See attached fiscal details.

EXPLANATION

The Department released a Request for Applications (RFA) in September 2022 to solicit competitively for the provision of these services statewide. This request is **Sole Source** because the Department did not receive any applications for the counties listed above in response to the RFA. These funds were approved by Governor and Council on September 7, 2022, item #25A, and approved by Fiscal Committee on September 9, 2022. There is not enough time to re-release the RFA and have services in these counties in place before the start of winter; the Department is therefore requesting to enter into Sole Source contracts. The Contractors have existing agreements with the Department to provide other housing services in these areas and are therefore uniquely experienced and qualified to assist with the provision of cold weather solutions for the population to be served.

The purpose of this request is to provide services to assist with the operation of cold weather solutions for individuals and families experiencing homelessness and assist with mitigation of the negative outcomes of homelessness this upcoming winter. Award amounts were determined by dividing the first half of the funds evenly across all counties and then distributing the remaining funds based on the January 2022 preliminary Point in Time count data for each county. The Contractors will engage with all municipalities and related service providers for their county. They will be flexible and reflective of the needs of the county, including but not limited to:

- Partial funding of a cold weather shelter.
- Hotel stays.
- Other alternatives to provide shelter.
- Coordination of referrals to related services.
- Transportation to shelter solution.

At a minimum, approximately 78 individuals will be served during State Fiscal Year 2023.

The population to receive these services are NH citizens who are experiencing homelessness, who are in need of appropriate shelter during the winter and cold weather months. The Contractors will provide access to emergency shelter and related services specifically to provide safety in cold weather to individuals and families who are unable to access year-round emergency shelter services. The Contractors will:

- Ensure that community plans that include a cold weather shelter must, have shelter designed to meet the basic needs of individuals and families who have no other housing options and who would otherwise be without a place to sleep during the winter months.
- Ensure each individual's basic needs are met, including, at a minimum, a safe, protective, and sanitary environment on a short-term emergency or transitional basis, as described in RSA 126-A:26.
- Provide a low-barrier shelter with no pre-conditions for entry during cold weather. Terminations from shelter will only be due to threats to the safety of the individual or others.

As referenced in Exhibit A, Revisions to Standard Agreement Provisions, Section 1, Subsection 1.1. of the attached agreements, the parties have the option to extend the agreements for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties, and Governor and Council approval.

Should the Governor and Council not authorize this request for critical safety net services, there will be a gap in emergency cold weather services throughout the upcoming winter months, leaving people experiencing unsheltered homelessness at risk of fatality.

Source of Federal Funds: Assistance Listing Number #21.023, FAIN # ERA0012 and #ERA0435

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Lori A. Shibinette
Commissioner

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

Cross Roads House, Inc.
Portsmouth, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of Cross Roads House, Inc. (a nonprofit organization) as of June 30, 2021, which comprise the statement of financial position and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cross Roads House, Inc. as of June 30, 2021, and the changes in its net assets and its' cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with accounting principles generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Cross Roads House, Inc.'s internal control over financial reporting on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering whether Cross Roads House, Inc.'s internal control over financial reporting and compliance.

The purpose of the organization is to provide safe and supportive emergency and transitional shelter to individuals and families experiencing homelessness in southeastern New Hampshire.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net assets with donor restrictions are reclassified to net assets without donor restrictions upon satisfaction of the time or purpose of the restriction.

Cash and Cash Equivalents

NOTE C - INVESTMENTS AT FAIR VALUE

Cross Roads House records its marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets, in the statement of activities.

Following is a description of the valuation methodologies used for assets measured at fair value.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Organization reports under the Fair Value Measurements, which established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices inactive markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Cross Roads House, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Cross Roads House, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 27, 2021.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Cross Roads House, Inc.'s internal control over financial reporting (internal control) in order to determine our audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of Cross Roads House, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Cross Roads House, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Cross Roads House, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

DocuSign Envelope ID: 2BC133CC-B9CA-4ECA-8E76-3AD84F18457F

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Cross Roads House, Inc.

Report on Compliance for Each Major Federal Program

We have audited Cross Roads House, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Cross Roads House, Inc.'s major federal programs for the year ended June 30, 2021. Cross Roads House, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Cross Roads House, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Cross Roads House, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Cross Roads House, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Cross Roads House, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of Cross Roads House, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Cross Roads House, Inc.'s internal control over compliance with

DocuSign Envelope ID: 2BC133CC-B9CA-4ECA-8E76-3AD84F18457F

the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Cross Roads House, Inc.'s internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

"For ten years, I had the honor of watching Dr. Arvelo transform Great Bay Community College from a small, unengaged community college into one of the most respected and engaged colleges in the region. One of Will's greatest strengths is his ability to bring out the best in others. He empowers his direct reports to lead. He inspires the community, internal and external, to believe and invest in the organizational mission. Most impressive is his ability to move seamlessly and garner respect from students, staff, faculty, business, and community leaders. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of The Lakes Region Mental Health Center, Inc.

Opinion

We have audited the accompanying financial statements of The Lakes Region Mental Health Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Lakes Region Mental Health Center, Inc. as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Lakes Region Mental Health Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lakes Region Mental Health Center, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Lakes Region Mental Health Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Lakes Region Mental Health Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Analysis of Accounts Receivables, the Analysis of BBH Revenues, Receipts & Receivables and schedules of functional public support, revenues, and expenses on pages 13-16 are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization
The Lakes Region Mental Health Center, Inc. (the Center) is a not-for-profit corporation, organized under New Hampshire law to provide services in the areas of mental health, and related non-mental health programs; it is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. In addition, the Center qualifies for the charitable contribution deduction under Section 170 (b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Depreciation
The cost of property, equipment and leasehold improvements is depreciated over the estimated useful life of the assets using the straight line method. Estimated useful lives range from 3 to 40 years.

State Grants
The Center receives a number of grants from and has entered into various contracts with the State of New Hampshire related to the delivery of mental health services.

Vacation Pay and Fringe Benefits
Vacation pay is accrued and charged to the programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on the programs.

Income Taxes
Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after June 30, 2019, remain open for potential examination by major tax jurisdictions, generally for three years after they were filed.

Revenue
Revenue from federal, state and other sources is recognized in the period earned.

Client Service Revenue
The Center recognizes client service revenue in accordance with ASC Topic 606. Client Service Revenue is reported at the amount that reflects the consideration the corporation expects to receive in exchange for the services provided. These amounts are due from patients or third party payers and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Client service revenue is recognized as performance obligations are satisfied. The Center recognized revenue for mental health services in accordance with ASC 606, Revenue for contracts with Customers. The Center has determined that these services included under the daily or monthly fee have the same timing and pattern of transfer and are a series of distinct services that are considered one performance obligation which is satisfied over time.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Client Service Revenue (continued)
The Center receives revenues for services under various third-party payer programs which include Medicaid and other third-party payers. The transaction price is based on standard charges for services provided to residents, reduced by applicable contractual adjustments, discounts, and implicit pricing concessions. The estimates of contractual adjustments and discounts are based on contractual agreements, discount policy, and historical collection experience. The corporation estimates the transaction price based on the terms of the contract with the payer, correspondence with the payer and historical trends.

Client service revenue (net of contractual allowances and discounts but before taking account of the provision for bad debts) recognized during the year ended June 30, 2022 totaled $13,133,432, of which $12,953,918 was revenue from third-party payers and $179,514 was revenue from self-pay clients.

Third Party Contractual Arrangements
A significant portion of patient revenue is derived from services to patients insured by third-party payors. The center receives reimbursement from Medicare, Medicaid, Blue Cross, and other third-party insurers at defined rates for services rendered to patients covered by these programs. The difference between the established billing rates and the actual rate of reimbursement is recorded as allowances when recorded. A provision for estimated contractual allowances is provided on outstanding patient receivables at the balance sheet date.

Basis for Presentation
The financial statements of the Center have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August, 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Orgnizations" (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net asset of the Center and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor imposed restrictions and may be expended for any purpose in performing the primary objectives of the Center. The Center's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Center or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable
Accounts receivable are recorded based on the amount billed for services provided, net of respective allowances.

Policy for Evaluating Collectability of Accounts Receivable
In evaluating the collectability of accounts receivable, the Center analyzes past results and identifies trends for each major payer source of revenue for the purpose of estimating the appropriate amounts of the allowance for doubtful accounts. Data in each major payer source is regularly reviewed to evaluate the adequacy of the allowance for doubtful accounts. Specifically, for receivables relating to services provided to clients having third-party coverage, an allowance for doubtful accounts and a corresponding provision for bad debts are established for amounts outstanding for an extended period of time and for third-party payers experiencing financial difficulties; for receivables relating to self-pay clients, a provision for bad debts is made in the period services are rendered based on experience indicating the inability or unwillingness of clients to pay amounts for which they are financially responsible.

Based on management's assessment, the Center provides for estimated uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Center has used reasonable collection efforts are written off through a change to the valuation allowance and a credit to accounts receivable.

The allowance for doubtful accounts was $930,000 and $1,071,000 for the years ended June 30, 2022 and 2021, respectively. Total patient accounts receivable increased to $1,382,449 as of June 30, 2022 from $1,130,488 at June 30, 2021. As a result of changes to payer mix present at year end the allowance as a percentage of total accounts receivable decreased to 67% from 95% of total patient accounts receivable.

Advertising
Advertising costs are expensed as incurred. Total costs were $68,619 at June 30, 2022 and consisted of $25,478 for recruitment and $43,141 for agency advertising.

NOTE 2 CLIENT SERVICE REVENUES FROM THIRD PARTY PAYORS

The Center has agreements with third-party payors that provide payments to the Center at established rates. These payments include:

New Hampshire and Managed Medicaid
The Center is reimbursed for services from the State of New Hampshire and Managed Care Organizations (MCOs) for services rendered to Medicaid clients. Payments for these services are received in the form of monthly capitation amounts that are predetermined in a contractual agreement with the MCOs.

Approximately 88% of program service fees is from participation in the State and Managed Care Organization sponsored Medicaid programs for the year ended June 30, 2022.

NOTE 2 CLIENT SERVICE REVENUES FROM THIRD PARTY PAYORS (continued)

Laws and regulations governing the Medicaid programs are complex and subject to interpretation and change. As a result, it is reasonably possible that recorded estimates could change materially in the near term.

As part of the contractual arrangement with the MCOs, the Center is required to provide a specific amount of services under an arrangement referred to as a Maintenance of Effort (MOE). Under the MOE, if levels of service are not met the Center may be subject to repayment of a portion of the revenue received. The MOE calculation is subject to interpretation and a source of continued debate and negotiations with MCOs. This MOE calculation may result in a liability that would require a payback to the MCOs. For the year ended June 30, 2022, the Center has estimated that it missed all three MOE requirements with the MCO's and has estimated a total payback of $490,000 which is recorded as an accrued expense.

The Center receives money under various State and Federal grants. Under the terms of these grants, the Center is required to use the money within the grant period for purposes specified in the grant proposal and is subject to compliance reviews and audits by the grantor agencies. It is the opinion of management that any liability, resulting from future grantor agency audits of completed grant contracts, would not be material in relation to the overall financial statements.

NOTE 11 FAIR VALUE MEASUREMENTS

Professional accounting standards require a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

NOTE 11 FAIR VALUE MEASUREMENTS (continued)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under these professional accounting standards are described below:

Basis of Fair Value Measurement

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

All investments are categorized as Level 1 and recorded at fair value, as of June 30, 2022. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 12 CONCENTRATIONS OF CREDIT RISK

NOTE 14 RISKS & UNCERTAINTIES

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statement of financial position as of May 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Southwestern Community Services, Inc. and related companies as of May 31, 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Southwestern Community Services, Inc. and related companies' 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 5, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended May 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedules of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the Schedules of Functional Revenues and Expenses, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 22, 2021, on our consideration of Southwestern Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwestern Community Services, Inc.'s internal control over financial reporting and compliance.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting

The consolidated financial statements of the Organization have been prepared utilizing the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

The consolidated financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications. The classes of net assets are determined by the presence or absence of donor-imposed restrictions.

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

As of May 31, 2021 and 2020, the Organization had net assets without donor restrictions and with donor restrictions.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended May 31, 2020 from which the summarized information was derived.

Refundable Advances

The Organization records grant and contract revenue as refundable advances until it is expended for the purpose of the grant or contract, at which time it is recognized as revenue.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

In-Kind Support

The Organization records various types of in-kind support including professional services and materials. Contributed professional services are recognized if the service received creates or enhances long-lived assets or requires specialized skill, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received.

Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all liquid investments purchased with original maturities of three months or less to be cash equivalents.

The following table provides a reconciliation of cash and restricted cash reported within the statements of financial position that sum to the total in the statements of cash flows as of May 31:

	2021	2020
Cash, operations	$ 1,722,941	$ 1,400,153
Cash escrow and reserve funds	1,471,741	809,897
Total cash and restricted cash	$ 3,194,682	$ 2,210,050

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance for uncollectible accounts was estimated to be zero at May 31, 2021 and 2020. The Organization has no policy for charging interest on overdue accounts.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Current Vulnerability Due to Certain Concentrations

The Organization is operated in a heavily regulated environment. The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or Legislature. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change. For the years ended May 31, 2021 and 2020, approximately 71% and 69%, respectively, of the Organization's total revenue was received from government agencies. The future nature of the Organization is dependent upon continued support from the government.

Concentration of Credit Risk

The Organization maintains its cash accounts in several financial institutions, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to these accounts.

Property and Depreciation

Purchased property and equipment are stated at cost at the date of acquisition or at fair value at the date of receipt in the case of donated property. The Organization generally capitalizes and depreciates all assets with a cost greater than $5,000 and an expected life greater than one year. Depreciation is provided for using the straight-line method in amounts designed to amortize the cost of the assets over their estimated useful lives as follows:

Buildings and improvements	10 - 40 Years
Vehicles and equipment	5 - 10 Years
Furniture and fixtures	7 Years

The use of certain assets is specified under the terms of grants received from agencies of the federal government. These grants also place liens on certain assets and impose restrictions on the use of funds received from the disposition of the property. Depreciation expense for the years ended May 31, 2021 and 2020 totaled $909,155 and $663,252, respectively.

Advertising

The Organization expenses advertising costs as incurred.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

Southwestern Community Services, Inc. and SCS Management Corporation are exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and are not private foundations. As such, they are exempt from income tax on their exempt function income.

SCS Housing, Inc., SCS Development Corporation and SCS Housing Development, Inc. are taxed as corporations. SCS Housing Inc. has federal net operating loss carryforwards available for the May 31, 2021 and 2020 tax returns totaling $1,230,191 and $1,135,222, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2027. SCS Development Corporation has federal net operating loss carryforwards totaling $542 and $555 at May 31, 2021 and 2020, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2022. SCS Housing Development, Inc. has federal net operating loss carryforwards totaling $59,861 and $35,574 at May 31, 2021 and 2020, respectively. These loss carryforwards may be offset against future taxable income and, if not used, will begin to expire in 2035.

The tax effects of the carryforwards as related to deferred tax assets is as follows as of May 31, 2021 and 2020:

	2021	2020
Tax benefit from loss carryforwards	$271,025	$246,404
Valuation allowance	(271,025)	(246,404)
Deferred tax asset	$ -	$ -

Drewsville, Troy Senior, Winchester, Keene East Side, Swanzey, Snow Brook, Keene Highland, and Warwick are taxed as partnerships. Federal income taxes are not payable by, or provided for these entities. Earnings and losses are included in the partners' federal income tax returns based on their share of partnership earnings. Partnerships are required to file income tax returns with the State of New Hampshire and pay an income tax at the state's statutory rate.

Accounting Standard Codification No. 740, "Accounting for Income Taxes," established the minimum threshold for recognizing, and a system for measuring, the benefits of tax return positions in financial statements. Management has analyzed the Organization's tax position taken on its income tax returns for all open years and has concluded that no additional provision for income taxes is necessary in the Organization's financial statements.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value of Financial Instruments

FASB ASC Topic No. 820-10, Financial Instruments, provides a definition of fair value which focuses on an exit price rather than an entry price, establishes a framework in generally accepted accounting principles for measuring fair value which emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and requires expanded disclosures about fair value measurements. In accordance with ASC 820-10, the Organization may use valuation techniques consistent with market, income and cost approaches to measure fair value. As a basis for considering market participant assumptions in fair value measurements, Topic 820-10 establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair values. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. The three levels of the fair value hierarchy under ASC Topic 820-10 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The carrying amount of cash, accounts receivables, prepaid expenses, accounts payable, accrued expenses, and refundable advances approximates fair value because of the short maturity of those instruments.

Revenue Recognition

Amounts received from conditional grants and contracts received for specific purposes are generally recognized as income to the extent that related expenses and conditions are incurred or met. Conditional grants received prior to the conditions being met are reported as refundable advances. Contributions of cash and other assets are reported as with donor restrictions if they are received with donor imposed stipulations that limit the use of the donated assets. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as without donor restrictions.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition (continued)

Program Service Revenue
Program service revenue is recognized as revenue when the services are performed.

Rental Revenue
The Organization derives revenues from the rental of apartment units. Revenues are recognized as income, monthly, when rents become due and control of the apartment units is transferred to the lessees. The individual leases are for a term of one year and are cancelable by the tenants. Control of the leased units is transferred to the lessee in an amount that reflects the consideration the Partnership expects to be entitled to in exchange for the leased units. The cost incurred to obtain a lease will be expensed as incurred.

Performance Obligations and Contract Assets and Liabilities
The performance obligations related to the lease contracts and program services are satisfied at a point in time. Revenue from performance obligations satisfied at a point in time consist of monthly rental payments and fees for program services. There are no contract assets or liabilities for the years ended May 31, 2021 and 2020.

New Accounting Pronouncement

In May 2014, FASB issued ASU 2014-09 (Topic 606) – Revenue from Contracts with Customers. The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The ASU also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue from cash flows arising from contracts with customers. The Organization adopted the new standard effective June 1, 2020, the first day of the Organization's fiscal year using the modified retrospective approach. The adoption did not result in a change to the accounting for any of the applicable revenue streams; as such, no cumulative effect adjustment was recorded. See revenue recognition policy above.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Natural expenses are defined by their nature, such as salaries, rent, supplies, etc. Functional expenses are classified by the type of activity for which expenses are incurred, such as management and general and direct program costs. Expenses are allocated by function using a reasonable and consistent approach that is primarily based on function and use.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Allocation of Expenses (continued)
The costs of providing certain program and supporting services have been directly charged.

The Organization submits an indirect cost rate proposal for the paid leave, fringe benefits and other indirect costs to the U.S. Department of Health and Human services. The indirect cost rate is 12% effective from June 1, 2019 through May 31, 2022.

NOTE 2 BANK LINE OF CREDIT

The Organization has a $250,000 revolving line of credit agreement with a bank. Interest is due monthly and is stated at the Wall Street Journal Prime Rate or at a floor rate of 4%. The line is secured by all the Organization's assets. As of May 31, 2021 and 2020, the interest rate was 4%. There was no outstanding balance at May 31, 2021 and 2020.

The impact of the novel coronavirus (COVID-19) and measures to prevent its spread are affecting the Organization's operations. The significance of the impact of these disruptions, including the extent of their adverse impact on the Organization's financial operational results, will be dictated by the length of time that such disruptions continue and, in turn, will depend on the currently unknowable duration of the COVID-19 pandemic and the impact of governmental regulations that might be imposed in response to the pandemic. The Organization's business could also be impacted should the disruptions from COVID-19 lead to changes in consumer behavior. COVID-19 also makes it more challenging for management to estimate future performance of the businesses, particularly over the near to medium term.

(a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statement of financial position as of May 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows, for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 22, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Southwestern Community Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

DocuSign Envelope ID: 7462AFAB-3195-4F72-9DD8-2628FE7FE726

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwestern Community Services, Inc.'s consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors of
Southwestern Community Services, Inc.
Keene, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Southwestern Community Services, Inc.'s (a New Hampshire nonprofit corporation) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southwestern Community Services, Inc.'s major federal programs for the year ended May 31, 2021. Southwestern Community Services, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Southwestern Community Services, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southwestern Community Services, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southwestern Community Services, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Southwestern Community Services, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended May 31, 2021.

Report on Internal Control Over Compliance

Management of Southwestern Community Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southwestern Community Services, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southwestern Community Services, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Tri-County Community Action Program, Inc. and Affiliate (New Hampshire nonprofit organizations), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, the related consolidated statements of functional expenses and cash flows for the years then ended, the related consolidated statement of activities for the year ended June 30, 2021 and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Opinion
In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Tri-County Community Action Program, Inc. and Affiliate as of June 30, 2021 and 2020, and its consolidated cash flows for the years then ended, and the changes in its net assets for the year ended June 30, 2021, in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information
We have previously audited Tri-County Community Action Program, Inc. and Affiliate's 2020 consolidated financial statements, and we expressed an unmodified audit opinion on those consolidated financial statements in our report dated October 28, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Information
Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*
In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2020, on our consideration of Tri-County Community Action Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tri-County Community Action Program, Inc.'s internal control over financial reporting and compliance.

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Principles of Consolidation

The consolidated financial statements include the accounts of Tri-County Community Action Program, Inc. and its affiliate, Cornerstone Housing North, Inc. The two organizations are consolidated because Tri-County Community Action Program, Inc. controls 100% of the voting power of Cornerstone Housing North, Inc. All significant intercompany items and transactions have been eliminated from the basic financial statements. Tri-County Community Action Program, Inc. (the Organization) is a New Hampshire non-profit corporation that operates a wide variety of community service programs which are funded primarily through grants or contracts from various federal, state, and local agencies. Cornerstone Housing North, Inc. (Cornerstone) is a New Hampshire nonprofit corporation that was incorporated under the laws of the State of New Hampshire for the acquisition, construction and operation of community-based housing for the elderly.

Nature of activities

The Organization's programs consist of the following:

Agency

Tri-County CAP Administration provides central program management support and oversight to the Organization's many individual programs. This includes planning and budget development, bookkeeping and accounting, payroll and HR services, legal and audit services, IT support, management support, financial support and central policy development.

Tri-County CAP Administration is the liaison between Tri-County Community Action Program, Inc.'s, Board of Directors and its programs, ensuring that programs comply with agreements made by the Board to funding sources and vendors.

Other responsibilities include the management and allocation of funding received through a Community Services Block Grant, as well as management of the Organization's real estate property.

Head Start

Head Start provides comprehensive services to low-income children and their families. Head Start supports children's growth and development in a positive learning environment through a variety of activities as well as providing services, which include in addition to early learning, health and family well-being. All children receive health and development screenings, nutritious meals, oral health and mental health support. Programs support and strengthen parent-child relationships as their child's primary educator. Head Start staff work as partners with parents to identify and provide individualized activities that support their child's growth and development.

Tri-County Community Action Head Start serves approximately 250 children in Carroll, Coos & Grafton counties in 9 locations with 13 center-based classrooms and 1 home-based option.

Guardianship

The Organization's Guardianship program provides advocacy and guardian services for the vulnerable population of New Hampshire residents (developmentally disabled, chronically mentally ill, traumatic brain injury, and the elderly suffering from Alzheimer's, dementia, and multiple medical issues) who need a guardian and who have no family member or friend willing, able, or suitable to serve in that capacity. This program serves over 400 individuals. Additional services include, conservatorship, representative payee-ship, federal fiduciary services, benefit management services and private probate accounting services.

Transportation

The Organization's transit program provides various transportation services: public bus routes, door-to-door service by request, long distance medical travel to medical facilities outside our regular service area, and special trips for the elderly to go shopping and enjoy other activities that are located outside the regular service area. The Organization's fleet of 17 wheelchair accessible vehicles offers transportation options to the elderly and disabled, as well as to the general public.

Volunteer

The Coos County Retired & Senior Volunteers Program (RSVP) maintains a minimum group of 393 volunteers, ages 55 and older, of which 225 actively served during the last reporting period. These volunteers share their skills, life experiences, and time with over 60 local non-profit and public agencies throughout Coos County that depend on volunteer assistance to meet the needs of their constituents. Our volunteers donate over 28,000 hours yearly.

The Organization's elder program provides senior meals in 14 community dining sites, home delivered meals (Meals on Wheels) to the frail and homebound elderly, and senior nutrition education and related programming. The Coos County ServiceLink Aging & Disability Resource Center assists with person-centered counseling, Medicare counseling, Medicaid assistance, long-term care counseling services, and caregiver supports.

Housing Services

Cornerstone Housing North, Inc. (Cornerstone) is subject to a Project Rental Assistance Contract (PRAC) with the United States Department of Housing and Urban Development (HUD), and a significant portion of their rental income is received from HUD.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Cornerstone has a Section 202 Capital Advance. Under guidelines established by the U.S. Office of Management and Budget *Uniform Guidance, Title 2 U.S. Code of Federal Regulations (CFR) part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards,* the Section 202 Capital Advance is considered to be a major program. A separate audit of Cornerstone's compliance with its major federal program in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements of *Title 2 of U.S. Code of Federal Regulations part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements of Federal Awards (Uniform Guidance*). An unmodified opinion was issued.

Method of accounting

The consolidated financial statements of Tri-County Community Action Program, Inc. have been prepared utilizing the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, as promulgated by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under this basis, revenue, other than contributions, and expenses are reported when incurred without regard to the date of receipt or payment of cash.

Basis of presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions include net assets that are not subject to any donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions include net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

The Organization has net assets with donor restrictions of $483,385 and $596,550 at June 30, 2021 and 2020, respectively. See **Note 13**.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Support that is restricted is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Most of the receivables are amounts due from federal and state awarding agencies and are based on reimbursement for expenditures made under specific grants or contracts. A portion of the accounts receivable balance represents amounts due from patients at Carroll County Dental program. Past due receivables are written off at management's discretion using the direct write off method; this is not considered a departure from accounting principles generally accepted in the United State because the effects of the direct write off method approximate those of the allowance method. Management selects accounts to be written off after analyzing past payment history, the age of the accounts receivable, and collection rates for receivables with similar characteristics, such as length of time outstanding. The Organization does not charge interest on outstanding accounts receivable.

Property and Depreciation

Acquisitions of buildings, equipment, and improvements in excess of $5,000 and all expenditures for repairs, maintenance, and betterments that materially prolong the useful lives of assets are capitalized. Buildings, equipment, and improvements are stated at cost less accumulated depreciation. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets.

Depreciation expense related to assets used solely by an individual program is charged directly to the related program. Depreciation expense for assets used by more than one program is charged to the program based upon a square footage or other similar allocation.

Depreciation expense related to administrative assets is included in the indirect cost pool and charged to the programs in accordance with the indirect cost plan. Maintenance and repairs that do not materially prolong the useful lives of assets are charged to expense as incurred.

Estimated useful lives are as follows:

Buildings and improvements	20 to 40 years
Vehicles	5 to 8.5 years
Furniture and equipment	5 to 15 years

Client Rents and HUD Rent Subsidy

Cornerstone Housing North, Inc.'s rents are approved on an annual basis by the Department of Housing and Urban Development. Rental increases are prohibited without such approval. The clients are charged rent equal to 30% of their income less adjustments allowed by the Department of Housing and Urban Development. Rent subsidies are received from the Department of Housing and Urban Development for the difference between the allowed rents and the amounts received from the clients.

Refundable Advances

Grants received in advance are recorded as refundable advances and recognized as revenue in the period in which the related services or expenditures are performed or incurred. Funds received in advance of grantor conditions being met aggregated $324,140 and $181,463 as of June 30, 2021 and 2020, respectively.

Nonprofit tax status

The Organization is a *not-for-profit* Section 501(c)(3) organization in accordance with the Internal Revenue Code. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and qualifies for a charitable contribution deduction for donors. The Organization files information returns in the United States. The Organization's Federal Form 990 (Return of Organization Exempt from Income Tax), is subject to examination by the IRS, generally for three years after it is filed.

The Organization follows FASB ASC 740, *Accounting for Income Taxes,* which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. The Organization does not believe they have taken uncertain tax positions, therefore, a liability for income taxes associated with uncertain tax positions has not been recognized.

Cornerstone Housing North, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined the Organization to be other than a private foundation within the meaning of Section 509(a).

Retirement plan

The Organization maintains a tax-sheltered annuity plan under the provisions of Section 403(b) of the Internal Revenue Code. All employees are eligible to contribute to the plan beginning on the date they are employed. Each employee may elect salary reduction agreement contributions in accordance with limits allowed in the Internal Revenue Code. Employer contributions are at the Organization's annual discretion. In January 2013, employer contribution payments ceased, therefore as of June 30, 2021 and 2020, there were no discretionary contributions recorded. Further information can be obtained from the Organization's 403(b) audited financial statements.

Donated services and goods

Contributions of donated services that create or enhance non-financial assets or that require specialized skills and would typically need to be purchased if not provided by donation are recorded at their fair values in the period received.

Contributed noncash assets are recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as net assets with donor restrictions. In the absence of such stipulations, contributions of noncash assets are recorded as net assets without donor restrictions.

Donated property and equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Promises to Give

Conditional promises to give are not recognized in the financial statements until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at the net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. In the absence of donor stipulations to the contrary, promises with payments due in future periods are restricted to use after the due date. Promises that remain uncollected more than one year after their due dates are written off unless the donors indicate that payment is merely postponed. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. There were no unconditional promises to give that are expected to be collected in more than one year at June 30, 2021 and 2020.

As of June 30, 2021 and 2020, there were promises to give that were absent of donor stipulations, but restricted in regards to timing, and therefore classified as net assets with donor restrictions in the amount of $216,423 and $307,017, respectively. This amount is included in grants and contracts on the Consolidated Statement of Activities.

Use of estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments

Accounting Standards Codification No. 825 (ASC 825), *Disclosures of Fair Value of Financial Instruments*, requires the Organization to disclose fair values of its financial instruments. The carrying amount of the Organization's financial instruments which consists of cash, accounts receivable, deposits and accounts payable, approximate fair value because of the short-term maturity of those instruments.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Program salaries and related expenses are allocated to the various programs and supporting services based on actual or estimated time employees spend on each function as reported on a timesheet.

Workers Compensation expenses are charged to each program based upon the classification of each employee and allocated to the various program based upon the time employees spend on each function as noted above.

Paid Leave is charged to a leave pool and is allocated to each program as a percentage of total salaries.

Fringe Benefits are charged to a Fringe Benefit Pool. These expenses include employer payroll taxes, pension expenses, health and dental insurance and unemployment compensation. The pool is allocated to each program based upon a percentage of salaries.

Depreciation expense is allocated to each program based upon specific assets used by the program and is reported as depreciation expense on the statements of functional expenses.

Other occupancy expenses are applicable to assets which are used by multiple programs. Buildings are primarily charged to the benefiting program based upon an analysis of square footage. Costs related to a building include depreciation, insurance, utilities, building maintenance, etc. These costs are reported as space costs on the statements of functional expenses.

Insurance: automobile insurance is allocated to programs based on vehicle usage; building liability insurance is allocated to programs based on square footage of the buildings; and insurance for furniture and equipment is allocated to programs using the book basis of the insured assets.

The remaining shared expenses are charged to an Indirect Cost Pool and are allocated to each program based upon a percentage of program expenses. The expenses include items such as administrative salaries, general liability insurance, administrative travel, professional fees, and other expenses which cannot be specifically identified and charged to a program.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

The Organization submits an indirect cost rate proposal for the paid leave, fringe benefits and other indirect costs to the U.S. Department of Health and Human Services. The proposal, effective for the fiscal year beginning July 1, 2020, received provisional approval and is effective, until amended, at a rate of 12%. Per the agreement with the U.S. Department of Health and Human Services, the Organization's final rate for the year ended June 30, 2020 was 10.80%. The actual rate for the year ended June 30, 2021 was approximately 11.37%, which is allowable because it is less than the provisional rate.

Advertising policy

The Organization uses advertising to inform the community about the programs it offers and the availability of services. Advertising is expensed as incurred. The total cost of advertising for the years ended June 30, 2021 and 2020 was $28,130 and $25,483, respectively.

Debt Issuance Costs

During the year ended June 30, 2019, the Organization retrospectively adopted the provisions of the FASB Accounting Standards Update (ASU) No. 2015-03, "*Simplifying the Presentation of Debt Issuance Costs.*" The ASU is limited to simplifying the presentation of debt issuance costs, and the recognition and measurement guidance for debt issuance costs is not affected by the ASU. Amortization expense of $887 has been included with interest expense in the consolidated statements of functional expenses for both 2021 and 2020.

Revenue Recognition Policy

The Organization derives revenue primarily from grants, contracts, and contributions. Grants are recognized as revenue upon receipt. Revenue from contracts is recognized when the service has been performed. Contributions are recognized as revenue when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as with donor restrictions or without donor restrictions.

New Accounting Pronouncement

In May 2014, FASB issued ASU 2014-09 (Topic 606) – Revenue from Contracts with Customers. The ASU and all subsequently issued clarifying ASUs replaced the most existing revenue recognition guidance in U.S. GAAP. The ASU also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue from cash flows arising from contracts with customers. The Organization adopted the new standard effective July 1, 2020, the first day of the Organization's fiscal year using the modified retrospective approach. The adoption did not result in a change to the accounting for any of the applicable revenue streams; as such, no cumulative effect adjustment was recorded. See revenue recognition policy above.

Other Matters

The impact of the novel coronavirus (COVID-19) and measures to prevent its spread continue to affect the Organization's business. The significance of the impact of these disruptions, including the extent of their adverse impact on the Organization's financial operational results, will be dictated by the length of time that such disruptions continue and, in turn, will depend on the currently unknowable duration of the COVID-19 pandemic and the impact of governmental regulations that might be imposed in response to the pandemic.

During the years ended June 30, 2021 and 2020, and through the date of this report, the Organization has not experienced a significant decline in revenues, nor a significant change in its operations.

The value of the in-kind rent is recorded at the difference between the rental payment and the market rate for the property based upon a recent appraisal.

Many other individuals have donated significant amounts of time to the activities of the Organization. The financial statements do not reflect any value for these donated services since there is no reliable basis for making a reasonable determination.

Cornerstone Housing North, Inc. receives a large majority of its support from the U.S. Department of Housing and Urban Development. For the years ended June 30, 2021 and 2020, approximately 67% and 68%, respectively, of the Organization's total revenue was derived from the U.S. Department of Housing and Urban Development. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. NOTE 14. COMMITMENTS AND CONTINGENCIES

Grant Compliance

The Organization receives funds under several federal and state grants. Under the terms of the grants the Organization is required to comply with various stipulations including use and time restrictions. If the Organization was found to be noncompliant with the provisions of the grant agreements, the Organization could be liable to the grantor or face discontinuation of funding.

Environmental Contingencies

On March 30, 2009, the Organization's Board of Directors agreed to secure ownership of a 1.2-acre site located in Berlin, New Hampshire. There are 2 buildings on this site designated as the East Wing and West Wing Buildings which were formerly used as a research and development facility for the Berlin Mills Company.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

The exterior soil and interior parts of the East Wing Building contained contaminants which required environmental remediation. In a letter dated May 2, 2012, the State of New Hampshire Department of Environment Services (the Department) noted that the remedial actions for the exterior soils and parts of the East Wing Building had been completed to the Department's satisfaction.

In addition, the Department noted that the contaminants related to the West Wing Building did not pose an exposure hazard to site occupants, area residents, and the environment, provided the West Wing Building is maintained to prevent further structural deterioration. If further deterioration occurs and contaminants are released into the environment, the Organization could be required to take additional action including containment and remediation.

Loss Contingencies

During the year ended June 30, 2018 and subsequently, legal actions were brought against the Organization. Due to the uncertainty of the outcome of such cases as of June 30, 2021, as well as the uncertainty of the Organization's potential liability, no amount has been accrued by the Organization at this time.

NOTE 15. REPLACEMENT RESERVE AND RESIDUAL RECEIPTS ACCOUNTS

Under Cornerstone Housing North, Inc.'s regulatory agreement with HUD, the Organization is required to set aside amounts into a replacement reserve for the replacement of property and other project expenditures approved by HUD. HUD-restricted deposits of $181,723 and $155,278 were held in a segregated account at June 30, 2021 and 2020, respectively. HUD-restricted deposits generally are not available for operating purposes.

Cornerstone Housing North, Inc.'s use of the residual receipts account is contingent upon HUD's prior written approval. Residual receipts of $59,517 and $31,049 were held in a segregated account for the years ended June 30, 2021 and 2020, respectively.

HUD has initiated policies to recapture funds built up in residual receipts accounts upon renewal of the Organization's project rental assistance contract. The policies direct that the amounts in excess of certain limits in the residual receipts account be (a) used to offset rent subsidies due from HUD under HAP contracts, or (b) remitted directly to HUD. The policies generally require project owners to limit the monies accumulated in the residual receipts account to $250 per unit.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

In accordance with the policy noted above, the Organization was required to remit funds to HUD totaling $31,412 during the year ended June 30, 2020. In addition to the funds remitted, HUD approved the Organization to withdraw $11,852 from the residual receipts account for equipment during the year ended June 30, 2020.

NOTE 16. RECLASSIFICATION

Certain amounts and accounts from the prior year's financial statements were reclassified to enhance comparability with the current year's financial statements.

NOTE 17. SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. Recognized subsequent events are events or transactions that provide additional evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. Non-recognized subsequent events are events that provide evidence about conditions that did not exist at the statement of financial position date, but arose after that date. Management has evaluated subsequent events through November 19, 2021, the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Tri-County Community Action Program, Inc.
Berlin, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Tri-County Community Action Program, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 19, 2021.

Internal Control Over Financial Reporting
In planning and performing our audit of the financial statements, we considered Tri-County Community Action Program Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tri-County Community Action Program Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Tri-County Community Action Program Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tri-County Community Action Program Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

TRI-COUNTY COMMUNITY ACTION PROGRAM, INC.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Tri-County Community Action Program, Inc.
Berlin, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Tri-County Community Action Program Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Tri-County Community Action Program Inc.'s major federal programs for the year ended June 30, 2021. Tri-County Community Action Program Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Tri-County Community Action Program Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Tri-County Community Action Program Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Tri-County Community Action Program Inc.'s compliance.

DocuSign Envelope ID: 28424FD4-8C5F-4FB3-B855-0EE2C1379065

Opinion on Each Major Federal Program

In our opinion, Tri-County Community Action Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of Tri-County Community Action Program, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Tri-County Community Action Program Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Tri-County Community Action Program, Inc.'s internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
