His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, NH 03301

REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to amend a Memorandum of Understanding (MOU) with the Department of Health and Human Services (DHHS) (VC# 177926), in Consolidated Appropriations Act, Section 501(a) Emergency Rental Assistance (ERA1) funding for a housing stability program by decreasing the price limitation by \$222,350 from \$1,018,871, to \$796,521 with no change to the completion date of September 30, 2022, effective upon Governor and Council approval. This MOU was originally approved by the Governor and Executive Council on October 27, 2021 (Item#69) and amended on July 27, 2022 (Item#53B). **100% Federal Funds.**

EXPLANATION

This amendment to an existing MOU between DHHS and GOFERR for the purposes of Housing Stability Services as part of New Hampshire's Emergency Rental Assistance Program (NHERAP) by facilitating a Displaced Households Program. It has been mutually agreed upon to continue the MOU but reduce the allocation, as DHHS will not expend the full amount under the agreement in advance of U.S. Treasury established deadlines in the ERA1 program. This amendment will allow for the reallocation of funds to other areas of need in NHERAP.

GOFERR, in agreement with DHHS, is requesting a reduction of \$222,350 for the purposes of reallocating those funds within NHERAP, making them available for use by the New Hampshire Housing Finance Authority (NHHFA) under ERA1 for the provision of rental and utility assistance. NHHFA has facilitated NHERAP under an existing agreement that was first authorized during the State of Emergency on March 12, 2021, and subsequent amendments to that agreement have been approved by the Governor and Executive Council. The \$222,350 being provided to NHHFA will require another amendment to GOFERR's agreement with NHHFA. That amendment is also an item being presented for your consideration and authorization.

Under this amended MOU, GOFERR will reimburse DHHS, in an amount not to exceed \$796,521 for expenses incurred for Housing Stability Services within NHERAP as part of a Displaced Households Program that is being coordinated by DHHS. The program consists of two components:

1) **Intensive Case Management Program** to provide housing stability services to NHERAP eligible displaced households; and

His Excellency, Governor Christopher T. Sununu,
and the Honorable Council
September 13, 2022
Page 2 of 2

2) **Landlord Incentive Outreach Program** to provide outreach and education to increase the number of landlords that accept Housing Choice Vouchers and enter into rental agreements with NHERAP eligible displaced households.

Intensive case management services are provided through agencies with established qualified shelter programs. The focus of the intensive case management services is to assist individuals to move into permanent housing. An important component of the program is the provision of system navigation services to connect individuals with all housing resources that may be available to them in their community.

In an effort to secure housing for these households, the program also includes a Landlord Incentive Outreach Program, which provides outreach and information in an effort to encourage landlords to assist with housing stability for individuals and families who are experiencing or at risk of homelessness. The intent of this is to increase the awareness and availability of programmatic and financial resources for landlords who choose to work with participating shelters to move an individual and/or family into permanent, affordable housing, and also agree to accept Housing Choice Vouchers.

This program fits into the Council on Housing Stability's goal to ensure that homelessness is rare, brief and one-time and recognizes the need to focus on targeted supports for individuals to access permanent housing as well as assisting landlords to become part of the solution.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Chase Hagaman,
Deputy Director, GOFERR

REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to amend a Memorandum of Understanding (MOU) with the Department of Health and Human Services (DHHS) (VC# 177926), in Consolidated Appropriations Act, Section 501(a) Emergency Rental Assistance (ERA1) funding for a housing stability program by decreasing the price limitation by \$2,331,129, from \$3,350,000 to \$1,018,871, with no change to the completion date of September 30, 2022, effective upon Governor and Council approval. This MOU was originally approved by the Governor and Executive Council on October 27, 2021 (Item#69). 100% Federal Funds.
