EXPLANATION

This item is **retroactive** to January 1, 2023, because complete and approved contracts were not received at this Office in time for the December 21, 2022 meeting.

These subgrants are from the remaining Federal Fiscal Year 2021 and Federal Fiscal Year 2022 funds that New Hampshire receives annually from the U.S. Department of Justice, Office of Violence Against Women, Violence Against Women Act Grant (VAWA). The grant is targeted specifically at deterring crimes involving violence against women and aiding women who are victims of crime. Statutory requirements of the VAWA grant program are that agencies representing law enforcement will be allocated at least 25% of the award; prosecution offices will be allocated at least 25% of the award; and victim service providers will be allocated at least 30% of the award (with at least 10% of that to be distributed to culturally specific community-based services and 20% to sexual assault victims). Lastly, 5% of the funding must be expended by the courts.

The subgrant recipients above have received previous VAWA awards from this Office. All were selected previously through a request for fund solicitation and now represent core service providers for the State of New Hampshire in the area of violence against women services. These awards will allow the funded organizations to continue providing the vital services upon which New Hampshire's citizens have come to rely.

Services and positions being supported through the awarding of these funds include, but are not limited to, specially trained domestic violence and sexual assault prosecutors at county attorney offices, victim advocate positions in police departments and in county attorney offices, staff positions for Domestic Violence Units in our largest police departments, culturally specific advocacy, and continued services to victims of domestic and sexual violence.

In the event that federal funds are no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

John M. Formella
Attorney General

1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. 2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.
3. The Subrecipient will comply (and will require any subrecipients or contractors to comply) with any applicable nondiscrimination provisions, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Violence Against Women Act (34 U.S.C. § 12291(b)(13)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07). It will also comply with Ex. Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships with Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Part 38.
4. Compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. Prior approval requests require additional justification.
5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.

EXHIBIT A

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

EXHIBIT A

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The subrecipient also must comply with applicable restrictions on subawards ("subgrants") to first tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide the unique entity identifier required for SAM registration.

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

12. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the

EXHIBIT A

scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130).

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

EXHIBIT A

(Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

18. Effect of failure to address audit issues

The subrecipient understands and agrees that the NHDOJ (and OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the NHDOJ) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

EXHIBIT A

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

23. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance, and may not proceed without the express prior written approval of NHDOJ.

25. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of

EXHIBIT A

waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

a. it represents that--

(1) it has determined that no other entity that the subrecipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

EXHIBIT A

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

30. Availability of general terms and conditions on OVW website

The subrecipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

31. Compliance with statutory and regulatory requirements

The subrecipient agrees to comply with all relevant statutory and regulatory requirements, which may include, among other relevant authorities, the Violence Against Women Act of 1994, P.L.

EXHIBIT A

103-322, the Violence Against Women Act of 2000, P.L. 106-386, the Violence Against Women and Department of Justice Reauthorization Act of 2005, P.L. 109-162, the Violence Against Women Reauthorization Act of 2013, P.L. 113-4, the Omnibus Crime Control and Safe Streets Act of 1968, 34 U.S.C. §§ 10101 et seq., and OVW's implementing regulations at 28 C.F.R. Part 90.

32. Compliance with solicitation requirements

The subrecipient agrees that it must be in compliance with requirements outlined in the solicitation under which the approved application was submitted, the applicable Solicitation Companion Guide, and any program-specific frequently asked questions (FAQs) on the OVW website (<https://www.justice.gov/ovw/resources-and-faqs-grantees>). The program solicitation, Companion Guide, and any program specific FAQs are hereby incorporated by reference into this award.

33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at

<https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as

EXHIBIT A

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (1) any person providing legal assistance through a program funded under this grant program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or
 - (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The New Hampshire Judicial Branch, Administrative Office of the Courts (Subrecipient) certifies that any funds awarded through **grant number 2023VAW03** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The New Hampshire Judicial Branch, Administrative Office of the Courts (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and

 - (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.
- (ii) In no circumstances may—
- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
 - (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. 6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

- ✓ By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. EXHIBIT A

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Victory Women of Vision (Subrecipient) certifies that any funds awarded through **grant number 2023VAW21** shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Victory Women of Vision (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

EXHIBIT A

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. 8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

(Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

18. Effect of failure to address audit issues

The subrecipient understands and agrees that the NHDOJ (and OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the NHDOJ) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

EXHIBIT A

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition:

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance, and may not proceed without the express prior written approval of NHDOJ.

25. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

The program solicitation, Companion Guide, and any program specific FAQs are hereby incorporated by reference into this award.

33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOL, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as

EXHIBIT A

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Organization for Refugee and Immigration Success (Subrecipient) certifies that any funds awarded through grant number 2023VAW22 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Organization for Refugee and Immigration Success (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

**Acknowledgement of Notice of Statutory Requirement to Comply with the
Confidentiality and Privacy Provisions of the Violence Against Women Act, as
Amended**

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and
- (ii) grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(D) Information sharing

(i) Grantees and subgrantees may share—

- (I) nonpersonally identifying data in the aggregate regarding services to their clients and nonpersonally identifying demographic information in order to comply with Federal, State, tribal, or territorial reporting, evaluation, or data collection requirements;
 - (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
 - (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.
- (ii) In no circumstances may—
- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
 - (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

As the duly authorized representative of the applicant, I hereby acknowledge that the applicant has received notice of that if awarded funding they will comply with the above statutory requirements. This acknowledgement shall be treated as a material representation of fact upon which the Department of Justice will rely if it determines to award the covered transaction, grant, or cooperative agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
 of Organization For Refugee and Immigrant Success

Opinion

We have audited the accompanying financial statements of Organization For Refugee and Immigrant Success (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Organization For Refugee and Immigrant Success as of December 31, 2021, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Organization For Refugee and Immigrant Success and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization For Refugee and Immigrant Success's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Organization For Refugee and Immigrant Success's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization For Refugee and Immigrant Success's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 31, 2022, on our consideration of Organization For Refugee and Immigrant Success internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Organization For Refugee and Immigrant Success's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Organization For Refugee and Immigrant Success's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Organization For Refugee and Immigrant Success's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 29, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

ORGANIZATION FOR REFUGEE AND IMMIGRANT SUCCESS
Notes to Financial Statements
December 31, 2021 & 2020

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING PRINCIPLES

The Organization for Refugee and Immigrant Success (ORIS) is a New Hampshire non-profit charitable corporation. ORIS is organized to aid in the resettlement of refugee and immigrant groups in the State of New Hampshire by providing assistance, training, resources and opportunities that promote self-sufficiency. These objectives are accomplished raising funds and providing government assistance services, employment services, health services, the New American Sustainable Agriculture Project, and conflict resolution and legal services. In 2020 The Organization assumed operating a program that welcomes and serves African American immigrants and refugees living in Concord, NH from the New African Americans, Inc. Additionally, some of that company's employees were hired by ORIS and five of its board members joined the Organizations Board of Directors.

Comparative Financial Information

The accompanying financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America (GAAP). Accordingly, such information should be read in conjunction with our audited financial statements for the year ended December 31, 2020, from which the summarized information was derived.

Cash, Cash Equivalents, and Restricted Cash

We consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Use of Estimates

The preparation of the financial statements in accordance with Generally Accepted Accounting Principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Advertising

Advertising costs are expensed as incurred and approximated \$5,672 and \$2,691 during the year ended December 31, 2021 and 2020 respectively.

Receivables and Credit Policies

Receivables from contracts with customers are reported as accounts receivable, net in the accompanying statements of financial position. Contract liabilities are reported as deferred revenue in the accompanying statements of financial position.

See Accompanying Notes and Accountant's Report

ORGANIZATION FOR REFUGEE AND IMMIGRANT SUCCESS
Notes to Financial Statements
December 31, 2021 & 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Receivables and Credit Policies continued

We determine the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivables are written off when deemed uncollectable. At December 31, 2021 the balance of accounts receivable and deferred revenue was \$51,430 and \$136,825 respectively.

Revenue and Revenue Recognition

Revenue is recognized when earned. We recognize revenue from sales of food products and services when the performance obligations of transferring the products and providing the services are met. Special events revenue is comprised of an exchange element based upon the direct benefits donors receive and a contribution element for the difference. We recognize special events revenue equal to the fair value of direct benefits to donors when the special event takes place. We recognize the contribution element of special event revenue immediately, unless there is a right of return if the special event does not take place.

A portion of our revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when we have incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. We received cost-reimbursable grants of \$136,825 and \$0 that have not been recognized at December 31, 2021 and 2020 respectively, because qualifying expenditures have not yet been incurred. No amounts have been received in advance under our federal and state contracts and grants.

In-kind Contributions

Contributed nonfinancial assets include donated professional services, donated equipment, and other in-kind contributions which are recorded at the respective fair values of the goods or services received (Note 6). We do not sell donated gifts-in-kind. In addition to contributed nonfinancial assets, volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

See Accompanying Notes and Accountant's Report

Notes to Financial Statements
December 31, 2021 & 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Fixed Assets

The Organization for Refugee and Immigrant Success follows the policy of capitalizing, at cost, all expenditures for equipment in excess of \$500. We record property and equipment additions over \$500 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

We review the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended December 31, 2021 or 2020.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets with Donor Restrictions – Net assets subject to donor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. We report contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. We report conditional contributions restricted by donors as increases in net assets without donor restrictions if the restrictions and conditions expire simultaneously in the reporting period. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are released when received and released from restrictions when the assets are placed in service.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Income Tax Status

The Organization for Refugee and Immigrant Success (ORIS) is organized as a New Hampshire non-profit charitable corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(c)(3). Thus, it qualifies for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi). The organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entities are subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Management has determined that the organization is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS. The Organization assesses the recording of uncertain tax positions by evaluating the minimum recognition threshold and measurement requirements a tax position must meet before being recognized as a benefit in the financial statements. The Organization's policy is to recognize interest and penalties accrued on any uncertain tax positions as a component of income tax expense, if any, in its statements of activities.

NOTE 10 – CARES ACT GRANTS

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted and signed into law to provide certain aid and stimulus to the U.S. economy. The Organization qualifies as a small business under the CARES Act and submitted a loan application with a qualified lender for funding under the Pay-check Protection Program (PPP), administered by the Small Business Association (SBA). On April 30, 2020, the Organization's application with the lender was approved and as a result, the Organization obtained a loan (PPP Loan) in the amount of \$98,600. The PPP Loan bears fixed interest at 1.00% per annum, which begins accruing from the date of the loan, and matures on April 30, 2022. The PPP Loan is unsecured and guaranteed by the SBA. The PPP Loan is eligible to be forgiven provided the Organization satisfies certain conditions and upon approval by the lender and the SBA. The PPP Loan provides for the deferral of payments until the SBA has determined the forgiveness amount, at which time, any remaining PPP Loan amount requires equal monthly payments of principal plus accrued interest in an amount sufficient to repay the remaining PPP Loan balance by the maturity date. On October 14th, 2020, the Organization received notification of forgiveness, from the SBA. The Organization has elected to account for the PPP Loan in accordance with ASC 958-605, Not-for-Profit Entities: Revenue Recognition and account for the PPP Loan, in substance, as a government grant that is earned through the Organization's compliance with the loan forgiveness criteria. During the year ended December 31, 2020, the Organization determined that the conditions have been met and \$98,600 was recognized in government grants on the accompanying statements of activities.

Additionally, on April 28th, 2020 the Organization received a \$10,000 in an Economic Injury Disaster Loan Advance from the SBA of \$10,000. This amount has been recorded as a grant from the US Government in accordance with ASC 958-605.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of
 Organization For Refugee and Immigrant Success

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Organization For Refugee and Immigrant Success (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 31, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Organization For Refugee and Immigrant Success's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Organization For Refugee and Immigrant Success's internal control. Accordingly, we do not express an opinion on the effectiveness of Organization For Refugee and Immigrant Success's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Organization For Refugee and Immigrant Success's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This covenant shall survive the termination of this agreement.
17. **INSURANCE.**
- 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

EXHIBIT A

Franklin Police Department as the Grantee (hereinafter referred to as "Subrecipient") shall be compliant at all times with the terms, conditions and specifications detailed below, which are subject to annual review.

1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.
3. The Subrecipient will comply (and will require any subrecipients or contractors to comply) with any applicable nondiscrimination provisions, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Violence Against Women Act (34 U.S.C. § 12291(b)(13)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07). It will also comply with Ex. Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Part 38.
4. Compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. Prior approval requests require additional justification.
5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.

EXHIBIT A

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. **Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. **Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide**

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

EXHIBIT A

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

12. Requirement to report actual or imminent breach of personally identifiable information (PII)

EXHIBIT A

scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130).

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

(Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

19. Potential imposition of additional requirements

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

02-20-20-2015 10-

"This project was supported by Subgrant No. ~~501-076-1~~ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (1) any person providing legal assistance through a program funded under this grant program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or
 - (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Franklin Police Department (Subrecipient) certifies that any funds awarded through grant number 2023VAW14 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Franklin Police Department (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

10. **CONDITIONAL NATURE OF AGREEMENT.** Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

11. **EVENT OF DEFAULT; REMEDIES.**

11.1. Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

11.1.1 Failure to perform the Project satisfactorily or on schedule; or

11.1.2 Failure to submit any report required hereunder; or

11.1.3 Failure to maintain, or permit access to, the records required hereunder; or

11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

13. **CONFLICT OF INTEREST.** No officer, member of employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE.**
- 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

EXHIBIT A

1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.
3. The Subrecipient will comply (and will require any subrecipients or contractors to comply) with any applicable nondiscrimination provisions, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Violence Against Women Act (34 U.S.C. § 12291(b)(13)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07). It will also comply with Ex. Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Part 38.
4. Compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. Prior approval requests require additional justification.
5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.

EXHIBIT A

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

EXHIBIT A

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The subrecipient also must comply with applicable restrictions on subawards ("subgrants") to first tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers (UEI) are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

11. Employment eligibility verification for hiring under the award

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

12. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the

EXHIBIT A

scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130).

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

14. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OVW authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the subrecipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions>

EXHIBIT A

(Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

18. Effect of failure to address audit issues

The subrecipient understands and agrees that the NHDOJ (and OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the NHDOJ) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

EXHIBIT A

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations:

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. EXHIBIT A

waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a: it represents that--

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

The program solicitation, Companion Guide, and any program specific FAQs are hereby incorporated by reference into this award.

33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information:

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at

<https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web-site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as

EXHIBIT A

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449.

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

(3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and

(4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3).

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Strafford County Attorney's Office (Subrecipient) certifies that any funds awarded through grant number 2023VAW09 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Strafford County Attorney's Office (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services:

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

(II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. 1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. 2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. 6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. 33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (1) any person providing legal assistance through a program funded under this grant program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or
 - (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;

The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Office of the Merrimack County Attorney (Subrecipient) certifies that any funds awarded through grant number 2023VAW08 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Office of the Merrimack County Attorney (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.
3. The Subrecipient will comply (and will require any subrecipients or contractors to comply) with any applicable nondiscrimination provisions, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Violence Against Women Act (34 U.S.C. § 12291(b)(13)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07). It will also comply with Ex. Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Part 38.

The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. 6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.
7. **Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. **Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide**

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

12. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

funds that would otherwise be available for the activities under this grant.

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer

Initials: PD

EXHIBIT A

such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or

any other format) resulting from subaward activities shall contain the following statement:

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (1) any person providing legal assistance through a program funded under this grant program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Manchester Police Department (Subrecipient) certifies that any funds awarded through grant number 2023VAW21 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Manchester Police Department (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.
7. Nothing herein shall prevent the Subrecipient from self-insuring the terms of coverage or from contracting with an insurance company to provide substantially equivalent coverage.
8. **Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

46. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

47. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

EXHIBIT A

48. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

49. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

(3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and

(4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Office of the City Solicitor's, Manchester (Subrecipient) certifies that any funds awarded through grant number 2023VAW10 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Office of the City Solicitor's, Manchester (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

EXHIBIT A

Salem Police Department as the Grantee (hereinafter referred to as "Subrecipient") shall be compliant at all times with the terms, conditions and specifications detailed below, which are subject to annual review.

1. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
2. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.
3. The Subrecipient will comply (and will require any subrecipients or contractors to comply) with any applicable nondiscrimination provisions, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); the Victims of Crime Act (34 U.S.C. § 20110(e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); the Violence Against Women Act (34 U.S.C. § 12291(b)(13)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Indian Civil Rights Act (25 U.S.C. §§ 1301-1303); the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12131-34); the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07). It will also comply with Ex. Order 13279, Equal Protection of the Laws for Faith-Based and Community Organizations; Executive Order 13559, Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations; and the DOJ implementing regulations at 28 C.F.R. Part 38.
4. Compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. The current consultant limit is \$650 per day or \$81.25 per hour. When the rate exceeds the limit for an 8-hour day, or a proportionate hourly rate (excluding travel and subsistence costs), a written prior approval is required. Prior approval requests require additional justification.
5. The Subrecipient agency agrees that, should they employ a former member of the NH Department of Justice (NHDOJ), that employee or their relative shall not perform work on or be billed to any federal or state subgrant or monetary award that the employee directly managed or supervised while at the NHDOJ for the life of the subgrant without the express approval of the NH DOJ.

EXHIBIT A

6. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

7. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

8. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The subrecipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

EXHIBIT A

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

10. Requirements related to System for Award Management and unique entity identifiers

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The subrecipient also must comply with applicable restrictions on subawards ("subgrants") to first tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers (UEI) are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

The subrecipient must ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient at any tier) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. § 1324a(a)(1) and (2).

The details of the recipient's obligations under this condition are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Employment eligibility verification for hiring under award) and are incorporated by reference here.

12. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the

EXHIBIT A

scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130).

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

EXHIBIT A

(Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

15. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

19. Potential imposition of additional requirements

EXHIBIT A

The subrecipient agrees to comply with any additional requirements that may be imposed by the NHDOJ (and OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

EXHIBIT A

waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. 42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

- (1) any person providing legal assistance through a program funded under this grant program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or
 - (B) (i) is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;

- (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions; as well as appropriate state and local law enforcement officials of their work; and
- (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient ("subgrantee") at any tier will comply with this condition.

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Salem Police Department (Subrecipient) certifies that any funds awarded through grant number 2023VAW04 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Salem Police Department (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

Under section 40002(b)(2) of the Violence Against Women Act, as amended (42 U.S.C. 13925(b)(2)), grantees and subgrantees with funding from the Office on Violence Against Women (OVW) are required to meet the following terms with regard to nondisclosure of confidential or private information and to document their compliance. By signature on this form, applicants for grants from OVW are acknowledging that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and

(D) Information sharing

- (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
- (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.

(ii) In no circumstances may—

- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
- (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances

Grantees and subgrantees must document their compliance with the confidentiality and privacy provisions required under this section.

EXHIBIT H

As the duly authorized representative of the applicant, I hereby acknowledge that the applicant has received notice of that if awarded funding they will comply with the above statutory requirements. This acknowledgement shall be treated as a material representation of fact upon which the Department of Justice will rely if it determines to award the covered transaction, grant, or cooperative agreement.

By accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period may result in the Office on Violence Against Women ("OVW") or the NH Dept. of Justice ("NHDOJ") taking appropriate action with respect to the subrecipient and the award. Among other things, OVW or NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW and NHDOJ, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable, such provision shall be deemed severable from this award.

The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review

throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained,

whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

9. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal funds, or if the subrecipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ, must seek a budget modification or change-of-project-scope to eliminate any inappropriate duplication of funding

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S. Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 PM EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach.

Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

13. Unreasonable restrictions on competition under the award; association with federal government.

No recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by DOJ.

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. 19. Potential imposition of additional requirements

EXHIBIT A

EXHIBIT A

with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the subrecipient is to contact the NHDOJ Grants Management Unit for guidance and may not proceed without the express prior written approval of NHDOJ.

24. Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

26. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of

EXHIBIT A

waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient--

- a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
- b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

a. it represents that--

- (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

EXHIBIT A

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the NHDOJ or (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated high risk by a federal grant-making agency outside of DOJ.

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

33. VAWA 2013 nondiscrimination condition

The subrecipient acknowledges that 34 U.S.C. § 12291(b)(13) prohibits subrecipients of OVW awards from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming.

The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipients ("subgrantees") at any tier will comply with this provision.

34. Misuse of award funds

The subrecipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

35. Limitation on use of funds to approved activities

The subrecipient agrees that grant funds will be used only for the purposes described in the subrecipient's application, unless the NHDOJ Grants Management Unit determines that any of these activities are out of scope or unallowable. The subrecipient must not undertake any work or activities that are not described in the subrecipient's application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval by the NHDOJ.

36. Non-supplantation

The subrecipient agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

EXHIBIT A

37. Confidentiality and information sharing

The subrecipient agrees to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information.

The subrecipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. § 12291(b)(2))" on the OVW website at

<https://www.justice.gov/ovw/resources-and-faqs-grantees>. The subrecipient also agrees to ensure that all subrecipients ("subgrantees") at any tier meet these requirements.

38. Activities that compromise victim safety and recovery or undermine offender accountability

The subrecipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

39. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW web site at

<https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

40. Termination or suspension for cause

The Director of OVW or the NHDOJ, upon a finding that there has been substantial failure by the subrecipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as

EXHIBIT A

applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 CFR 200.340.

41. Performance progress reports and final report submission

The subrecipient agrees to provide OVW with specific information regarding subawards ("subgrants") made under this award. The subrecipient agrees to submit an annual report that includes: a) an assessment of whether stated goals and objectives were achieved; b) information on the effectiveness of activities carried out with grant funds, including the number of persons served and the number of persons seeking services who could not be served; c) information on each subaward made; and d) such other information as OVW may prescribe.

Subrecipients are required to submit this report after the end of each calendar year but no later than March 15th each year. Recipients and subrecipients must use the designated forms and/or systems made available by OVW for performance reporting, which identify the information that recipients and subrecipients must collect and report as a condition of receiving funding under this award.

42. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs.

In order to add program income to a subaward, subrecipients must seek approval from the NHDOJ prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the NHDOJ Grants Management Unit must be reported by the subrecipient to the NHDOJ Grants Management Unit so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the subrecipient must provide approval by the end of the project period.

Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

43. Subrecipient product monitoring

The subrecipient agrees to be monitored to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

44. Publications disclaimer for STOP Formula subrecipients

The subrecipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement:

EXHIBIT A

"This project was supported by Subgrant No. _____ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

45. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

46. Consultant compensation rates

The subrecipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds.

Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subrecipients are required to maintain documentation to support all daily or hourly consultant rates.

47. Ongoing compliance with statutory certifications

The subrecipient agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the subrecipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449

EXHIBIT A

(regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims).

Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

48. Requirements for subrecipients providing legal assistance

The subrecipient agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the subrecipient. The legal assistance eligibility requirements are:

(1) any person providing legal assistance through a program funded under this grant program

-NON-SUPPLANTING CERTIFICATION -

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the Subrecipient or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3)

<http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A recipient or subrecipient may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Office of the Coos County Attorney (Subrecipient) certifies that any funds awarded through grant number 2023VAW06 shall be used to supplement existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Office of the Coos County Attorney (Subrecipient) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.

By signature on this form, applicants for grants from OVW are acknowledging that that they have notice that, if awarded funds, they will be required to comply with this provision, and will mandate that subgrantees, if any, comply with this provision, and will create and maintain documentation of compliance, such as policies and procedures for release of victim information, and will mandate that subgrantees, if any, will do so as well.

(A) In general

In order to ensure the safety of adult, youth, and child victims of domestic violence, dating violence, sexual assault, or stalking, and their families, grantees and subgrantees under this subchapter shall protect the confidentiality and privacy of persons receiving services.

(B) Nondisclosure

Subject to subparagraphs (C) and (D), grantees and subgrantees shall not—

- (i) disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through grantees' and subgrantees' programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected; or
- (ii) disclose, reveal, or release individual client information without the informed, written, reasonably time-limited consent of the person (or in the case of an unemancipated minor, the minor and the parent or guardian or in the case of legal incapacity, a court-appointed guardian) about whom information is sought, whether for this program or any other Federal, State, tribal, or territorial grant program, except that consent for release may not be given by the abuser of the minor, incapacitated person, or the abuser of the other parent of the minor.

EXHIBIT H

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

(C) Release

If release of information described in subparagraph (B) is compelled by statutory or court mandate—

- (i) grantees and subgrantees shall make reasonable attempts to provide notice to victims affected by the disclosure of information; and

(D) Information sharing

 - (II) court-generated information and law enforcement-generated information contained in secure, governmental registries for protection order enforcement purposes; and
 - (III) law enforcement-generated and prosecution-generated information necessary for law enforcement and prosecution purposes.
- (ii) In no circumstances may—
- (I) an adult, youth, or child victim of domestic violence, dating violence, sexual assault, or stalking be required to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee;
 - (II) any personally identifying information be shared in order to comply with Federal, tribal, or State reporting, evaluation, or data collection requirements, whether for this program or any other Federal, tribal, or State grant program.

(E) Statutorily mandated reports of abuse or neglect

Nothing in this section prohibits a grantee or subgrantee from reporting suspected abuse or neglect, as those terms are defined and specifically mandated by the State or tribe involved.

(F) Oversight

Nothing in this paragraph shall prevent the Attorney General from disclosing grant activities authorized in this Act to the chairman and ranking members of the Committee on the Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate exercising Congressional oversight authority. All disclosures shall protect confidentiality and omit personally identifying information, including location information about individuals.

(G) Confidentiality assessment and assurances
