RICHARD C. BAILEY, JR.  
ASSISTANT COMMISSIONER

EDDIE EDWARDS  
ASSISTANT COMMISSIONER

2B

September 21, 2022

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

### REQUESTED ACTION

Pursuant to RSA 4:8, authorize the Department of Safety, Division of State Police to accept the donation of an installed indoor warning system in the State Police Laboratory with a value of approximately \$1,019.00 from Tasco Security Inc. Effective upon Governor and Council approval.

### EXPLANATION

The Department of Safety, Division of State Police has received a donation of an installed indoor warning system in the State Police Laboratory.

The laboratory is in need of an improved warning system for when the Firearms unit personnel are test firing weapons. Prior to the VOIP telephone system, the lab used the phone paging system to alert everyone that they would be hearing a certain number of test shots being fired and when. When the paging system was no longer available, the firearms analyst needed to walk around and notify people of the shots to be fired. Anyone entering the immediate space after the warnings were given would not be aware of the impending shots. This test fire warning system will allow for warning lights and a bell to indicate when shots would be fired and the number of shots in a more efficient manner, to include both visual and audible warnings.

Respectfully submitted,

Robert L. Quinn  
Commissioner of Safety

*We Bring You Peace of Mind*

August 29, 2022

Stephen Ostrowski  
Supervisor: Pattern Evidence Unit  
New Hampshire State Police Forensic Laboratory  
33 Hazen Drive  
Concord, New Hampshire 03305

Supervisor Ostrowski,

We received your request for bid for an indoor warning system installed in the laboratory. Tasco Security believes strongly in supporting our local first responders. We would be happy to perform this work at no charge to you.

Please let us know if you would like to proceed.

Respectfully,

Tim Surprenant  
President, Tasco Security Inc.
