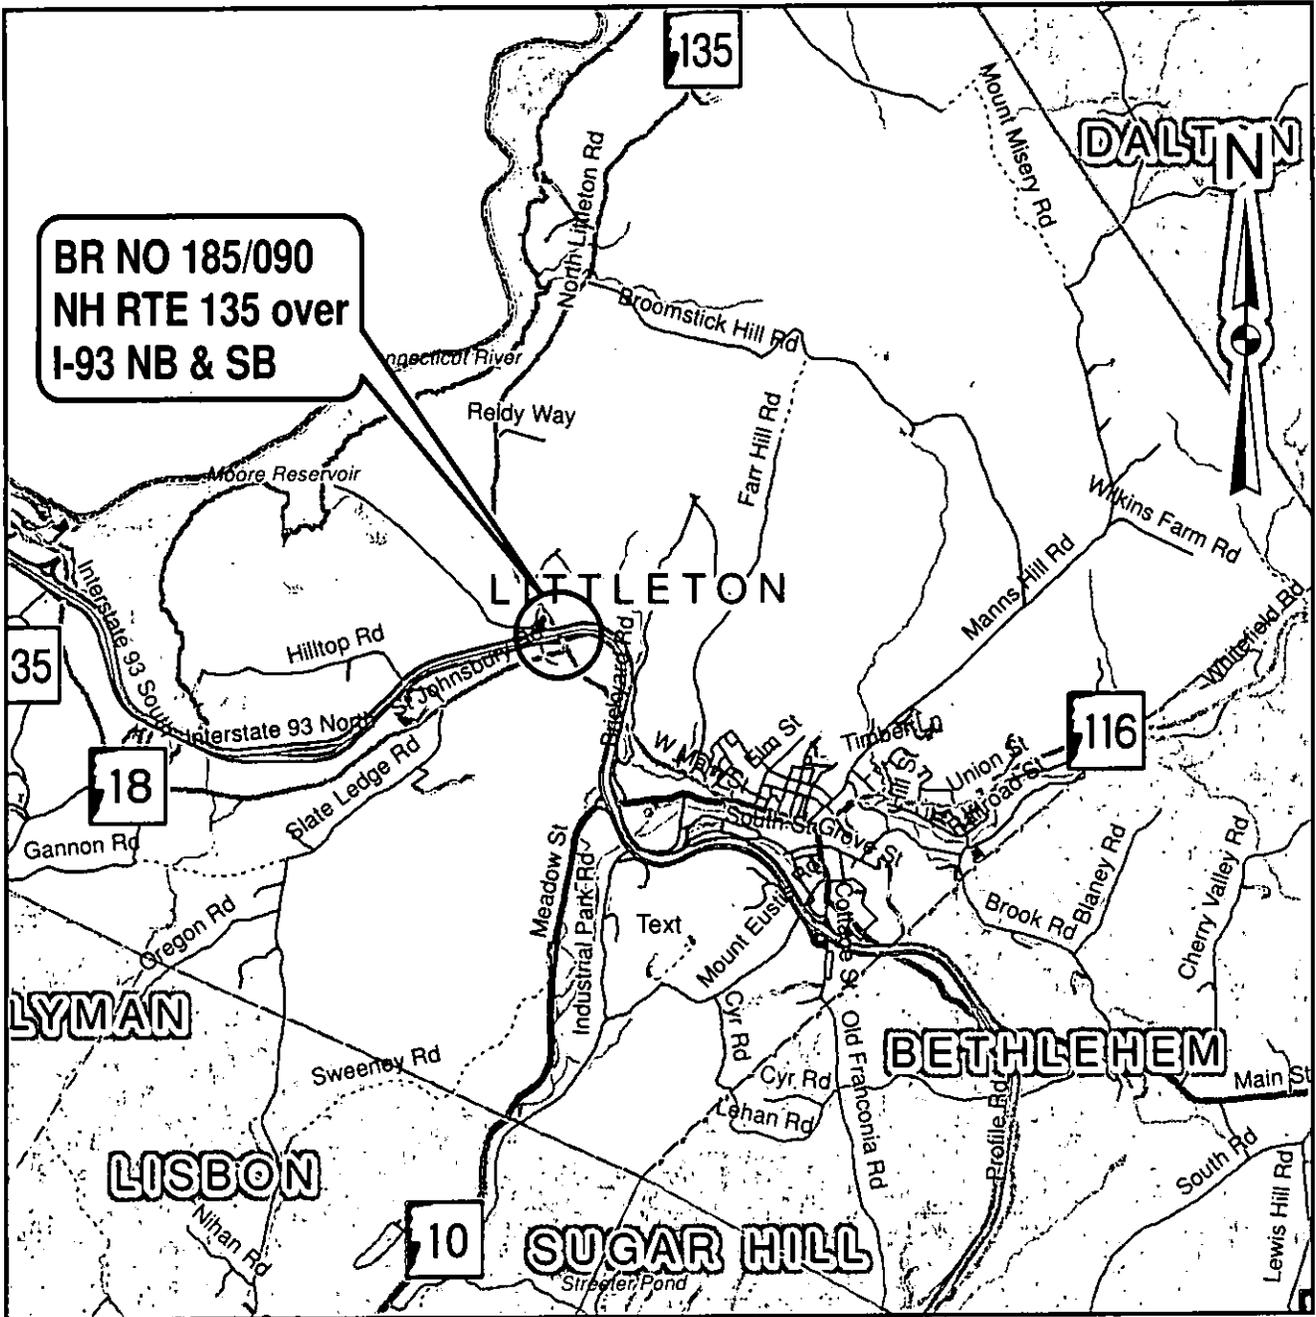

PROJECT INITIATED: 2020 Bridge T3&4 M&P Priority List

PROJECT EXPLANATION: The purpose of the project is to extend the useful life of the bridge by performing bridge preservation activities. The bridge preservation work will extend the functional life of the bridge and delay regression to a lower condition state. Br. 185/090 is a 280' long two-span IB-C built in 1981. The deck, superstructure and substructure have ratings of 6, 7, and 7, respectively. The bridge is ranked #4 on the 2020 Tier 3&4 M&P priority list. The bridge was planed and resurfaced in 2004.

TRAFFIC IMPLICATION: Prior to phasing traffic the raised median island will need to be removed. The bridge preservation work will take place in two phases of work. One lane of traffic will be maintained in each direction during each phase. The existing dedicated left turn lanes to access I-93 NB and SB on ramps will not be available during phasing. Pedestrian access will be maintained in all phases of work.

FINAL COMPLETION DATE: October 6, 2023.

CERTIFICATE

I, David M. Scanlan, Secretary of State of the State of New Hampshire, do hereby certify that R. M. PIPER, INC. is a New Hampshire Profit Corporation registered to transact business in New Hampshire on September 21, 1982. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 49646

Certificate Number: 0005793093

IN TESTIMONY WHEREOF,

I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 17th day of June A.D. 2022.

A handwritten signature in black ink, appearing to read "D. M. Scanlan".

David M. Scanlan
Secretary of State

CERTIFICATE OF VOTE

I, Kelsey Slaney Hereby certify that I am duly elected
Secretary of R.M. Piper, Inc.

I hereby certify the following is a true copy of a vote taken at a meeting
of the Board of Directors of the Corporation, duly called and held
on July 19, 2022, at which a quorum of the Board was present
and voting.

VOTED: That Karen L. Prince is duly authorized
to enter into a specific contract namely LITTLETON 43444
With State of New Hampshire,, and further authorized to
Department of Transportation
execute any documents which may in his judgment be desirable or necessary to effect
the purpose of this vote.

I hereby certify that said vote has not been amended or repealed and remains
in full force and effect as of July 19, 2022, and that
Karen L. Prince is duly elected President of this
Corporation.

DATED: July 19, 2022

ATTEST: Kelsey Slaney (Affix Corp. Seal)
Kelsey Slaney, Secretary
