EXPLANATION

For over 50 years, New Hampshire schools have taken part in the State and National Teacher of the Year Program. These awards build community awareness of our state’s finest educators, while providing positive messages about the teaching profession. The New Hampshire Department of Education (NHED) hopes that by recognizing the state's many excellent educators, more people will consider a career in education, and local communities will invest enough resources to attract the highest caliber professionals. It is only with such educators that our children will learn the skills necessary to succeed.

It is encouraging to be able to honor educators who are working to provide a quality education to each student in New Hampshire. Properly guided, awards programs can reach out to stake holders and strengthen positive messages about the teaching profession

An invitation to bid was sent electronically to the Doubletree by Hilton Manchester Downtown, DoubleTree in Nashua, Courtyard Marriott in Nashua and Murphy's Taproom and Carriage House in Bedford. These locations were selected to acquire quotes from as many of the Teacher of the Year finalists live and work in the general area of these venues, making it easier for them and their school personnel to attend this event. The NHED received quotes from 3 out of 4 locations. Murphy's Taproom and Carriage House has been selected because it is the best value, meets the required meeting space, is available on the preferred date to accommodate this event, and has free parking for attendees. See Attachment A.

In the spirit of transparency, the contract with Murphy's Taproom is attached to this request even though Governor and Council approval is not required.

In the event Other Funds become no longer available, General Funds will not be requested to support this event.

Respectfully submitted,

Frank Edelblut
