**EXPLANATION**

The Department of Safety requests authorization to budget funds in the amount of \$13,728.00 from the prior year carry forward balance to purchase replacement equipment for the public safety radio infrastructure. These funds were originally provided to the State of New Hampshire from T-Mobile for the purposes of purchasing replacement microwave communication links between several communication paths that operate for control of two-way radio communications. These remaining funds will be used to purchase a new microwave communication link that will help to enhance the State of New Hampshire public safety radio communications system.

Respectfully submitted,

Robert L. Quinn  
 Commissioner of Safety
