II. Appointments

a. Emergency Management Performance Grant (EMPG) – Emergency Operations Center (EOC), Ed Mical, Select Board's signature

Ed Mical, Emergency Management Director, said last fall he submitted a grant application to homeland security. Due to Covid, it had taken considerable time for the State to review the application. The requested funds are meant to pay to install security equipment at the Emergency Operations Center (EOC), which is located at the Warner fire station. The original amount requested was \$17,000 - \$18,000 but because of increases in prices, the State gave them the opportunity to ask for up to \$22,000. Ed noted that the grant is a 50/50 match, so the Town will need to match the grant. He said that outside of the \$22,000 for equipment, the rest of the funding will come from the regular operating budget for Emergency Management. He had included an amount for the grant in his budget (\$17,000), so anything they get above the \$17,000 will need to come from his budget. Ed said that part of the 50/50 will pay for things like stipends and office supplies.

Christine thanked Ed for all his work on this. Ed said he believes the deadline to use the funds is sometime in 2024.

A motion was made by the Board of Selectmen to accept the terms of the Emergency Management Performance Grant as presented in the amount of \$22,000.00 for the purchase and installation of security equipment that will increase and enhance the current security capabilities at Warner's Emergency Operations Center. Furthermore, the Board acknowledges that the total project costs will be \$44,000.00, in which the town will be responsible for a 50% match (\$22,000) of in-kind services.

The motion was approved unanimously.

b. Red Chimney Road Easement – Status

i. Tim Allen, Director Department of Public Works

Tim said he hasn't heard back from Department of Environmental Services (DES) on how this funding can be used. He said that Department of Environmental Services (DES) had recommended doing away with the rain gardens and making some other alternations. Regardless of this, the particular structure they need to put in for the crossing will need an easement from the landowner so they can maintain whatever they put in.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General-Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
