EXPLANATION

During the fall of 2021, NHDES went out for solicitation of interest to community water systems serving a population greater than 150 people. Forty-five (45) proposals were received, evaluated, and ranked based on criteria included in the request for proposals, such as, project completes for condition assessment on all assets, that a financial plan is developed and addresses investment priorities and true cost of service, and that the plan is communicated to customers and decisionmakers. Out of the 45 project proposals, 31 were selected to be funded under the American Rescue Plan Act (ARPA) funds. See attachment A for the proposal rankings and list of reviewers.

Slope N Shore Club, Inc. will use the funds to develop, improve or implement asset management program for their respective drinking water system. Asset management has become the foundation for sustainable water systems as it provides a holistic picture for how to conduct their business in a more effective and efficient method. The intent of this grant is to provide financial assistance as communities embark in the journey to develop better mechanism to manage their water systems.

ARPA of 2021 is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021 to speed up the United States' recovery from the economic health effects of the COVID-19 pandemic and the resultant recession. The Act defines eligible uses of the state and local funding, including responding to public health emergencies, responding to

workers performing essential work during the COVID-19 emergency, providing revenue relief to states and making investments in water, sewer, and broadband infrastructure. This is an allowable use of ARP FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure.

In the event grant funds become no longer available, general funds will not be requested to support this program. These grant agreements have been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval of this item.
