REQUESTED ACTION

Authorize the Department of Education, Bureau of Career Development, to amend an existing contract with Awato, LLC (VC#312756) Manchester, New Hampshire, by amending the definition of Qualified Employer with no change to price limitation or the contract completion date, effective upon Governor & Council approval, through September 30, 2024. The original contract was approved by Governor & Council on December 21, 2021, item # 99. 100% Federal Funds.

EXPLANATION

The New Hampshire Department of Education has contracted with Awato, LLC, to administer and market a wage match program for New Hampshire employers to create paid work-based learning opportunities for credit. We are requesting an amendment to expand the definition of Qualified Employer to include New Hampshire government entities and municipalities, in addition to the original definition that included all entities and businesses registered with the New Hampshire Secretary of State's office. This expansion would create more opportunities for learners to engage in work-based learning in their local communities and provide access to more options. This program intends to support 1,000 learners over 2.5 years in gaining valuable work experience before they graduate from high school. Employers will receive a reimbursement for 50% of wages paid (\$7.50 per hour match) for up to 480 hours.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this request.

Respectfully submitted,

Frank Edelblut
Commissioner of Education
