REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Children, Youth and Families, to enter into a **Retroactive, Sole Source** amendment to an existing contract with David A. Bogacz, DMD (VC#174414), Tilton, NH, for the continued provision of dental care services for residents at the John H. Sununu Youth Services Center (SYSC), by exercising a contract renewal option by increasing the price limitation by \$74,880 from \$74,880 to \$149,760 and extending the completion date from June 30, 2022 to June 30, 2024, effective upon Governor and Council approval. 100% General Funds.

The original contract was approved by Governor and Council on August 26, 2020, item #9.

Funds are available in the following account for State Fiscal Years 2023 and 2024, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

EXPLANATION

This request is **Retroactive** because the Director position at SYSC was vacant, and this was not originally identified as a need prior to expiration date of the current contract. The Director's position has now been filled and the new Director will be able to monitor the contract needs to ensure there are no future gaps. Additionally, the Nursing Supervisor position, which has also been vacant, is now filled and will be positioned to monitor the contracts impacting the medical and dental needs of the youth in residence at the facility.

This request is **Sole Source** because the contractor identified is the only contractor available and willing to continue providing this required care at SYSC, and the Department is interested in renewing the contract.

The purpose of this request is to renew the contractor's contract, to continue providing necessary dental services on a weekly basis, dependent on the needs of the population served. This will ensure dental services remain available to youth at SYSC, which is essential to their physical health.

The dentist will continue to provide on-site dental services, as well as supervision of the dental hygienist, as required under DEN 302.02. Additionally, the dentist will provide basic dental assessments and treatments, as well as restorative dental care, including, but not limited to: dental exams, x-rays, routine extractions, fillings, sealants, and re-cementing of dental crowns.

Approximately 145 individuals will be served during State Fiscal Years 2023 and 2024.

The John H. Sununu Youth Services Center is a secure rehabilitation and detention facility for committed youth who, were they adults, would have been imprisoned for their acts. Without continued access to in-house dental services, youth will require transfer by two (2) Youth Counselors to a community-based dental office. The majority of community-based dental offices continue to accept only a limited number of new patients. Therefore, locating a dental office to provide services is difficult. Additionally, once committed, juveniles are ineligible for Medicaid benefits, which increased the cost of dental services if they are not provided in-house.

The Department will monitor services by continuing to collaborate with the dentist to verify results of services provided, as reported by the dentist, to adjust program delivery if necessary and provide any updates on policy.

As referenced in Exhibit A, Revisions to Standard Contract Provisions, Section 1, Revisions to Form P-37, General Provisions, Subsection 1.2, Paragraph 3, Subparagraph 3.3 of the original agreement, the parties have the option to extend the agreement for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for two (2) of the two (2) years available.

Should the Governor and Council not authorize this request, youth residing at SYSC will not have access to appropriate dental care, which may negatively effect their health and well-being. Additionally, SYSC would have a significant increase in costs to support these services off-site.

Area served: Sununu Youth Services Center (SYSC).

Respectfully submitted,

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division for Children, Youth and Families, to award a **Sole Source** contract with David A. EXPLANATION

This request is **Sole Source** because the vendor is the only vendor able to provide the necessary services. The Department received one (1) application for services in response to the Request for Application, RFA-2020-DCYF-01-DENTA, which was posted on the Department's website beginning, May 30, 2019 until position is filled. The applicant withdrew prior to signing a contract. A new Request for Application was not published because Dr. Bogacz, who currently provides dental services at Glenclyff, agreed to provide these services at the John H. Sununu Youth Services Center.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
Page 2 of 2

The purpose of this request is to ensure dental services remain available to the youth at the John H. Sununu Youth Services Center. Dental services are essential to support the services provided at the facility. Many of these youth have not been seen by a dentist prior to their commitment and proper oral hygiene is essential to their physical health. The dentist will provide necessary services on a weekly basis dependent upon the needs of the population served.

Approximately 133 individuals will be served from September 1, 2020 to June 30, 2022.

The John H. Sununu Services Center is a secure rehabilitation and detention facility for detained and committed youth who, were they adults, would have been imprisoned for their acts. Without access to in-house dental services, youth would require transfer by two (2) Youth Counselors to a community-based dental office. The majority of community-based dental offices accept a limited number of clients who are not established patients. Therefore, locating a dental office to provide necessary services is difficult. Once committed, juveniles are ineligible for Medicaid benefits. These factors significantly increase the cost of dental services if they are not provided in-house.

The dentist will provide on-site dental services, as well as supervision of the dental hygienist as required under DEN 302.02. Additionally, the dentist will provide basic dental assessments and treatments, as well as, restorative dental care including but not limited to, dental exams, x-rays, routine extractions, fillings, sealants and re-cementing of dental crowns.

The Department will monitor contracted services by collaborating with the dentist to verify results of services provided as reported by the dentist, to adjust program delivery if necessary and provide any updates on policy.

As referenced in Exhibit A, Revisions to Standard Contract Provision, 1. Revision to Form P-37, General Provisions, Paragraph 1.3 of the attached contract, the parties have the option to extend the agreement for up two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

Should the Governor and Council not authorize this request, youth residing at the facility may not have access to appropriate dental care, which may negatively affect their health and well-being. Additionally, the Sununu Youth Services Center would have a significant increase in costs to support these services.

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. 5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

submit to the State a Transition Plan for services under the Agreement.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference.
