OVC Training Grant	
072-500574, Grants Federal	\$7,045.50

EXPLANATION

The Department of Justice (DOJ) received funds from the Federal Victims of Crime Act Training Program to continue to provide high-quality training to New Hampshire professionals working with victims of crime. This funding is specifically geared towards teaching and enhancing proper techniques to individuals directly responding to, or working with, victims of crime.

Most funding was utilized to create a Statewide Victim Assistance Academy. This program provides ongoing, multidisciplinary training to victim service agencies throughout the state. A modest amount of funding was set aside to provide for agencies or individuals to attend victim service trainings. This subgrant will allow three individuals in Cheshire County, providing direct services to victims of crime, to attend the North American Human Trafficking Conference in Las Vegas, NV.

And the Honorable Council

Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. -NON-SUPPLANTING CERTIFICATION -

Supplanting defined:

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The County of Cheshire (Subrecipient) certifies that any funds awarded through grant number 2018-V3-GX-0086 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The County of Cheshire (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
