14.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

14.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6 Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

15. ADDITIONAL GRANT REQUIREMENTS

15.1 Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction, and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant Funds. The Grantee shall also comply with the conflict of interest requirements of 24 CFR 570.489(h) and approved by CDFA.

15.2 Grantee shall prepare and adopt a financial management plan, approved by CDFA, which describes Grantee's system for receiving and expending Grant Funds including internal controls which shall ensure compliance with applicable provisions. The plan shall be formally adopted prior to requesting Grant Funds.

15.3 Grantee shall submit to CDFA all required documentation of Low- and Moderate-Income individuals in accordance with the reporting requirements of the Subrecipient Agreement. The information shall be provided on the Periodic Progress Report, as found in the CDBG Implementation Guide.

15.4 In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient

Agreement or the Mortgage or security to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Mortgage or security documents. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage or security obligations or in curing any Event of Default thereunder.

15.5 CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of or for the Grantee or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.6 Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

15.7 Political Activity Prohibited – Hatch Act. Neither CDBG funds provided under this Agreement, nor administration of the Program shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, United States Code.

15.8 Lobbying. Grantee certifies that:

15.8.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the parties to this Agreement to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

15.8.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.8.3 The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

15.9 Notice to Prospective Subcontractors of Requirement For Certifications Of Nonsegregated Facilities. Certification of Nonsegregated Facilities as required by the May 9, 1967, Order of the Secretary of Labor (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. The Certification may be submitted either for each subcontract or for all subcontracts during a period (i.e., quarterly, semiannually, or annually).

Prior to the award of any construction contract or subcontract exceeding \$10,000, which is not exempt from the provisions of the Equal Opportunity clause, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

15.9.1 By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that

he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

15.9.2 He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES

NOTE: The penalty for making false statements in offers is prescribed in 18 USC 1001.

16. Publicity and Signage.

16.1 Public Relations. The Grantee shall grant CDFA the right to use the Grantee's name, likeness, and logo in any public relations or publicity efforts. This shall include, but not be limited to, press releases, media interviews, website, publications, brochures, etc. CDFA's publicity efforts may also include details about Grantee's project, contract, or other publically available information.

16.2 Reciprocal Publicity. The Grantee also shall acknowledge CDFA appropriately in all organizational and public forums as to the support, financial and otherwise, that has been provided to the project. This recognition shall include, but not be limited to, print/electronic media, publications, interviews, brochures, website, etc.

16.3 Project Signage. For construction/renovation projects – CDFA logo must be included in signage at the job worksite. CDFA logo may not be any smaller than 50% of the size of the largest logo displayed. This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative – If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition may be used with permission from CDFA.

1.1 **Project Costs:** As used in this Agreement, the term "Project Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. Subrecipient shall meet the requirements of OMB 2 CFR Part 200.

1.2 **Delivery Costs:** As used in this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 **Payment of Project Costs:** Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in CDFA's Community Development Block Grant Implementation Guide.

1.4 **Review by CDFA; Disallowance of Costs:** At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS

3.1 Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. 4. LIMITATIONS ON USE OF FUNDS

4.1 Grant funds are to be used in a manner consistent with the State of New Hampshire Community Development Block Grant Program as approved by the U.S. Department of Housing and Urban Development.

4.2 Grant funds are to be used only in accordance with procedures, requirements and principles specified in 24 CFR 85.

4.3 Grant funds may not, without advance written approval by CDFA, be obligated prior to the Effective Date or subsequent to the Completion Date of the grant period. 4.5 Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

6.1 Any program income, defined as gross income directly generated from the use of CDBG-CV funds, shall be retained by the Subrecipient while this Agreement is active. This income must be expended before any transfer of funds can be made from the CDBG-CV program. All conditions for funding the Subrecipient shall apply to the expenditures of these funds. Any program income on hand when the Agreement expires or received after the Agreement expires shall be paid to CDFA.

ATTACHMENT II

SUBRECIPIENT AGREEMENT MINIMUM TERMS AND CONDITIONS

City of Rochester ("Grantee") hereby warrants and agrees that the Subrecipient Agreement with Community Action Partnership of Strafford County ("Subrecipient") to be executed in conformance with the requirements of Exhibit B of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

RECITALS

A. This Subrecipient Agreement sets forth the responsibilities of the Grantee and Subrecipient in accomplishing the objectives of the United States Government for the CARES Act allocation to the Grantee and of the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant Program, as set forth in the Housing and Community Development Act of 1974, as amended, (42 USC. 5301 et seq.), hereinafter referred to as CDBG.

B. The Grantee is subgranting funds to the Subrecipient to be used to meet the CDBG Program's National Objective to principally benefit persons of low- to moderate-income, which is defined as 80 percent or less of the area's median income, by addressing the CDBG Program goals of providing residents with decent housing, a suitable living environment and expanding economic opportunities and the CDBG-CV goals of preventing, addressing or responding to COVID-19.

C. Based on information provided by the Subrecipient and other local and regional public service agencies/organizations, the Grantee has determined that there will be no duplication of benefits during the same period of performance. See Attachment III attached hereto and made a part hereof this Agreement.

In consideration of the mutual promises and covenants contained herein, the parties hereto agree as follows:

1. REPRESENTATIONS AND WARRANTIES. Subrecipient shall represent and warrant:

1.1 Subrecipient is a duly organized and validly existing New Hampshire non-profit corporation in good standing under the laws of the State of New Hampshire (the "State"). Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, has the power to execute and deliver and perform its obligation under the Subrecipient Agreement and all other documents as applicable to this grant agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with each document's respective terms.

1.3 Subrecipient has complied in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the grant activities.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

1.5 In accordance with the Low Income Housing Tax Credit (LIHTC) requirements, the Subrecipient has created *insert (LIMITED PARTNERSHIP'S NAME)* to serve as the owner of the Project.

Subrecipient, or an affiliate whole owned by Subrecipient, is (*insert LIMITED PARTNERSHIP'S NAME*) sole general partner and shall remain so, subject to removal or withdrawal related to a default as more fully described in the partnership agreement of (*insert LIMITED PARTNERSHIP'S NAME*) for the duration of the 20 year Community Development Block Grant compliance period, as discussed within this agreement, and has the ability to enter into all necessary agreements with the City of Rochester and to bind (*insert LIMITED PARTNERSHIP'S NAME*) terms and conditions set forth within this Subrecipient Agreement. (*insert LIMITED PARTNERSHIP'S NAME*) shall execute this Agreement to evidence that it will comply with and be bound to the terms and conditions hereof.

1.6 The Subrecipient certifies that it maintains a controlling interest in the project and will materially participate in the development and management of the project throughout the compliance period.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

The project shall consist of the awarding of \$500,000 in Community Development Block Grant Coronavirus ("CDBG-CV") funds to the City of Rochester (the "Grantee"), \$475,000 of which is to be subgranted to Community Action Partnership of Strafford County (the "Subrecipient"). Subgranted funds will be used by the Subrecipient to support the rehabilitation of 21 rental-housing units at the affordable housing project known as the Gafney Home situated at 90 Wakefield Street, Rochester, New Hampshire (the "Project").

2.2 Benefit to Low- and Moderate- Income Households.

The general purpose of the project is to principally benefit Low- and Moderate-Income Households as that term is defined in the Grant Agreement: as referenced in 24 CFR 570.483, and as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD's "low- and moderate-income levels" for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA's website at www.nhcdfa.org

Consistent with the National Objectives of the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974, as amended, the Parties agree that 100% of the 21 units served shall be of low- and moderate-income as that term is defined in 24 CFR 570.483.

2.3 Grant of Funds/Matching Funds.

2.3.1 Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement

and Subrecipient Agreement.

2.3.2 Subrecipient shall be subgranted a total of \$475,000 of the CDBG funds, which the Subrecipient shall utilize for the Project in order to carry out the Project Activity.

2.3.2 The Grantee shall retain \$25,000 of the grant for administrative costs associated with management of the Grant.

2.3.3 The Parties agree that the CDBG-CV funds to be awarded pursuant to this Agreement shall be matched with non-CDBG funds in an amount not less than \$3,691,138 to provide additional financing for the Grant Project, including but not limited to an equity investment secured by Low Income Housing Tax Credits allocated to this project by the New Hampshire Housing Finance Authority.

3. SUBRECIPIENT REQUIREMENTS.

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit C.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Project, Subrecipient shall provide Grantee mortgage lien(s) in the amount of \$475,000 (the "Mortgage") on the project properties (the "Property"), or other form of security acceptable to CDFA, as set forth in Exhibit B. Grantee shall submit to CDFA satisfactory evidence of such recording.

The mortgage lien(s) or alternative security shall provide for the recovery by Grantee, on behalf of CDFA, of the total CDBG funds expended on this Project in the event that the low- and moderate-income benefit as defined herein is not maintained for the required twenty-year period commencing upon the completion of the Project. The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a rate negotiated between Grantee and Subrecipient and approved by CDFA.

4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS.

4.1 Subrecipient shall covenant and warrant that one hundred percent (100%) of the 21 units in the Project Property at the completion of the Project shall be occupied by Low- and Moderate-Income Persons as that term is defined in 24 CFR 570.483.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit B of the Grant Agreement, Subrecipient shall certify the number of households at the Project Property are occupied by Low- and Moderate-Income Persons and are benefiting as a result of this Project. Subrecipient shall, for closeout purposes only, gather information on those groups deemed as Protected by HUD and required for reporting on the "Periodic Progress Report" as provided in the most current edition of the CDBG Implementation Guide.

4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as residential property and shall be made available to Low- and Moderate-Income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

If Subrecipient hereafter receives any DOB Assistance, Subrecipient agrees to promptly pay such amounts to the Grantee, if Subrecipient received assistance under the Program in an amount greater than the amount Subrecipient would have received if such DOB Assistance had been considered in the calculation of Subrecipient's award.

City of Rochester – \$500,000 – Gafney Home Senior Housing (Public Facilities)

Subrecipient	Community Action Partnership of Strafford County
Project Name	Gafney Home Senior Housing
Project Location	90 Wakefield Street, Rochester, NH
Request	\$500,000
LMI Beneficiaries	21 households / 21 LMI (100%)
HUD CDBG National Objective	LMH - 14B: Rehab - Multi Family Residential
NH State Category	Housing

Project Summary

The City of Rochester is requesting \$500,000 in CDBG-CV funds to be subgranted to the Community Action Partnership of Strafford County (CAPSC) to renovate the Gafney Home in order to create twenty-one (21) units of housing affordable to elderly households at or below 60% of the area median income.

The Gafney Home is an historic 115-year-old Victorian mansion that provided dorm type accommodations for low- and no-income seniors. It received only minor physical changes and necessary maintenance until it was vacated in 2019 and all residents successfully relocated. CAPSC then purchased the building with the intention of providing affordable housing for the elderly. Extensive renovation and modernization of the Gafney House will result in ten (10) studio units, nine (9) one bedroom units and two (2) two-bedroom units.

Improvements to the Gafney House will include interior demolition and revisions in plumbing and electrical systems to turn the dormitory-style rooms into individual apartments with all of the necessary amenities to make them fully private and compliant with the current building code standards. The wood paneled main entry, sitting room, office and parlor of the mansion are being preserved for tenant use and a community room. The project proposal also includes installation of an elevator, which will improve accessibility for the elderly population, as well as new windows, wheelchair ramps and exterior surface upgrades.

The COVID-19 pandemic has placed immense pressure on a fragile housing market that has high barriers to entry. Senior citizens are a high-risk demographic for COVID-19 and many of them cannot afford or do not possess the resources for market rate rents or to maintain ownership of a single family home. Moreover, 86% of persons aged 65 or older live with a preexisting medical condition. New individual housing units will protect the at-risk population that could otherwise face a greater risk of exposure to COVID-19 if forced into communal housing. The Gafney House will also provide additional at-home health services amenities such as no cost VNA services, assistance with doctor-patient communications and referrals, as well as Wi-Fi and computer access. The Gafney Home project provides the perfect opportunity to keep aging, at-risk persons safe as the community continues to experience the lasting impacts of COVID-19, while creating new affordable independent living units.

The bulk of the \$4.2 million project will be funded through New Hampshire Housing Finance Authority (NHHFA) Low Income Housing Tax Credits and a small amount of NHHFA Capital Subsidy funds. CDBG – CV funds will be used to close the gap. An ASHRAE Level II energy audit and assessment was completed. All aspects of the energy efficiency package will be implemented and comply with the ASHRAE 62.2 guidelines for proper indoor air quality and ventilation which

will make the building more energy efficient and sustainable than its current state. Although not listed in the sources and uses, the valuation of the planned weatherization work currently stands at \$310,000 in rebates to be provided by Eversource and Unitil.

Restoring this property is an opportunity to preserve an historical nexus of architecture, design, community service, and partnerships which have been built over the last century in Rochester.
